The face value of the Equity Shares is ₹ 10/- and the Issue Price is [●] times of the face value at the lower end of the Price Band and [●] times of the face value at the higher end of the Price Band. The Issue Price (has been determined and justified by our Company, in consultation with the Book Running Lead Manager as stated in chapter titled "Basis for Issue Price" beginning on page 70 of this Draft Red Herring Prospectus) should not be taken to be indicative of the market price of our Equity Shares after our Equity Shares are listed. No assurance can be given regarding an active and/or sustained trading in the Equity Shares of our Company or regarding the price at which the Equity Shares will be traded after listing.

### GENERAL RISKS

Investments in equity and equity-related securities involve a degree of risk and investors should not invest any funds in this Issue unless they can afford to take the risk of losing their investment. Investors are advised to read the risk factors carefully before taking an investment decision in this Issue. For taking an investment decision, investors must rely on their own examination of our Company and the Issue including the risks involved. The Equity Shares offered in the Issue have not been recommended or approved by the Securities and Exchange Board of India ("SEBI"), nor does SEBI guarantee the accuracy or adequacy of this Draft Red Herring Prospectus. Specific attention of the investors is invited to the section "Risk Factors" beginning on page 13 of this Draft Red Herring Prospectus.

### ISSUER'S ABSOLUTE RESPONSIBILITY

The Issuer, having made all reasonable inquiries, accepts responsibility for and confirms that this Draft Red Herring Prospectus contains all information with regard to the Issuer and the Issue, which is material in the context of the Issue, that the information contained in this Draft Red Herring Prospectus is true and correct in all material aspects and is not misleading in any material respect, that the opinions and intentions expressed herein are honestly held and that there are no other facts, the omission of which makes this Draft Red Herring Prospectus as a whole or any of such information or the expression of any such opinions or intentions misleading in any material respect.

## PRESENTATION OF FINANCIAL, INDUSTRY AND MARKET DATA

All references to “India” are to the Republic of India and all references to the “Government” are to the Government of India.

### **Financial data**

Unless stated otherwise, the financial data which are included in this Draft Red Herring Prospectus are derived from the restated consolidated and standalone financial statements of the Company, prepared in accordance with Indian GAAP and the SEBI (ICDR) Regulations.

The fiscal year of the Company commences on April 1 of each year and ends on March 31 of the next year. All references to a particular fiscal year are to the 12 month period ended March 31 of that year. In this Draft Red Herring Prospectus, any discrepancies in any table between the total and the sums of the amounts listed are due to rounding-off.

There are significant differences between Indian GAAP, IFRS and US GAAP. The Company has not attempted to quantify their impact on the financial data included herein and urges you to consult your own advisors regarding such differences and their impact on the Company's financial data. Accordingly to what extent, the financial statements included in this Draft Red Herring Prospectus will provide meaningful information is entirely dependent on the reader's level of familiarity with Indian accounting practices / Indian GAAP. Any reliance by persons not familiar with Indian accounting practices on the financial disclosures presented in this Draft Red Herring Prospectus should accordingly be limited.

Any percentage amounts, as set forth in “Risk Factors”, “Business Overview”, “Management's Discussion and Analysis of Financial Condition and Results of Operations” and elsewhere in this Draft Red Herring Prospectus unless otherwise indicated, have been calculated on the basis of the Company's restated consolidated and standalone financial statements prepared in accordance with Indian GAAP.

### **Currency of presentation**

In this Draft Red Herring Prospectus, references to “Rupees” or “Rs.” or “₹” are to Indian Rupees, the official currency of the Republic of India. All references to “US\$” or “U.S. Dollars” are to United States Dollars, the official currency of the United States of America.

All references to ‘million’ / ‘Million’ / ‘Mn’ refer to one million, which is equivalent to ‘ten lacs’ or ‘ten lakhs’, the word ‘Lacs / Lakhs / Lac’ means ‘one hundred thousand’ and ‘Crore’ means ‘ten millions’ and ‘billion / bn. / Billions’ means ‘one hundred crores’.

### **Market and industry data**

Unless stated otherwise, industry data used throughout this Draft Red Herring Prospectus has been obtained from industry publications including *inter alia* RBI and Ministry of Finance. Industry publications generally state that the information contained in those publications has been obtained from sources believed to be reliable but that their accuracy and completeness are not guaranteed and their reliability cannot be assured. Although we believe industry data used in this Draft Red Herring Prospectus is reliable, it has not been verified by any independent source.

Further, the extent to which the market data is presented in this Draft Red Herring Prospectus is meaningful depends on the reader's familiarity with and understanding of the methodologies used in compiling such data. There are no standard data gathering methodologies in the industry in which we conduct our business, and methodologies and assumptions may vary widely among different industry sources.

## FORWARD LOOKING STATEMENTS

We have included statements in this Draft Red Herring Prospectus which contain words or phrases such as “will”, “aim”, “is likely to result in”, “believe”, “expect”, “will continue”, “anticipate”, “estimate”, “intend”, “plan”, “contemplate”, “seek to”, “future”, “objective”, “goal”, “project”, “should”, “will pursue” and similar expressions or variations of such expressions, that are “forward-looking statements”. Similarly, statements that describe our objectives, strategies, plans or goals are also forward looking statements.

These forward-looking statements are based on our current plans and expectations and are subject to a number of uncertainties and risks that could significantly affect our current plans and expectations and our future financial condition and results of operations. Important factors that could cause actual results to differ materially from our expectations include, but are not limited to, the following:

- General economic and business conditions in the markets in which we operate and in the local, regional, national and international economies;
- Changes in laws and regulations relating to the sectors/areas in which we operate;
- The performance of the Indian and Global financial markets;
- Increased competition or other factors affecting the industry segments in which our Company operates;
- Our ability to successfully implement our growth strategy and expansion plans, and to successfully launch and implement various financial products;
- Our ability to meet our capital expenditure requirements and/or increase in capital expenditure;;
- Fluctuations in operating costs and impact on the financial results;
- Our ability to attract and retain qualified personnel;
- Changes in technology;
- Changes in political and social conditions in India, the monetary and interest rate policies of India and other countries, inflation, deflation, unanticipated turbulence in interest rates, equity prices or other rates or prices;
- Any adverse outcome in the legal proceedings in which we are involved.
- Market fluctuations and industry dynamics beyond our control;
- Occurrence of natural disasters or calamities affecting the areas in which we have operations;
- Conflicts of interest with affiliated companies, the promoter group and other related parties;
- Contingent liabilities, environmental problems and uninsured losses; and
- Changes in government policies and regulatory actions that apply to or affect our business;

For further discussion of factors that could cause our actual results to differ, see the section titled “*Risk Factors*” and chapter titled “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” beginning on pages 13 and 231 respectively.

The Company and the BRLM are obliged to update the Red Herring Prospectus and, in accordance with SEBI requirements, the Company and the BRLM will ensure that investors in India are informed of material developments until such time as the grant of listing and trading permission by the Stock Exchanges for the Equity Shares allotted pursuant to the Issue.

## SECTION II – RISK FACTORS

The risks and uncertainties described below, together with the other information contained in this Draft Red Herring Prospectus, should be carefully considered before making an investment decision in our Equity Shares. These risks are not the only ones relevant to our Company and our business, but also include risk relevant to the industry and geographic regions in which we operate. Additional risks, not presently known to us or that we currently deem immaterial may also impair our business and operations. To obtain a complete understanding of our Company and prior to making an investment decision, prospective investors should read this section in conjunction with the chapter titled "Business Overview" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" beginning on 105 and 231, respectively, as well as the other financial and statistical information contained in this Draft Red Herring Prospectus. If any of the risks described below actually occur, our business prospects, financial condition and results of operations could be materially affected, the trading price of our Equity Shares could decline, and investors could lose all or part of their investment.

Prospective investors should pay particular attention to the fact that we are incorporated under the laws of India and are subject to a legal and regulatory environment that differs in certain respects from that of other countries. Unless specified or quantified in the relevant risk factors below, we are not in a position to quantify the financial or other implication of any of the risks described in this section.

### Internal Risk Factors

- 1. Our Company, Promoters, Promoter Group companies and directors thereof are involved in various litigations, the outcome of which could adversely affect our business and financial operations.**

No.	Particulars	No. of Cases	Amount involved where quantifiable (₹ In lakhs)
<b><u>Litigation By and Against our Company</u></b>			
<b><u>Litigation against our Company</u></b>

2	Civil	6	1,057.75
<b><u>Litigation filed By our Promoters, Directors and Promoter Group Companies</u></b>			
1	Civil	4	1082.11
2	Direct and Indirect Tax proceedings	8	133.03

For more information regarding litigations, please refer to chapter titled "Outstanding Litigation and Material Developments" beginning on page 243 of this Draft Red Herring Prospectus.

- 2. Any increase in or enforcement of our contingent liabilities may adversely affect our financial condition.**

Our contingent liability as on December 31, 2010 was ₹ 483.15 lakhs towards performance guarantees issued by our Banks and Tax Liabilities of ₹ 23.16 Lakhs.

If this contingent liability materializes, fully or partly, the financial condition of our Company could be materially and adversely affected. For more information, regarding our contingent liabilities, please refer Annexure XII on page 184 of the chapter titled “Financial Statements” beginning on page 166 of this Draft Red Herring Prospectus.

**3. Our inability to obtain, renew or maintain, or any delay in obtaining, renewing or maintaining, our statutory and regulatory permits and approvals required to operate our business may have a material adverse effect on our business.**

We require certain statutory and regulatory permits and approvals for our business. In some states in which we operate, or may operate, activities related to construction of our projects may be subject to the prior granting of environmental licenses or permits or to prior notification. Further, we are required to renew certain of our existing approvals in respect of our current and planned projects. While we believe we will obtain approvals or renewals as may be required, there cannot be any assurance that the relevant authorities will issue any such approvals or renewals in the anticipated time frames or at all. There can be no assurance that the relevant authorities will issue any of such permits or approvals in the time-frame anticipated by us or at all. Failure by us to renew, maintain or obtain the required permits or approvals may result in the interruption of our operations and may have a material adverse effect on our business, financial condition and results of operations.

For further information, see the chapter titled “Government and Other Approvals” beginning on page 251 of this Draft Red Herring Prospectus.

**4. The Company is yet to obtain / renew few contract labour registrations.**

The Contract Labour (Regulation and Abolition) Act, 1970 (the “CLA”) becomes applicable to us as we employ twenty or more contract labourers. As a contractor, we are required to obtain contract labour registrations to provide services to an establishment through contract labour under the provisions of the CLA. For most of our sites, we have applied afresh / applied for renewal of such registrations, which is pending for approval. For further details, please refer to the chapter titled “Government and Other Approvals”, beginning on page 251 of this Draft Red Herring Prospectus.

**5. The Company has recently applied for registration under ESI Act.**

Presently, we have employees who are drawing salaries less than ₹ 15,000 per month. All employee engaged by our establishment whose salary is less than ₹ 15,000 per month would be covered under the provisions of the ESI Act. Once our establishment fall within the purview of the ESI Act, we are supposed to comply with all provisions of the Act. We have applied for such registration on March 28, 2011 so as to comply with the said provisions. Non-compliance of the same could eventually result in penalty being levied on us and prosecution and we may be liable to pay both employers and employee’s contribution right from the day the establishment is amenable to the provisions of the act besides the requirement to pay arrears of contribution the establishment will also be liable to pay interest @ 15% under Regulation 31(a) of the Employees State Insurance (General) Regulations 1950. The Corporation also has the power to impose damages in accordance with the provisions of Section 85B of the ESI Act for default in compliance of the Act.

**6. We have applied for registration of our logo, but do not own the trademark**

**legally as on date. We may be unable to adequately protect our intellectual property. Furthermore, we may be subject to claims alleging breach of third party intellectual property rights.**

We have applied for registration of our logo under the provisions of the Trademarks Act, 1999 vide

application dated March 16, 2011, but do not own the trademark as on date. As such, we do not enjoy the statutory protections accorded to a registered trademark as on date. There can be no assurance that we will be able to register the trademark and the logo or that, third parties

will not infringe its intellectual property, causing damage to its business prospects, reputation and goodwill. Further, we cannot assure you that any application for registration of our trademark in the future by our Company will be granted by the relevant authorities in a timely manner or at all. Our efforts to protect our intellectual property may not be adequate and may lead to erosion of our business value and our operations could be adversely affected. We may need to litigate in order to determine the validity of such claims and the scope of the proprietary rights of others. Any such litigation could be time consuming and costly and the outcome cannot be guaranteed. We may not be able to detect any unauthorized use or take appropriate and timely steps to enforce or protect its intellectual property.

**7. Seasonality and weather conditions may adversely affect our business.**

Our business operations may be materially and adversely affected by severe weather, which may require us to evacuate personnel or curtail services and may result in damage to a portion of our equipment or facilities, resulting in the suspension of operations. In addition, such weather may prevent us from delivering materials to our project sites in accordance with contract schedules or generally reduce our productivity. Our operations are also adversely affected by difficult working conditions and extremely high temperatures during summer months and during monsoon, which restrict our ability to carry on construction activities and fully utilize our resources. We record revenues for those stages of a project that we complete, after we receive certification from the client that such stage has been successfully completed. Revenues recorded during the first half of our financial year, between April and September, are traditionally substantially lower compared to revenues recorded during the second half of our financial year, due to the peak summer and monsoon seasons falling in the April to September period. During periods of curtailed activity due to adverse weather conditions, we may continue to incur operating expenses, but our revenues from operations may be delayed or reduced.

**8. We have derived significant revenues from a limited number of clients. The loss of one or more of our significant customers could adversely affect us.**

We have depended significantly on revenues from a limited number of clients, and may continue to do in the future. In fiscals 2008, 2009 and 2010, on a stand-alone basis, our Company derived 38.42%, 37.60% and 43.17%, respectively, of its contract revenue from Maharashtra State Public Works Department and 37.58%, 43.87% and 23.53%, respectively, from Maharashtra State Police Housing and Welfare Corporation. Our business is therefore significantly dependent on developing and maintaining relationships, strategic alliances and pre-qualified status with certain major clients and obtaining a share of contracts from such clients. Because these significant customers generally contract with us for specific projects, we may lose these customers from year to year after their projects with us are completed and could be adversely affected by any material adverse effect on their business prospects and results of operations.

Our business and results of operations will be adversely affected if we are unable to develop and maintain a continuing relationship or a pre-qualified status with certain of our key clients and strategic partners or develop and maintain relationships with other clients and partners. The loss of a significant client or a number of significant clients may have a material adverse effect on our business prospects and results of operations.

**9. Our revenues largely depend on acceptance of the bids submitted to the Government and Government Departments. Our performance could be affected in case majority of the bids are not accepted/awarded to us or we negotiate a lower bid value.**

Our business is substantially dependent on infrastructure projects undertaken by Government authorities/Government departments and other entities funded by the Government. The contracts awarded by state and local Government authorities are tender based. We compete with various infrastructure companies while submitting the tender to Government and other agencies. In case, we are not qualified or are not amongst the lowest bidders, we stand to lose the business. We cannot assure that any of the bids we submit would be accepted/awarded to us; therefore our ability to procure the contracts by bidding at the lowest rates is crucial for our revenues. Further our business and operations may be impacted as a result of change in the state governments, changes in policies impacting the public at large, scaling back of Government Policies or initiatives, changes in

Government or external budgetary allocation, or insufficiency of funds, which can adversely affect our business, financial condition and results of operations.

***10. The Company has availed unsecured loan which may be demanded for repayment at any time.***

As on December 31, 2010 the Company has availed an unsecured loan to the tune of ₹ 11.98 lakhs from its Directors, their relatives and outsiders. There is no specific agreement entered into or terms of repayment agreed between the Company and such parties. These unsecured loans may be recalled by the lender at anytime. For further details please refer Annexure IX under chapter titled "Financial Statements" on page 166 of this Draft Red Herring Prospectus.

***11. Our Company's statutory auditor has qualified his report with respect to certain matters in financial statements for the fiscal years 2006, 2007, 2008, 2009 and 2010.***

Our Company's statutory auditor has qualified his audit report with respect to following matters:

***a. Matters required adjustment in the restated financial statements***

Our statutory auditor has reported that our Company has generally followed all Accounting Standards issued by Institute of Chartered Accountants of India except AS-15 i.e. Accounting for Retirement Benefits. No provision has been made in respect of liabilities towards gratuity, leave encashment. Further our Company has not provided for the Deferred Tax liability, this is in contravention of AS-22 issued by the Institute of Chartered Accountants of India. The said adjustments have been given effects in restated financial statements of the respective years/period.

***b. Matters required no adjustment in the restated financial statements***

There are certain auditor's qualifications which do not require any adjustments in restated financial statements.

For more details, please refer the chapter titled "Financial Statements" beginning on page 166 of this Draft Red Herring Prospectus.

***12. Our one of the objects of the Issue is acquisition of minority stake in subsidiary companies and any consideration towards such acquisition of stake shall be paid to our Company's directors or their relatives who are shareholders of subsidiary companies.***

We intend to acquire minority stake in subsidiary companies by discharging consideration of ₹ 234.52 Lakhs. Further, such consideration shall be paid to our Company's directors or their relatives who are holding minority stake in subsidiary companies.

For further details, please refer the chapters titled "History and Certain Corporate Matters" and "Objects of the Issue" beginning on page 136 and 64 respectively of this Draft Red Herring Prospectus.

***13. Some of our Promoter Group companies and our subsidiary companies are engaged in the construction and infrastructure development sectors, and there may be possible conflicts of interest between us and such entities or with entities in which our Directors are interested.***

The object clauses as contained in the memorandum of association of some of the Promoter Group companies and our subsidiary companies enable them to carry on the business of construction and infrastructure development. We currently own only 51% stake in our subsidiary and the remaining 49% is owned by others, which include our directors and their relatives. We may compete with these entities for business. As a result, there may be conflicts of interest between us and such Promoter Group companies and subsidiary companies in addressing business opportunities and strategies. In addition, some of our Directors are also directors on the boards of the aforesaid companies or other

companies engaged in, or whose memorandum of association enables them to engage in, the same line of business as us. These overlapping directorships could create conflicts of interest between us and the Promoter Group companies or other entities. For further details, refer to the chapter titled “Our Promoter Group and Group Entities” on page 160 of this Draft Red Herring Prospectus.

**14. We have entered into certain transactions with related parties, including our Promoter Group, Directors and our employees. These transactions or any future transactions with our related parties could potentially involve conflicts of interest.**

We have entered into certain transactions with related parties, including our Promoter Group, Directors and our employees and may continue to do so. These transactions or any future transactions with our related parties could potentially involve conflicts of interest.

For details of Related Party Transactions, refer to the Annexure XVII on page 188 under chapter titled “Financial Statements”, beginning on page 166 of this Draft Red Herring Prospectus.

**15. Our Promoters and Directors may have interest in our Company, other than reimbursement of expenses incurred or remuneration.**

Our Promoters and Directors may be deemed to be interested to the extent of the Equity Shares held by them, or their relatives or our Group Entities, and benefits deriving from their directorship in our Company. Our Promoters are interested in the transactions entered into between our Company and themselves as well as between our Company and our Group Entities. For further details, please refer to the chapters titled “Business Overview” and “Our Promoters”, beginning on page 105 and 157, respectively and the Annexure XVII titled “Related Party Transactions” on page 188 under chapter titled “Financial Statements” beginning on page 166 of this Draft Red Herring Prospectus.

**16. We have taken on lease a property from one of our Promoter Group entity for commercial purposes.**

Our Company has taken on lease a property admeasuring 18,000 sq. ft. at “Third Floor, Plot No. 152, Sector No. 1054, Trimbak Naka, Nasik, Maharashtra” from Atal Buildcon Private Limited, one of our group entity vide agreement dated February 18, 2011 for commercial purposes. Our Company intent to sublet this property to others. It may be a case that we may not be able to find suitable parties for the same or there could be delay in this process resulting in the property remaining unoccupied or may not be commercially exploited to the fullest. For the purpose of this property, our Company has advanced ₹ 10.50 crores as a security deposit to Atal Buildcon Private Limited. The construction is going on at the aforesaid site and we presume that we would get the possession of the same by August 31, 2011.

For further information please refer paragraph titled “Property” beginning on page 129 under Chapter titled “Business Overview” beginning on page 105 of this Draft Red Herring Prospectus.

**17. One of our Promoters, Mrs. Aruna P. Laddha, wife of other promoter Mr. Prakash P. Laddha, does not have adequate experience in, and has not actively participated in, business activities undertaken by the Company. The Company cannot assure you that this lack of adequate experience of or participation by Mrs. Aruna P. Laddha in our business will not have any adverse impact on the management and/or operations of the Company.**

One of our Promoters, Mrs. Aruna P. Laddha, wife of other promoter Mr. Prakash P. Laddha, does not have adequate experience in, and has not actively participated in, business activities undertaken by us. For further details of our Promoters, please see the chapter titled “Our Promoters” beginning on page 157 of this Draft Red Herring Prospectus. The Company cannot assure you that this lack of adequate experience of or participation by, Mrs. Aruna P. Laddha in our business will not have any adverse impact on the management and / or operations of the Company.

**18. We engage labour contractors or other agencies in our construction business.**

We engage labour contractors or other agencies in our construction business accordingly, the timing and quality of construction of our contracts depends on the availability and skill of the labourers. We

may also engage casual workforce in our projects. Although we believe that our relationships with our labour contractors are cordial, we cannot assure that skilled labour will continue to be available at reasonable rates and in the areas in which we execute our projects. We rely on manufacturers and other suppliers to provide us with many of the products over which we do not have direct control over the quality of such products manufactured or supplied by such third party suppliers, we are exposed to risks relating to the quality of such products. In addition, even if some of these third parties do not timely or satisfactorily complete our orders, our reputation and financial condition could be adversely affected.

***19. The nature of our construction business exposes us to delays and defects that affect our projects and which may have an adverse effect on our business.***

We may be subject to claims resulting from defects arising from procurement and/or construction services provided by us within the warranty periods extended by us, which range from 6 to 24 months from the date of completion. Actual or claimed defects in equipment procured and/or construction quality could give rise to claims, liabilities, costs and expenses, relating to loss of life, personal injury, damage to property, damage to equipment and facilities, pollution, inefficient operating processes, loss of production or suspension of operations. Although in certain cases manufacturers are required to compensate us for certain equipment failures and defects, such arrangements are subject to fixed caps and may not fully compensate us for the damages that we suffer as a result of equipment failures and defects or the penalties under our agreements with our customers, and do not generally cover indirect losses such as loss of profits or business interruption. Any significant operational problems or the loss of our machines and equipments for an extended period of time could result in delays or incomplete projects or services and adversely affect our results of operations.

***20. Our operations have been concentrated in the State of Maharashtra in India. Our growth strategy to expand into new geographic areas poses risks. We may not be able to successfully manage some or all of such risks, which may have a material adverse effect on our revenues, profits and financial condition.***

Our operations have been geographically concentrated in the State of Maharashtra. Our business is therefore significantly dependent on the general economic condition and activity in the State in which we operate, and the central, state and local Government policies relating to real estate and infrastructure development projects. Although investment in the infrastructure sector in the areas in which we operate has been encouraged, there can be no assurance that this will continue.

We may expand geographically, and may not gain acceptance or be able to take advantage of any expansion opportunities outside our current markets. This may place us at a competitive disadvantage and limit our growth opportunities. We may face additional risks if we undertake projects in other geographic areas in which we do not possess the same level of familiarity as competitors. If we undertake projects of different size or style than those currently is; we may be affected by various factors, including but not limited to:

- (i) Adjusting our construction methods to different geographic areas;
- (ii) Obtaining the necessary construction materials and labor in sufficient amounts and on acceptable terms;
- (iii) Obtaining necessary Government and other approvals in time or at all;
- (iv) Failure to realize expected synergies and cost savings;
- (v) Attracting potential customers in a market in which we do not have significant experience; and
- (vi) Cost of hiring new employees and absorbing increased infrastructure costs.

We may not be able to successfully manage some or all of the risks of such an expansion, which may have a material adverse effect on our revenues, profits and financial condition.

***21. Projects included in our Order Book may be delayed, cancelled or not fully paid for by our clients, which could materially harm our cash flow position, revenues or profits.***

As of March 1, 2011, our Order Book, on a consolidated basis, was ₹ 11,720.7 lakhs. For further details refer to chapter titled "Business Overview" beginning on page 105 of this Draft Red Herring

Prospectus. Future earnings related to the performance of the work in the Order Book may not necessarily be realized. Although projects in the Order Book represent business that we consider firm, cancellations or scope adjustments may occur. Due to changes in the scope of the project and its schedule, we cannot predict with certainty when or if the projects in our Order Book will be completed. In addition, even where a project proceeds as scheduled, it is possible that contracting parties may default and fail to pay amounts owed or dispute the amounts owed to us. Any delay, cancellation or payment default could materially harm our cash flow position, revenues or profits, and adversely affect the trading price of our Equity Shares.

**22. Inability to manage our growth may have an adverse effect on our business and results of operations.**

We have experienced high growth in consolidated income from operations and profit after tax as per restated financials exhibiting a compounded annual growth rate of 103.23% and 56.73% respectively over the last two financial years. Further, we have also experienced a high growth in standalone revenues and net profit as per restated financials signifying a compounded annual growth rate of 65.22% and 93.55% respectively over the last four financial years. If this growth continues, it will place significant demands on us and require us to continuously evolve and improve our operational, financial and internal controls across the organization. In particular, continued expansion increases the challenges involved in:

- (i) Maintaining high levels of client satisfaction;
- (ii) Recruiting, training and retaining sufficient skilled management, technical and marketing personnel;
- (iii) Adhering to health, safety and environment and quality and process execution standards that meet client expectations;
- (iv) Preserving a uniform culture, values and work environment in our operations; and
- (v) Developing and improving our internal administrative infrastructure, particularly our financial, operational, communications and other internal systems.

Any inability to manage our growth may have an adverse effect on our business and results of operations. Further, such robust growth in turnover or operation or profit after tax may not continue and the same should not be taken as basis for our future growth.

**23. Our funding requirements and deployment of the proceeds of the Issue are based on management estimates and have not been independently appraised, and are not subject to monitoring by any independent agency.**

Our funding requirements and the deployment of the proceeds of the Issue are based on management estimates, current quotations from suppliers and our current business plan. The fund requirements and intended use of proceeds have not been appraised by any bank or financial institution. In view of the competitive and dynamic nature of the infrastructure development and construction industry, we may have to revise our expenditure and fund requirements as a result of variations including in the cost structure, changes in estimates, changes in quotations, exchange rate fluctuations and external factors, which may not be within the control of our management. In the event of an increase in expenditure and increased fund requirements, we will seek to meet these increased requirements by surplus funds, if any, available in respect of the other purposes for which funds are being raised in this Issue. If such surplus funds are unavailable, we will seek to meet these increased requirements through our internal accruals and additional debt. This may entail rescheduling or revising the planned expenditure and fund requirement and increasing or decreasing the expenditure for a particular purpose from its planned expenditure at the discretion of our Board. In addition, the estimated dates of completion of various projects as described herein are based on management's current expectations and are subject to change due to various factors such as delays caused by local weather conditions, suppliers' or sub-contractors' failure to perform, changes in Government policies or initiatives, changes in budgetary allocation or the insufficiency of funds on the part of the Government or the relevant Government organization some of which may not be in our control. In addition, current quotations from suppliers are only valid for limited periods and there can be no assurance that we will be able to obtain new quotations from these or other suppliers on the same terms". In case of decline in fund requirements at a later stage, such excess Issue proceeds will be deployed as approved by the board of directors of the Company at that point in time. We are not

required to appoint any Monitoring Agency for the issue pursuant to the SEBI (ICDR) Regulations if our Issue Size does not exceed ₹ 500 crores.

**24. We have experienced negative cash flows in previous years / periods. Any operating losses or negative cash flows in the future could adversely affect our results of operations and financial condition.**

The details of Cash flows of the Company on a consolidated basis are as follows:-

(₹ In lakhs)

Particulars	Period ended 31.12.10	Year ended 31.03.10	Year ended 31.03.09	Year ended 31.03.08

**25. Our Registered office is not owned by us. In the event we are unable to renew the lease agreement, or if such agreement is terminated, we may suffer a disruption in our operations.**

Our Registered office situated at 6/7, Falcon Plaza, National Urdu High School Road, Near Sarda Circle, Nasik – 422 001, Maharashtra, India is taken on lease basis from Mr. Prakash Laddha, one of our Promoter (“the Lessor”). The tenure of this agreement is one year (which expires on December 31, 2011), renewable every year on mutually agreed terms. Upon the termination of the lease, we are required to return the said office premises to the Lessor. The term of the agreements may or may not be renewed. In the event the Lessor terminates or does not renew the license on commercially acceptable terms, or at all, and we are required to vacate our office, we may be required to identify alternative premises and enter into fresh lease or leave and license agreement. Such a situation could result in loss of business and may adversely affect our operations and profitability.

**26. Our Company has entered into a loan agreements which contain restrictive covenants**

As on February 28, 2011, our Company has outstanding secured loans of ₹ 1,376.70 lakhs from our bankers. As per our current financing arrangements with our bankers, we are subject to certain restrictive covenants which require us to obtain the prior consent of the respective lenders before undertaking certain actions.

For further details, please refer the chapter titled “Financial Indebtedness” beginning on page 229 of this Draft Red Herring Prospectus.

**27. The Company is yet to place orders for 100% of the equipments required for the project. Any delay in placing orders, procurement of equipments may delay our implementation schedule this may also lead to increase in price of these equipments, further affecting our revenue and profitability.**

We are yet to place orders for all the machinery and equipment worth ₹ 930 lakhs as detailed in the “Objects of the Issue” beginning on page 64 of this Draft Red Herring Prospectus. These are based on our estimates and on third-party quotations. In addition, our these planning to buy construction equipment which are subject to a number of variables, including possible cost overruns, changes in management's views of the desirability of current plans, change in supplier of equipments or equipments depending on the contracts bidded and actually awarded, among others, which may have an adverse effect on our business and results of operations.

Pending utilization of the proceeds out of the Issue for the purposes described in this Draft Red Herring Prospectus, we intend to temporarily invest the funds in high quality interest bearing liquid instruments, including deposits with banks. There can be no assurance that such investments will not carry risk or generate expected returns.

***28. Our success largely depends on our Board and key managerial personnel and our ability to attract and retain them. Any loss of our director and key managerial personnel could adversely affect our business, operations and financial condition.***

We depend significantly on the expertise, experience and continued efforts of our directors Mr. Prakash P. Laddha and Mr. Krishnan G. Trichur and our key managerial personnel. If one or more members of our Board or key managerial personnel are unable or unwilling to continue in his/her present position, it could be difficult to find a replacement. Our business could thereby be adversely affected. Opportunities for key managerial personnel in our industry are intense and it is possible that we may not be able to retain our existing key managerial personnel or may fail to attract / retain new employees at equivalent positions in the future. As such, any loss of key managerial personnel could adversely affect our business, operations and financial condition. For further details on the management of our Company please refer to the chapter titled “Our Management” beginning on page 142 of this Draft Red Herring Prospectus.

***29. Our revenues depend upon the award of new contracts and the timing of those awards. Consequently, our results of operations and cash flows may be adversely affected or fluctuate materially from period to period.***

Our revenues are derived primarily from contracts awarded to us on a project-by-project basis. Generally, it is very difficult to predict whether and when we will be awarded a new contract since many potential contracts involve a lengthy and complex bidding and selection process that may be affected by a number of factors, including changes in existing or assumed market conditions, financing arrangements, Government approvals and environmental matters. Because our revenues are derived primarily from these contracts, our results of operations and cash flows may be adversely affected or fluctuate materially from period to period depending on the timing of contract awards. The uncertainty associated with the timing of contract awards may increase our cost of doing business over a short period or a comparatively longer term. For example, we may decide to maintain and bear the cost of a workforce in excess of our current contract needs in anticipation of future contract awards. If an expected contract award is delayed or not received, we could incur costs in maintaining an idle workforce that may have a material adverse effect on our results of operations. Or, we may decide that our long term interests are best served by reducing our workforce and incurring increased costs associated with severance and termination benefits which also could have a material adverse effect on our results of operations for the period when incurred. Reducing our workforce could also impact our results of operations if we are unable to adequately staff the projects that are awarded subsequent to a workforce reduction.

***30. We may be unable to bid on certain larger construction projects on our own and if we are unable to forge alliances with third parties, we may be precluded from bidding for those large construction projects, which could have an adverse effect on our growth prospects.***

We enter into contracts through a competitive bidding process or on negotiated rate basis. In selecting contractors for major projects, clients generally limit the tender to contractors that have pre-qualified based on several criteria, including experience, technical ability, financial strength, past performance, reputation for quality, safety record and the size of previous contracts executed in similar projects with them or otherwise. Additionally, while these are important considerations, price is a major factor in most tender awards and in negotiated contracts and our business is subject to intense price competition. Our recent experience indicates that clients in the infrastructure, residential, industrial and other commercial sectors are increasingly developing larger, more technically complex projects and increasingly awarding the entire contract to a single project contractor. Pre-qualification is key to our winning such major projects. We may not be able to compete for some larger projects in the immediate future since our ability to bid for and win such major projects is dependent on our ability to show experience of working on such large complex contracts and develop strong technical capabilities and credentials to execute more technically complex turnkey projects. We may be unable to bid on certain

large construction projects on our own, and may enter into memorandum of understanding or joint venture agreements with various other companies to meet capital adequacy, technical or other criteria that may be required as part of the bidding process or execution of the contract. In cases where we are unable to forge an alliance with appropriate companies to meet the aforementioned requirements, we may lose out on opportunities to bid, which could have an adverse effect on our growth prospects.

***31. Demand for construction services depends primarily on the activity and expenditure levels in the infrastructure and real estate industries and any reduction in such activity and expenditure may adversely affect our business and prospects and may reduce the number of projects we undertake and slow down our growth.***

Demand for our construction services for infrastructure, real estate and other projects that we undertake is particularly sensitive to the level of development and the corresponding capital spending by, infrastructure and real estate companies.

Demand for our construction services in the infrastructure sector is primarily dependent on sustained economic development in the regions that we operate in and Government policies relating to infrastructure development. It is also significantly dependent on budgetary allocations made by central and state governments for this sector as well as funding provided by international and multilateral development finance institutions for infrastructure projects. Investment by the private sector in infrastructure projects is dependent on the potential returns from such projects and is therefore linked to Government policies relating to private sector participation and sharing of risks and returns from such projects. There can be no assurance that Government policies will continue to favor infrastructure investment.

***32. The demand for construction services for the real estate sector is dependent on the performance of the property market in the areas in which we operate, and any slowdown in the demand for real estate and the demand for business of our customers could adversely affect our business.***

The provision of construction services for the real estate sector is dependent on the performance of the property market in the areas in which we operate. It is not possible to predict whether demand for commercial or residential property in the areas in which we operate or generally will continue to grow in the future, as many social, political, economic, legal and other factors may affect the development of the property market. Accordingly, there can be no assurance that the level of demand will consistently match the level of supply. In the event of any unfavorable developments in the supply and demand or any decreases in property prices in the areas in which we operate or other parts in India, our business, financial condition and results of operations may be adversely affected.

***33. Contracts in the infrastructure sector are awarded on the basis of pre-qualification criteria and competitive bidding processes. We face intense competition from other construction companies. Once the technical requirements of the tender are cleared, the contract is usually awarded on the basis of the competitive price quoted by the bidder.***

In selecting contractors for the project, clients generally limit the tender to contractors that pre-qualifies based on several criterion including experience, technological capacity and performance, quality standards, ability to execute the project within the present timeframe, sophisticated machines etc. Disqualification on any of these grounds will make us ineligible for bidding. These pre-qualification criteria are at the discretion of the clients and we cannot assure that we would continue to meet the pre-qualification criterion of our existing or prospective clients. This would have an adverse impact on the financials of our Company.

***34. Timely and successful completion of our projects is dependent upon our performance and, in the case of many projects, the cooperation of our sub-contractors, and any failure or delay in successful completion could adversely affect the construction quality of our developments and adversely affect our profitability and reputation.***

We rely on third parties for the implementation of projects where we have entered into arrangements with third parties for the supply of labor, equipment and raw material. Accordingly, the timing and quality of construction of our properties depend on the availability and skill of those sub-contractors.

Typically, construction contracts are subject to specific completion schedule requirements with liquidated damages chargeable in the event that a project falls behind schedule. Although we have completed our projects on or before schedule, in case of sub-contracting, the completion of the contract depends in part on the performance of our sub-contractors. Delay or failure on the part of a sub-contractor to complete its project work on time, for any reason, could result in additional costs to us, including the payment of contractually agreed liquidated damages. The amount of such additional costs could adversely affect our profit margins on the project. While we may seek to recover these amounts as claims from the supplier, vendor, sub-contractor, joint venture or other third party responsible for the delay or for providing non-conforming products or services, we cannot assure you that we will recover all or any part of these costs in all circumstances. If we enter into joint ventures for any project in the future, we may face similar risks as we may experience with a sub-contractor. Performance problems for existing and future projects could cause our actual results of operations to differ materially from those anticipated by us and could damage our reputation within our industry and our customer base.

***35. Our projects expose us to potential product liability, warranty and other claims, which could be expensive, damage our reputation and harm our business. Our insurance coverage may not adequately protect us against all possible losses.***

We construct and perform services at construction sites where accidents or system failures can be disastrous. Any occurrence in excess of our insurance limits at locations constructed by us or services performed could result in significant product liability, warranty and other claims against us by our customers, including claims for cost overruns and the failure of the project to meet contractually specified milestones or performance standards. Further, the rendering of our services on these projects could expose us to risks to, and claims by, third parties and Government agencies for personal injuries, property damage and environmental matters, among others. Any claim, regardless of its merit or eventual outcome, could result in substantial costs to us, a substantial diversion of management's attention and adverse publicity.

The aggregate contractors all risk policy (including third party liability, surrounding property, removal of debris and public liability) coverage maintained by us is ₹ 11,968 lakhs. The aggregate workmen's compensation insurance maintained by us is ₹ 220 lakhs. While we believe that we maintain insurance coverage in amounts consistent with industry norms, our insurance policies do not cover all risks and are subject to exclusions and deductibles. There can be no assurance that our insurance policies will be adequate to cover the losses that may be incurred as a result of the claims described above. If we suffer a large uninsured loss or any insured loss suffered by us significantly exceeds our insurance coverage, our business, financial condition and results of operations may be materially and adversely affected.

***36. Our results of operations could be adversely affected by any disputes with our employees.***

While we believe that we maintain good relationships with our employees and contract labor, there can be no assurance that we will not experience future disruptions to our operations due to disputes, strikes or other problems with such work force, which may adversely affect our client goodwill, business and results of operations. The number of contract laborers vary from time to time based on the nature and extent of work contracted to independent contractors. We enter into contracts with independent contractors to complete specified assignments. All contract laborers engaged at our facilities are assured minimum wages that are fixed by local Government authorities. Any upward revision of wages to be paid to such contract laborers, or offer of permanent employment to any temporary worker, or the unavailability of contract laborers may adversely affect our business and results of our operations.

***37. We have high working capital requirements. If we have insufficient cash flows to meet working capital requirements there may be an adverse effect on our results of operations.***

Our business requires a significant amount of working capital. We may require working capital to finance the purchase of materials and the performance of construction and other work on projects before any payment is received from clients. Although historically we have operated as a company with little or no debt, our growth may require us to incur additional indebtedness in the future. Our working capital requirements may increase if, in certain contracts, payment terms include reduced

advance payments or payment schedules that specify payment towards the end of a project or are less favorable to us. To qualify for large construction contracts and the BOT contracts, we need adequate funding. Another factor which may cause us to incur a large amount of working capital is delays in completion of our current construction projects could increase the financing costs, including due to increase in prices of raw materials associated with construction and cause our forecasted budget to be exceeded. Continued increases in working capital requirements may have an adverse effect on our financial condition and results of operations.

***38. Our industry is highly fragmented and competitive and increased competitive pressure may adversely affect our results.***

We operate in a highly fragmented and competitive industry. We enter into contracts primarily through a competitive bidding process or on negotiated rate basis. Our competition varies depending on the size, nature and complexity of the project and on the geographical region in which the project is to be executed. We compete against various construction companies. In selecting contractors for major projects, clients generally limit the tender to contractors they have pre-qualified based on several criteria, including experience, technical ability, past similar projects with them or otherwise. Additionally, while these are important considerations, price is a major factor in most tender awards and in negotiated contracts and our business is subject to intense price competition. A number of our competitors are larger and better placed, which would enable them to take advantage of efficiencies created by size, and may have better financial resources or greater access to capital at lower costs, and may be better known in regional markets in which we compete. In addition, as the industry is highly fragmented, we also face competition from local contractors, who may be able to cater to local demands at fees and costs lower than ours. Our inability to compete successfully in our industry would materially and adversely affect our business prospects and results of operations.

***39. We could be adversely affected if we fail to keep pace with technical and technological developments in the construction industry.***

Our recent experience indicates that clients are increasingly developing larger, more technically complex projects in the infrastructure, residential, industrial and other commercial sectors. To meet our clients' needs, we need to continuously update existing technology and equipment for our construction services. In addition, rapid and frequent technology and market demand changes can often render existing technologies and equipment obsolete, requiring substantial new capital expenditures and/or write downs of assets. Our failure to anticipate or respond adequately to changing technical, market demands and/or client requirements could adversely affect our business and results of operations.

***40. Our profitability and results of operations may be adversely affected for few of our projects in the event of increases in the price of raw materials, fuel costs, labour or other inputs.***

Our business is affected by the availability, cost and quality of the raw materials that we use in construction activities. Our principal raw materials include steel and cement. Generally our longer term contracts have price escalation clauses for increases in the cost of principal raw materials, however, we bear the risk of increases in costs of other raw materials. The prices and supply of these and other raw materials, including fuel and labor costs, depend on factors not under our control, including but not limited to general economic conditions, global and domestic market prices, competition, production levels, transportation costs and import duties, and these prices are cyclical in nature. If, for any reason, our primary suppliers of raw materials should curtail or discontinue their delivery of such materials to us in the quantities we need and at prices that are competitive, our ability to meet our material requirements for our projects could be impaired, our construction schedules could be disrupted, and we may not be able to complete our projects as per schedule or at all. We may also not be able to pass on any increase in the prices of these building materials to our customers. Any of these factors may materially and adversely affect our results of operations and financial condition.

***41. Our inability to attract and retain skilled personnel could adversely affect our business and results of operations.***

Our ability to meet future business challenges depends on our ability to attract and recruit talented and skilled personnel. We are not certain that we will be able to increase their salaries at historical rates in future and maintain our profitability margins. Further, there can be no assurance that an increase in salary will result in lesser attrition. Our future performance will depend upon the continued services of these persons. The loss of any key personnel or an inability to manage the attrition levels in different employee categories may materially and adversely impact our business and results of operations. In addition, we cannot assure you that we will be successful in our efforts to retain or attract qualified personnel when needed. Therefore, when we anticipate or experience growing demand for our services, we may incur the cost of maintaining a professional staff in excess of our current contract needs in an effort to have sufficient qualified personnel available to address this anticipated demand.

***42. Our business operations are subject to hazards and other risks and could expose us to material liabilities, loss in revenues and increased expenses, negatively impact employee morale and result in high employee turnover.***

Our business operations are subject to hazards inherent in providing construction services, such as risk of equipment failure, work accidents, fire or explosion, including hazards that may cause injury and loss of life, severe damage to and destruction of property and equipment, and environmental damage. Our policy of covering these risks through contractual limitations of liability, indemnities and insurance may not always be effective. Losses may arise from risks not addressed in our agreements or insurance policies, or it may no longer be possible to obtain adequate insurance against some risks on commercially reasonable terms. Failure to finish any project in time may require us to pay penalties according to the provisions of the work orders or letters of intent. Failure to effectively cover ourselves against construction industry risks for any of these reasons could expose us to substantial costs and potentially lead to material losses. Workplace accidents cannot be eliminated and high accident rates may limit or eliminate potential revenue streams from many of our largest customers and may materially increase our future insurance and other operating costs. Additionally, the occurrence of any of these risks may also adversely affect public perception about our operations and the perception of our suppliers and clients and the morale and attrition rates of our employees, leading to an adverse effect on our business. These liabilities and costs could have a material adverse effect on our business, results of operations and financial condition.

***43. Given the long-term nature of the projects we undertake, we face various kinds of implementation risks and our inability to successfully manage such risks may have an adverse impact on the functioning of our business.***

Most infrastructure construction projects involve agreements that are long-term in nature. Long-term agreement share inherent risks associated with them that may not necessarily be within our control and accordingly our exposure to a variety of implementation and other risks, including construction delays, material shortages, unanticipated cost increases, cost overruns, inability to negotiate satisfactory arrangements with joint venture partners, and disagreements with our joint venture partners is enhanced.

For example, business circumstances may materially change over the life of one or more of our agreements and we may not have the ability to modify our agreements to reflect these changes. Further, being committed under these agreements may restrict our ability to implement changes to our business plan. This limits our business flexibility, exposes us to an increased risk of unforeseen business and industry changes and could have a material adverse effect on our business, financial condition and results of operations.

***44. The execution of large-scale integrated projects increases the potential relative size of cost overruns and negatively affects our operating margins.***

There are various risks associated with the execution of large-scale integrated projects. Larger contracts may represent a larger part of our portfolio, increasing the potential volatility of our results and exposure to individual contract risks. Managing large-scale integrated projects may also increase the potential relative size of cost overruns and negatively affect our operating margins. Additionally, while in the past we selectively bid on only those contracts related to the portions of a project which

we believed had the best potential for high margins, large-scale integrated projects may cause us to assume portions of the project that may have potentially lower percentage margins.

**45. Our inability to provide financial and performance guarantees in favor of our clients may adversely affect our business.**

We are often required to provide financial and performance guarantees guaranteeing our performance and/or financial obligations in relation to a project. The amount of guarantee facilities available to us depends upon our financial condition and availability of adequate security for the banks and financial institutions that provide us with such facilities. If we are unable to provide sufficient collateral to secure the bank guarantees, our ability to enter into new contracts could be limited. Providing security to obtain bank guarantees increases our working capital needs. Such bank guarantees generally impose restrictive covenants on raising additional debt or payment of dividends. We may not be able to continue obtaining new bank guarantees that match our business requirements. A failure to do so may have a material adverse effect on our business.

**46. We have not identified any alternate source of financing the 'Objects of the Issue'. If we fail to mobilize resources as per our plans, our growth plans may be affected.**

We have not identified any alternate source of funding and hence any failure or delay on our part to raise money from this issue or any shortfall in the issue proceeds may delay the implementation schedule and could adversely affect our growth plans. For further details please refer to the chapter titled "Objects of the Issue" on page 64 of this Draft Red Herring Prospectus.

**47. We have in the last 12 months issued Equity Shares at a price which may be lower than the Issue Price.**

We have also issued 78,09,000 fully paid up Equity Shares of the face value of ₹ 10 each as bonus in the ratio of 19 fully paid up equity share for every 1 fully paid up equity share held on EOGM dated on December 8, 2010. Besides this, we have in the last 12 months, not issued Equity Shares at a price that could be lower than the Issue Price. For details, please refer to the chapter titled "Capital Structure" beginning on page 55 of this Draft Red Herring Prospectus.

**48. Our Promoter and Promoter Group may continue to retain majority control in the Company after the Issue, which will enable them to influence the outcome of matters submitted to shareholders for approval. The Promoter Group may have interests that are adverse to the interests of our other shareholders and may take positions with which our other shareholders do not agree.**

Our Promoter and Promoter Group may beneficially own approximately [●] % of our post-Issue equity share capital. As a result, the Promoter Group may have the ability to control our business including matters relating to any sale of all or substantially all of our assets, the timing and distribution of dividends and the election or termination of appointment of our officers and directors. This control could delay, defer or prevent a change in control of the Company, impede a merger, consolidation, takeover or other business combination involving the Company, or discourage a potential acquirer from making a tender offer or otherwise attempting to obtain control of the Company even if it is in the Company's best interest. In addition, for so long as the Promoter Group continues to exercise significant control over the Company, they may influence the material policies of the Company in a manner that could conflict with the interests of our other shareholders. The Promoter Group may have interests that are adverse to the interests of our other shareholders and may take positions with which our other shareholders do not agree.

**49. We may decide not to proceed with the Issue at any time before Allotment. If we decide not to proceed with the Issue after the Bid/Issue Opening Date but before Allotment, the refund of Bid Amounts deposited will be subject to us complying with our obligations under applicable laws.**

We, in consultation with the BRLM, reserve the right not to proceed with the Issue at any time before the Allotment. If we withdraw the Issue after the Bid/Issue Opening Date, we will be required to refund

all Bid Amounts deposited within 8 days of the Bid/Issue Closing Date. We shall be required to pay interest at the rate of 15% per annum on the Bid Amounts received if refund orders are not dispatched within 8 days from the Bid/Issue Closing Date. Notwithstanding the foregoing, the Issue is also subject to obtaining (i) the final listing and trading approvals of the Stock Exchanges, which the Company shall apply for after Allotment and (ii) the final RoC approval of the Prospectus after it is filed with the RoC.

***50. Any further issuance of Equity Shares by the Company or sales of the Equity Shares by any of its significant shareholders may adversely affect the trading price of the Equity Shares.***

Any future issuance of our Equity Shares by the Company could dilute your shareholding. Any such future issuance of our Equity Shares or sales of our Equity Shares by any of our significant shareholders may also adversely affect the trading price of our Equity Shares, and could impact our ability to raise capital through an offering of our securities. In addition, any perception by investors that such issuances or sales might occur could also affect the trading price of our Equity Shares. Upon completion of the Issue, 20% of our post-Issue paid-up capital held by our Promoters will be locked up for a period of three years and entire pre-Issue Equity Share Capital will be locked up for a period of one year from the date of allotment of Equity Shares in the Issue.

For further information relating to such Equity Shares that will be locked, please refer the chapter titled “Capital Structure” beginning on page 55 of this Draft Red Herring Prospectus.

***51. The price of our Equity Shares may be highly volatile.***

The prices of our Equity Shares on the Indian Stock Exchanges may fluctuate after this Issue as a result of several factors including the following:

- a) volatility in Indian and global securities markets;
- b) our results of operations and performance;
- c) performance of our competitors and perception in the Indian market about investment in the infrastructure and real estate sector;
- d) adverse media reports on our Company or the Indian infrastructure and real estate industry;
- e) changes in the estimates of our performance or recommendations by financial analysts;
- f) significant development in India's economic liberalization and de-regulation policies; and
- g) significant development in India's fiscal and environmental regulations.

There can be no assurance that the price at which our Equity Shares are initially traded will correspond to the prices at which our Equity Shares will trade in the market subsequent to this Issue.

***52. The Issue Price of our Equity Shares may not be indicative of the market price of our Equity Shares after the Issue.***

The Issue Price of our Equity Shares will be determined by the Book Building Process. This price will be based on numerous factors and may not be indicative of the market price for our Equity Shares after the Issue. The market price of our Equity Shares could be subject to significant fluctuations after the Issue, and may decline below the Issue Price. We cannot assure you that you will be able to resell your Shares at or above the Issue Price. Among the factors that could affect our Share price are: quarterly variations in the rate of growth of our financial indicators, such as earnings per share, net profit and income; changes in income or earnings estimates or publication of research reports by analysts; speculation in the press or investment community; general market conditions; and domestic and international economic, legal and regulatory factors unrelated to our performance.

***53. There are restrictions on daily movements in the price of the Equity Shares, which may adversely affect a shareholder's ability to sell, or the price at which it can sell, Equity Shares at a particular point in time.***

We are subject to a daily circuit breaker imposed by all stock exchanges in India which does not allow transactions beyond certain volatility in the price of the Equity Shares. This circuit breaker operates independently of the index-based market-wide circuit breakers generally imposed by SEBI on Indian

stock exchanges. The percentage limit on our circuit breaker is set by the stock exchanges based on the historical volatility in the price and trading volume of the Equity Shares. The stock exchanges do not inform us of the percentage limit of the circuit breaker from time to time, and may change it without our knowledge. This circuit breaker effectively limits the upward and downward movements in the price of the Equity Shares. As a result of this circuit breaker, there can be no assurance regarding the ability of shareholders to sell the Equity Shares or the price at which shareholders may be able to sell their Equity Shares.

***54. Our ability to pay dividends in the future will depend upon future earnings, financial condition, cash flows, capital expenditures and restrictive covenants in our financing arrangements.***

Our ability to pay dividends in the future will depend on our earnings, financial condition and capital requirements. Dividends distributed by us will attract dividend distribution tax at rates applicable from time to time. We cannot assure you that we will generate sufficient income to cover our operating expenses and pay dividends to our shareholders, or at all. Our ability to pay dividends could also be restricted under certain financing arrangements that we may enter into. We may be unable to pay dividends in the near or medium term, and our future dividend policy will depend on our capital requirements, financial condition and results of operations.

**External Risk Factors**

***55. Our revenues are subject to a significant number of tax regimes and changes in the legislation governing the rules implementing them or the regulator enforcing them in any one of these states could negatively and adversely affect our results of operations.***

Taxes and other levies imposed by the central or state governments in India that affect our industry include customs duties, excise duties, service tax, income tax, VAT, and other direct and indirect taxes, duties or surcharges introduced on a permanent or temporary basis from time to time. The central and state tax scheme in India is extensive and subject to change from time to time. Any adverse changes in any of the taxes levied by the central or state governments may adversely affect our competitive position and profitability.

***56. A slowdown in economic growth in India or in the States in India, in which we operate, could cause our business to suffer.***

Our performance and the quality and growth of our assets are dependent on the health of the overall Indian economy and the economy of the States in India in which we operate. India's economy could be adversely affected by a general rise in interest rates, weather conditions adversely affecting agriculture, commodity and energy prices or various other factors. Any slowdown in the Indian economy or in the States in India in which we operate or future volatility in global commodity prices could adversely affect the policy of the various Governments towards infrastructure, which may in turn adversely affect our financial performance.

***57. Our performance is linked to the stability of policies and the political situation in India.***

For over two decades from now, the Government of India has pursued policies of economic liberalization, including significantly relaxing restrictions on the private sector. Any political instability could delay the reform of the Indian economy and could have a material adverse effect on the market for our Equity Shares. We cannot assure you that these liberalisation policies will continue under the newly elected Government. Protests against privatisation could slowdown the pace of liberalization and deregulation. The rate of economic liberalisation could change, and specific laws and policies affecting companies in the infrastructure sector, foreign investment, currency exchange rates and other matters affecting investment in our securities could change as well. A significant change in India's economic liberalization and deregulation policies could disrupt business and economic conditions in India and our business in particular.

***58. Our businesses are subject to a variety of safety, health and environmental laws and regulations including those covering hazardous materials. Any failure on our part to comply with these applicable laws and regulations could have an adverse effect on our consolidated financial condition.***

We operate in a regulated environment and must comply with a number of requirements mandated by Indian laws and regulations, including policies and procedures established by local authorities and designed to implement such laws and regulations. See the chapter titled “Regulations and Policies” beginning on page 131 of this Draft Red Herring Prospectus for a description of laws and regulations applicable to us in India. Non-compliance with any regulation may lead to penalties and fines, revocation of our approvals, sanctions, licenses, registrations and permissions or litigation. For more information regarding various approvals obtained by us in connection with our business, see the chapter titled “Government and Other Approvals” beginning on page 251 of this Draft Red Herring Prospectus. If we fail to obtain any of these approvals or licenses, or renewals thereof, in a timely manner, or at all, our business and results of operations could be adversely affected.

Our operations are subject to numerous safety, health and environmental protection laws and regulations, which are complex and stringent. We regularly perform work in and around sensitive environmental areas. Significant fines and penalties may be imposed for non-compliance with the safety, health and environmental laws and regulations, and some of these laws provide for joint and several strict liabilities for remediation of releases of hazardous substances, rendering a person liable for environmental damage without regard to negligence or fault on the part of such person. In addition to potential liabilities that may be incurred in satisfying these requirements, we may be subject to claims alleging personal injury or property damage as a result of alleged exposure to hazardous substances. Furthermore, we incur expenses relating to operating methodologies and standards in order to comply with applicable safety, health and environmental laws and regulations.

Such laws and regulations may expose us to liability arising out of the conduct of operations or conditions caused by others, or for our own acts including those which were in compliance with all applicable laws at the time such acts were performed. Sanctions for failure to comply with these laws, rules and regulations, many of which may be applied retrospectively, may include:

- administrative, civil and criminal penalties;
- revocation of permits; and
- corrective action orders

***59. Acts of violence or war involving India, or other countries could adversely affect the financial markets, and adversely affect our business, financial condition and results of operations.***

Any major hostilities involving India or other acts of violence, including civil unrest or similar events that are beyond our control, could have a material adverse effect on India's economy and our business. Such incidents may adversely affect the Indian stock markets where our Equity Shares will trade as well the global equity markets generally. Such acts could negatively impact business sentiment as well as trade between countries, which could adversely affect our Company's business and profitability.

***60. Outbreak of contagious diseases in India may have a negative impact on the Indian infrastructure and real estate industry.***

Recently, there have been threats of epidemics, including the H1N1 virus that causes “swine flu” and which the World Health Organization has declared a pandemic, in the Asia Pacific region, including India, and in other parts of the world. If any of our personnel are suspected of having contracted any of these infectious diseases, we may be required to quarantine such persons or the affected areas of our facilities and temporarily suspend a part or all of our operations. Further, the fear of any of our personnel or labourers contracting such contagious diseases would have a material adverse effect on our business, prospects, financial condition and results of operations and could cause the price of our Equity Shares to decline.

***61. Natural calamities and force majeure events may have an adverse impact on the Indian economy.***

Natural calamities could have a negative impact on the Indian economy and cause our business to suffer. India has experienced natural calamities such as earthquakes, a tsunami, floods and drought in the past few years. The extent and severity of these natural disasters determines their impact on the Indian economy, adversely affecting our business and the price of our Equity Shares.

***62. We may not receive final listing and trading approvals from the BSE and NSE. An active market for the Equity Shares may not develop which may cause the price of the Equity Shares to fall and may limit your ability to sell the Equity Shares.***

The Equity Shares are fresh issue of securities for which there is currently no trading market. Our Company will apply to the BSE and NSE for final listing and trading approvals after the Allotment of the Equity Shares in the Issue. There can be no assurance that we will receive such approvals on time or at all. Also, no assurance can be given that an active trading market for the Equity Shares will develop or as to the liquidity or sustainability of any such market, the ability of holders of the Equity Shares to sell their Equity Shares or the price at which shareholders will be able to sell their Equity Shares. If an active market for the Equity Shares fails to develop or be sustained, the trading price of the Equity Shares could fall. If an active trading market were to develop, the Equity Shares could trade at prices that may be lower than their Issue Price.

***63. You will not be able to sell immediately on an Indian Stock Exchange any of the Equity Shares you purchase in the Issue.***

Under the SEBI (ICDR) Regulations, we are permitted to allot equity shares within 12 days of the Bid/Issue Closing Date. Consequently, the Equity Shares you purchase in the Issue may not be credited to your demat account with Depository Participants until approximately 12 days after the Bid/Issue Closing Date. You can start trading in the Equity Shares only after they have been credited to your demat account and final listing and trading approvals are received from the Stock Exchanges. There can be no assurance that final listing and trading approvals will be obtained from the Stock Exchanges on time or at all. Further, there can be no assurance that the Equity Shares allocated to you will be credited to your demat account, or that trading in the Equity Shares will commence within the specified time periods.

***64. Conditions in the Indian securities market may affect the price and liquidity of our Equity Shares.***

Indian stock exchanges have in the past experienced substantial fluctuations in the prices of listed securities. These exchanges have also experienced problems that have affected the market price and liquidity of the securities of Indian companies, such as temporary exchange closures, broker defaults, settlement delays and strikes by brokers. In addition, the governing bodies of the Indian stock exchanges have from time to time restricted securities from trading, limited price movements and restricted margin requirements. Further, disputes have occurred on occasion between listed companies and the Indian stock exchanges and other regulatory bodies that, in some cases, have had a negative effect on market sentiment. If similar problems occur in the future, the market price and liquidity of the Equity Shares could be adversely affected. Further, a closure of, or trading stoppage on, either of the BSE and NSE could adversely affect the trading price of our Equity Shares.

***65. Any downgrade of our debt ratings or of India's sovereign debt rating could adversely affect our business.***

Any downgrade in our credit ratings may increase interest rates on our outstanding debt, increase interest rates for refinancing our outstanding debt, which would increase our financing costs, and adversely affect our ability to raise new capital on a competitive basis, which may adversely affect our profitability and future growth.

In addition, any adverse revisions to India's credit ratings for domestic and international debt by international rating agencies may adversely impact our ability to raise additional financing and the interest rates and other commercial terms at which such financing is available. This could have an adverse effect on our business and future financial performance and our ability to fund our growth.

#### Indian Economy

India, with a GDP of Rs. 44,939 billion at the end of FY 10, is the fourth-largest economy in the world after USA, China and Japan. During the pre-liberalisation period, India was considered to be an agrarian economy with more than 70% of the GDP being contributed by the agricultural sector. In 1991, the Government of India (GoI) initiated a series of economic reforms to promote industrial growth to bring in economic stability and growth. New liberal policies included opening of international trade and investment, privatisation, tax reforms etc. to transform the economy from socialism to capitalism. With these reforms, the economic growth which was hovering at the lower levels increased to above 8% territory in past few years. Barring FY09, economy has registered a growth of 8% and above during the period FY 06-10.

Indian Economy grew at a much faster pace in the first half of this fiscal and registered an impressive growth of 8.9%. The high growth in GDP came from all the sectors, with contributions being: agricultural sector expanded by 3.8%, manufacturing sector grew at 11.3%, construction sector clocked a growth of 9.6% while the mining sector grew at 8.2%. The service sector was also buoyant with trade, hotels etc. growing by 11.5%. For the whole year, government has set the GDP growth target of 8.5%.

#### Industry Overview

Broadly, construction can be classified into three segments – infrastructure, industrial and real estate. The infrastructure segment involves construction projects in different sectors like roads, rails, ports, irrigation, power, telecom etc. Investment in the infrastructure sector plays a crucial role in the growth of the economy of the country. Development of infrastructure in the country mainly depends upon the spending by GoI in various sub-segments of infrastructure.

Construction as a percentage of Gross Domestic Product (GDP) has been in the range of 7-8% in the past five years. The Government emphasized mainly to ease liquidity and liberalize the lending policies. Focus was given to increase the expenditure on infrastructure and provide funding to the long-term infrastructure projects in order to speed up the completion. GoI had authorized India Infrastructure Finance Co. Ltd. (IIFCL) to raise Rs. 40,000 crore through tax-free bonds to refinance bank lending for infrastructure projects in the Public Private Partnership (PPP) mode. Apart from this, IIFCL was allowed to provide takeout financing to banks so that they can lend to the long-term infrastructure projects.

Post election in early FY10, the government had been focusing on awarding projects under different infrastructure segments. Also, the quantum of projects being shelved/deferred in the industrial sector slowed down in the last fiscal. In FY10, the proportion of construction to GDP remained at about 8% and registered a growth of 7%.

With the recovery in the economic growth and increased impetus of the government on infrastructure development, construction registered a strong growth of 9.6% on a yoy basis during the first half of this fiscal as against the GDP growth of 8.9%. In Q2 FY11, growth in construction slightly slowed down to 8.8% on a yoy basis compared to 10.3% in Q1 FY11. This was also on account of the typical lull of the construction season due to monsoon.

## SUMMARY OF BUSINESS

We are a construction company predominantly engaged in the business of infrastructure development and civil construction. We are a fast growing company that provides integrated engineering, procurement and construction services. We believe in providing high quality and innovative projects on a timely basis. We undertake projects for various Government / semi-government bodies and other private sector clients. Our Company is headquartered at Nasik, Maharashtra and has operations across the state of Maharashtra.

We focus on the following segments of construction:

- Infrastructure development; including construction and maintenance of roads / highways, bridges, including projects on public private partnership (PPP) model, industrial parks, work-shops, hospitals, educational institutions;
- Civil construction; including, Government staff quarters, hostel buildings and auditoriums;
- Residential and commercial real estate construction

Our Company is registered as Class 1A contractor with the Public Works Department, Government of Maharashtra; wherein we can bid for a range of contracts without restriction on any cost parameters. Further, our Company is also registered with other Government/semi-government bodies to bid for various types of construction projects.

### Cientele

Over the years, we have developed to undertake and successfully execute a range of construction projects in the state of Maharashtra. Our client list includes:

- Public Works Department, Maharashtra State
- National Building Construction Corporation (NBCC)
- Maharashtra State Police Housing & Welfare Corporation (MSPHWC)
- Maharashtra State Road Transport Corporation (MSRTC)
- Maharashtra State Electricity Distribution Company Ltd. (MSEDCL)
- Maharashtra State Power Generation Company Limited (MSPGCL)
- Indian Oil Corporation (IOC)
- Nasik Municipal Corporation
- Maharashtra Health System Development Project
- Maratha Vidya Prasarak Samaj, Nasik
- Tribal Development Department, Nasik

### Our Strengths

- ***Experienced management and a well trained employee base***

Mr. Prakash P. Laddha, our Promoter and Whole Time Director, has over three decades of entrepreneurial experience in the infrastructure and construction industry and is a first generation entrepreneur. Mr. Krishnan G. Trichur, our Managing Director has over 40 years of experience, including experience into infrastructure industry. Our management team also plays an instrumental role in decision making process considering their vast experience in the construction industry. We believe we have a well qualified and experienced employee base, which is responsible for the growth in our business operations.

- ***Successfully completed a number of projects awarded by Government / semi-government bodies***

The Company has over 15 years of experience in the construction industry and has executed many projects for Government and semi-government agencies. Due to our focus on quality and timely execution of projects, we have earned repeat orders from our clients like Public Works Department and Maharashtra State Police and Housing Corporation to name a few. The experience that we have

gained over the years and our understanding of the business, among other factors, enables us to pre-qualify for the bids we participate in.

- **Successfully completed BOT project by way of PPP model**

We have successfully executed BOT project at Arni, Yeotmal on Public-Private Partnership (PPP) model. The project included construction of by-pass road and widening of several bridges in between Arni to Mahagaon, Yevatmal along with construction of new bridge on Nagpur-Bori-Tuljapur Road. We have also developed a commercial complex at Arni, Yeotmal for MSRTC. Successful completion of the BOT project and our extensive experience in construction, operation and maintenance of highways, roads and buildings would enable us to capitalise on the opportunities available in this growing sector of the Indian economy.

- **Diverse order book**

We have, over the years, leveraged our civil construction expertise in diverse segments of the construction and infrastructure industry such as roads, bridges, buildings and industrial parks. As of March 1, 2011, our order book, was ₹ 11,720.7 lakhs and is spread across the construction sectors in which we operate. Each of these construction activities requires specific skill sets and experience which have been developed by our Company for the timely execution of the projects in these sectors.

The below chart explains the kind of construction projects we are going to execute in near future.

We believe that the size and diversification of our order book may enable us to sustain our financial condition and results of operations through difficult economic climate and reduce our dependence on any particular segment and negate cyclical risks associated with the provision of construction services to a particular industry or sector. Successful execution of the projects in our order book will, we believe, enhance our reputation and provide us with a competitive advantage.

- **Technical expertise and vast industry experience**

The Industry in which we operate demands high level of skill sets. We have qualified and trained employees consisting of project managers and supervisors, technical staff and non-technical staff. We benefit from a well-qualified workforce which has assisted in the implementation of our business strategies in the past. Our supervisors are skilled in terms of technical expertise and experienced to handle our contracts. This gives us the ability to serve the needs of our clients and execute the technical requirement of diverse projects that we undertake. Experience gathered over the years by our management team backed by on-the-job training ensures that we meet the highest standards of quality and workmanship in a cost effective manner while strictly adhering to committed timelines in delivery. We believe that our expertise in project implementation and commitment of our project managers and their support team provides us with a competitive edge over others.

- **Track record of timely completion of Projects**

It is critical in the construction industry that projects are completed as per contracted schedule. We have a track record of timely execution of the projects which minimizes cost overruns and eliminates any possibilities of penalties and liquidated damages, while earning repeat orders from our clients. We have never been penalized for delayed execution of a project.

- **Continuous growth in our bid capacity and pre-qualification capability**

Our business and growth are dependent on our ability to bid and secure large and varied projects. Bidding for infrastructure projects is dependent on various criteria; including bid capacity and pre-qualification capability. Bid capacity represents the aggregate value of the contracts that can be awarded to us, and is computed based on pre-defined criteria of various authorities. Pre-qualification capability includes various factors such as the technical capability, financial capability and past experience in similar projects. We have focused on improvising these parameters and continuously increased our bid capacity. Our total revenues on standalone basis as per restated financials have increased from ₹ 1,543 lakhs in FY 2005-06 to ₹ 11,498 lakhs in FY 2009-10, indicating compounded annual growth of 65.22 % over the last 4 years. Our standalone net profits as per restated financials have increased from ₹ 51 lakhs to ₹ 716 lakhs indicating a compounded annual growth of 93.35 % over the past four financial years. The below chart will provide an overview of our growth and the type of works executed by us over the past three years and nine months ending December 31, 2010.

#### Segment-wise Revenue

- **Integrated business model**

We are able to undertake all the activities related to a construction projects in-house, from tendering for the project to the execution of the same. This helps to ensure timely completion of project; reduces our reliance on sub-contractors and decreases our cost. We prepare all tendering documents and have dedicated planning and project management team. We have an experienced team and fleet of construction equipments to construct and maintain the project. Our integrated structure also enables us to bid for a project with confidence in our ability to complete and operate the same on a profitable basis.

#### Our Business Strategy

We intend to continue to provide high quality services to our clients and grow our business by leveraging our strengths and implementing the following strategies.

**1. Continue to enhance our project execution capabilities**

We intend to continue our focus in enhancing project execution capabilities so as to derive twin benefits of client satisfaction and improvements in operating margins. We will constantly endeavor to leverage our operating skills through our latest equipment and project management tools to increase productivity and maximize asset utilization in our capital intensive projects. We believe that we have developed a reputation for undertaking challenging construction projects and completing such projects in a timely manner. We intend to continue our focus on performance and project execution ability in order to maximize client satisfaction and margins. We continue to optimize operating and overhead costs to maximize our operating margins. To facilitate efficient and cost-effective decision-making, we intend to continue to strengthen our internal systems. Our ability to effectively manage projects will be crucial to our continued success as a recognized infrastructure company. We believe that we are able to distinguish ourselves from our competitors because of our management strength and in-house development, construction, operation and maintenance capabilities. We intend to continuously strengthen our execution capabilities by adding more engineers, attracting professionals, and facilitating continuous learning with in-house training opportunities.

**2. Strengthening our position in the civil construction space**

We believe our ability to undertake a wide range of civil construction projects, including, educational institutes, hospitals, corporate offices and residential and commercial projects provides us with a unique opportunity. In order to increase our market share and achieve a balanced revenue stream that is spread across various segments, we intend to pursue technically complex projects in the civil construction sector, including PPP projects.

**3. Target specific high potential projects in infrastructure and real estate segments**

We intend to concentrate on projects where we believe there is high potential growth and where we enjoy competitive advantage. We believe that our expertise and experience in development, operation, and maintenance of road infrastructure projects, civil construction for Government bodies and real estate construction will provide us with an advantage in pursuing growth opportunities in this fast growing sector.

We intend to associate with larger, technically more complex projects by leveraging, among other things, our prior experience in infrastructure projects and our equipment base. The high entry barriers for bidding for large order size projects and the resulting decreased competition to bid for and undertake such projects makes this an attractive sector in which to participate. While working on higher value projects may have associated risks, such projects also enable us to reduce operating costs and expenses and benefit from potentially higher margins.

**4. Bid for, win and operate projects on Public-Private Partnership (PPP) Model**

The Government has planned for a number of projects on a BOT/BOOT/BOLT or annuity basis. We believe that such projects will become increasingly more prevalent in the coming years because of the Government's reliance on the public-private partnership (PPP) model. BOT/BOOT/BOLT or annuity projects generally provide better operating margins because of the added overall control of project costs that can be exerted by the contractor. Additionally PPP projects offer the possibility of Government assistance to the contractor by virtue of better than anticipated use of the asset. We intend to take up BOT/BOOT/BOLT/ or annuity projects by leveraging our technical and financial credentials, which we believe will be improved by the strengthened balance sheet that we expect to have following the Issue. Such a balance sheet should allow us to take on more projects, including BOT/BOOT/BOLT and annuity projects on our own. It will also increase our ability to form strategic alliances with corporate developers and financial institutions, which we intend to do more of, on a project-by-project basis enhancing our prospect to bid for and execute such projects.

**5. Leverage our expertise and focus on new territories**

We intend to continue to focus on performance and project execution in order to maximize client satisfaction and margins. We will constantly endeavor to leverage our project management capabilities to increase productivity and maximize asset utilization in capital intensive projects. We will continue to optimize operations by minimizing operational / overhead costs, increase productivity thereby achieve to maximize our operating margins.

Till date, our Company has executed projects in the State of Maharashtra. In future, our Company intends to spread its area of operations to other States as well, which is one of the effective ways to mitigate the risks associated with infrastructure projects.

***6. Joint Venture with other infrastructure companies for increasing the bid capacity for larger projects and with regional players to reap the benefits of our experience***

We look forward to develop strategic alliance and form project specific alliances to increase our bid capacity. We would also continue to form project specific joint ventures with regional players whose resources, skills and strategies are complementary to our business and would help us reap the benefits of our experience.

#### **Credit Rating**

This being an issue of Equity Shares, no credit rating is required.

#### **IPO Grading**

This Issue has been graded by [●] and has been assigned [●], indicating [●] fundamentals through its letter dated [●]. The IPO grading is assigned on a five point scale from 1 to 5 with an "IPO Grade 5" indicating strong fundamentals and an "IPO Grade 1" indicating poor fundamentals. Pursuant to SEBI Regulations, the rationale/description furnished by the credit rating agency will be updated at the time of filing the Red Herring Prospectus with the RoC.

#### **Monitoring Agency**

As this being an Issue of Equity Shares for less than ₹ 50,000 lakhs appointment of monitoring agency is not mandatory as per SEBI (ICDR) Regulations 2009. Our Board will monitor the use of proceeds of this Issue as per clause 49 of the Listing Agreement.

#### **Experts**

Except for the report provided by the IPO Grading Agency (a copy of which will be annexed to the Red Herring Prospectus), furnishing the rationale for its grading, our Company has not obtained any expert opinions.

#### **Debenture Trustee**

Since this is not a debenture issue, appointment of debenture trustee is not required.

#### **Appraising Entity**

The present issue is not being appraised by any appraising agency.

#### **Book Building Process**

The Book Building Process, with reference to the Issue, refers to the process of collection of Bids on the basis of the Red Herring Prospectus within the Price Band, which will be decided by the Company, in consultation with the BRLM, and advertised at least two working days prior to the Bid/ Issue Opening Date. The Issue Price is finalised after the Bid/ Issue Closing Date. The principal parties involved in the Book Building Process are:

1. Our Company;
2. Book Running Lead Manager, in this case being Intensive Fiscal Services Private Limited;
3. Syndicate Member(s) who are intermediaries registered with SEBI or registered as brokers with BSE/ NSE and eligible to act as Underwriters. The Syndicate Members are appointed by the BRLM;
4. Self Certified Syndicate Bank(s);
5. Escrow Collection Bank(s); and
6. Registrar to the Issue.

This Issue is being made through the 100.00% Book Building Process in accordance with SEBI (ICDR) Regulation 2009 wherein not more than 50.00% of the Issue shall be allocated on a proportionate basis to QIB Bidders. 5.00% of the QIB Portion shall be available for allocation on a proportionate basis to Mutual Funds only, and the remainder of the QIB Portion shall be available for allocation on a proportionate basis to all QIB Bidders, including Mutual Funds, subject to valid Bids being received at or above the Issue Price. Further, not less than 15.00% of the Issue shall be available for allocation on a proportionate basis to Non-Institutional Bidders and not less than 35.00% of the Issue shall be available for allocation on a proportionate basis to Retail Individual Bidders, subject to valid Bids being received at or above the Issue Price.

The Company will comply with the SEBI (ICDR) Regulations and any other ancillary directions issued by SEBI for this Issue. In this regard, the Company has appointed the BRLM to manage the Issue and procure subscriptions to the Issue.

**In accordance with the SEBI Regulations, QIB Bidders are not allowed to withdraw their Bids after the Bid/ Issue Closing Date.** For further details, please refer the chapter titled “*Terms of the Issue*” on page 268 of this Draft Red Herring Prospectus.

The Book Building Process under the SEBI Regulations is subject to change from time to time and investors are advised to make their own judgment about investment through this process prior to making a Bid or application in the Issue.

**Investors should note that Equity Shares would be allotted to all successful Bidders only in dematerialised form. Bidders will not have the option of getting Allotment of the Equity Shares in physical form. The Equity Shares on Allotment shall be traded only in the dematerialised segment of the Stock Exchanges.**

#### **Illustration of the Book Building Process and Price Discovery Process**

*Investors should note that this example is solely for illustrative purposes and is not specific to the Issue.*

Bidders can bid at any price within the price band. For instance, assume a price band of ₹ 20 to ₹ 24 per equity share, offer size of 3,000 equity shares and receipt of five bids from bidders out of which one bidder has bid for 500 equity shares at ₹ 24 per equity share while another has bid for 1,500 equity shares at ₹ 22 per equity share. A graphical representation of consolidated demand and price would be made available at the bidding centers during the bidding period. The illustrative book given below shows the demand for the shares of a company at various prices and is collated from bids from various investors.

<b>Bid Quantity</b>	<b>Bid Price (₹)</b>	<b>Cumulative Quantity</b>	<b>Subscription</b>
500	24	500	16.67%
1,000	23	1,500	50.00%
1,500	22	3,000	100.00%
2,000	21	5,000	166.67%
2,500	20	7,500	250.00%

The price discovery is a function of demand at various prices. The highest price at which the company is able to offer the desired number of shares is the price at which the book cuts off, i.e., ₹ 22 in the above example. The company in consultation with the BRLM will finalise the issue price at or below such cut-off price, i.e., at or below ₹ 22. All bids at or above the issue price and cut-off price are valid bids and are considered for allocation in the respective categories.

#### **Steps to be taken by the Bidders for bidding:**

- Check eligibility for bidding (please refer paragraph on “*Who Can Bid*” on page 277 in the chapter titled “*Issue Procedure*” beginning on page 276 of this Draft Red Herring Prospectus);

- Bidders should ensure that they have an active DEMAT account and the DEMAT account details are correctly mentioned in the Bid cum Application form or the ASBA Bid cum Application form, as the case may be;
- Except for Bids on behalf of the Central or State Governments and the officials appointed by the courts, for Bids of all values, ensure that you have mentioned your PAN allotted under the I.T. Act in the Bid cum Application form or the ASBA Bid cum Application form, as applicable. In accordance with the SEBI Regulations, the PAN would be the sole identification number for participants transacting in the securities market, irrespective of the amount of transaction (please refer the chapter titled “*Issue Procedure*” on page 276 of this Draft Red Herring Prospectus). However, Bidders residing in the State of Sikkim are exempted from the mandatory requirement of PAN. The exemption is subject to the Depository Participant’s verifying the veracity of the claim of the investors that they are residents of Sikkim, by collecting sufficient documentary evidence in support of their address;
- Ensure that the Bid cum Application form or ASBA Bid cum Application form is duly completed as per the instructions given in the Red Herring Prospectus and in the Bid Cum Application form or ASBA Bid cum Application form, respectively;
- Ensure the correctness of your demographic details given in the Bid cum Application form or the ASBA Bid cum Application form, with the details recorded with your Depository Participants;
- Bids by QIBs shall be submitted only to the BRLM;
- ASBA Bidders will have to submit their Bids (physical form) to the Designated Branches. ASBA Bidders should ensure that the ASBA Account has adequate credit balance at the time of submission of the ASBA Bid cum Application form to the SCSB to ensure that the Bid is not rejected.

#### ***Withdrawal of the Issue***

In accordance with the SEBI Regulations, the Company, in consultation with Book Running Lead Manager, reserves the right not to proceed with this Issue anytime after the Bid /Issue Opening Date, without assigning the reasons therefore. However, if the Company withdraws the Issue after the Bid Closing Date, it shall give the reason thereof within two days of the Bid /Issue Closing Date by way of a public notice which shall be published within two days of the Bid /Issue Closing Date in the same newspapers where the pre-Issue advertisement was published. Further, the Stock Exchanges shall be informed promptly in this regard and the BRLM, through the Registrar to the Issue, shall notify the SCSBs to unblock the bank accounts of the ASBA Bidders within one day from the day of receipt of such notification.

In the event of withdrawal of the Issue anytime after the Bid/Issue Closing Date, our Company will forthwith repay, without interest, all monies received from the applicants in pursuance of this Draft Red Herring Prospectus. If such money is not repaid within eight days after our Company become liable to repay it, i.e. from the date of withdrawal, then our Company, and every Director of our Company who is an officer in default shall, on and from such expiry of eight days, be liable to repay the money, with interest at the rate of 15% per annum on application money.

In the event of withdrawal of the Issue and subsequently, plans of an IPO by the Company, a Draft Red Herring Prospectus will be submitted again for observations of SEBI.

#### ***Underwriting Agreement***

After the determination of the Issue Price and allocation of the Equity Shares, but prior to the filing of the Prospectus with the RoC, the Company will enter into an Underwriting Agreement with the Underwriters for the Equity Shares proposed to be offered and sold in the Issue. It is proposed that pursuant to the terms of the Underwriting Agreement, the BRLM shall be responsible for bringing in the amount devolved in the event that their respective Syndicate Members do not fulfill their underwriting obligations. The underwriting shall be to the extent of the Bids uploaded by the Underwriters including through its Syndicate/ Sub Syndicate. The Underwriting Agreement is dated [●]. Pursuant to the terms of the Underwriting Agreement, the obligations of the Underwriters are several and are subject to certain conditions specified therein.

**The Underwriters have indicated their intention to underwrite the following number of Equity Shares:**

*(This portion has been intentionally left blank and will be filled in before the filing of the Prospectus with the RoC)*

<b>Name and Address of the Underwriter</b>	<b>Indicative Number of Equity Shares to be Underwritten</b>	<b>Amount Underwritten (₹ In Lakhs)</b>
[•]	[•]	[•]

The above mentioned amount is indicative underwriting and this would be finalised after determination of the Issue Price and actual allocation. The above underwriting is pursuant to the Underwriting Agreement dated [•].

In the opinion of the Board of Directors (based on the certificates given by the Underwriters), the resources of the above mentioned Underwriters are sufficient to enable them to discharge their respective underwriting obligations in full. The above mentioned Underwriters are registered with SEBI under Section 12(1) of the SEBI Act or registered as brokers with the Stock Exchanges. The Board of Directors, at its meeting held on [•], has authorised the execution and delivery of the Underwriting Agreement mentioned above on behalf of the Company.

Allocation among the Underwriters may not necessarily be in proportion to their underwriting commitments. Notwithstanding the table above, the BRLM and the Syndicate Members shall be responsible for ensuring payment with respect to the Equity Shares allocated to the investors procured by them. In the event of any default in payment, the respective Underwriter, in addition to other obligations defined in the Underwriting Agreement, will also be required to procure subscriptions for/ subscribe to Equity Shares to the extent of the defaulted amount.

Notwithstanding the foregoing, the Issue is also subject to obtaining (i) the final approval of the RoC after the Prospectus is filed with the RoC; and (ii) final listing and trading approvals of the Stock Exchanges, which the Company shall apply for after Allotment.

<b>Total</b>			[•]				[•]	[•]

(The aforesaid table will be finalized after the Issue Price and the numbers of shares to be issued are finalized in the Prospectus.)

We confirm that the minimum Promoters' contribution of 20% which is subject to lock-in for three years does not consist of:

- (i) equity shares acquired in past three years for consideration other than cash and revaluation of assets or capitalisation of intangible assets is involved in such transaction; or
- (ii) equity shares resulting from a bonus issue by utilisation of revaluation reserves or unrealised profits of the issuer or from bonus issue against equity shares which are ineligible for minimum promoters' contribution during the period of last three years;
- (iii) equity shares acquired by promoter during the preceding one year at a price lower than the price at which equity shares are being offered to public in the Issue;
- (iv) equity Shares forming a part of promoter's contribution have not been issued to our Promoters on conversion of a partnership firm into a limited company.
- (v) equity Shares held by the Promoters and offered for minimum 20% Promoters' contribution are not subject to any pledge.

The Promoters contribution has been brought in to the extent of not less than the specified minimum amount and from the person defined as Promoters under the SEBI (ICDR) Regulations. 20% of the post-Issue paid-up equity share capital, as determined after the book-building process from the above mentioned Promoters would be locked-in for a period of three years from the date of allotment in the present Issue and the balance Pre-Issue Paid-up Equity Share Capital would be locked-in for a period of one year from the date of allotment in the present Issue.

***c. Details of share capital locked-in for one (1) year***

In terms of Regulation 36 of the SEBI Regulations, in addition to the lock-in of 20 % of the post issue capital of promoters for three years, as specified above, the entire pre-issue Equity Share capital of our Company constituting [●] Equity Shares will be locked in for a period of one year from the date Allotment in the Issue.

We confirm that the specific written consents have been obtained from our Promoters for inclusion of their shares for computation of minimum Promoters contribution subject to lock-in. The number of such Equity Shares will be calculated post allotment pursuant to the Issue and locked in accordingly.

The Promoter has given an undertaking to the effect that he shall not sell/transfer/dispose of in any manner, Equity Shares forming part of the minimum Promoters' contribution from the date of filing this Draft Red Herring Prospectus till the date of commencement of lock-in in accordance with ICDR Regulations, 2009.

Shares held by any person other than our Promoter, prior to this Issue, which are subject to lock in as per the provisions of Regulation 37 of SEBI (ICDR) Regulation, may be transferred to any other person holding shares which are locked in, subject to continuation of lock-in in the hands of transferees for the remaining period and compliance of Takeover Code as applicable.

Shares held by our Promoter which are locked in as per the provisions of Regulation 36 of the SEBI (ICDR) Regulations, may be transferred to and amongst Promoter / Group Entities or to a new promoter or persons in control of our Company, subject to continuation of lock-in in the hands of transferees for the remaining period and compliance of Takeover Code, as applicable. The locked-in Equity Shares held by our Promoters can be pledged only with any scheduled commercial banks or public financial institutions as collateral security for loans granted by such banks or financial institutions, subject to the following:

- If the specified securities are locked-in in terms of sub-regulation (b) of Regulation 36 of the SEBI (ICDR) Regulations, the loan has been granted by such bank or institution for the purpose of financing one or more of the objects of the issue and pledge of specified securities is one of the terms of sanction of the loan;

Further all the shares held by the Promoters / Promoter Group are free from pledge.

## OBJECTS OF THE ISSUE

We intend to use the proceeds of the Issue for the following purposes:

1. To meet working capital requirement;
2. To Invest in Construction Equipments;
3. To Invest in Subsidiaries;
4. To meet General Corporate Purposes; and
5. To meet Public Issue Expenses.

(Collectively referred to hereinafter as the “Objects”)

The other Objects of the Issue also include creating a public trading market for the Equity Shares of our Company by listing them on BSE & NSE. We believe that the listing of our Equity Shares will enhance our visibility and brand name and enable us to avail of future growth opportunities.

The main object clause of Memorandum of Association of our Company enables us to undertake the existing activities and the activities for which the funds are being raised by us through the present Issue. Further, we confirm that the activities which we have been carrying out till date are in accordance with the object clause of our Memorandum of Association.

We intend to utilize the Issue Proceeds, after deducting BRLM Fees, and management fees, selling commission and other public issue expenses associated with the Issue (“Issue Proceeds”), which is estimated at ₹ [●] Lakhs for financing the growth of our business.

### Requirement of funds

The following table summarizes the requirement of funds:

(₹ In Lakhs)

Sr. No.	Particulars	Amount
1.	Working Capital Requirement	3,500.00
2.	Investment in Construction Equipments	930.00
3.	Investment in Subsidiaries	234.52
4.	General Corporate Purposes*#	[●]
5.	Public Issue Expenses*	[●]
	<b>Total</b>	<b>6,000.00</b>

*\*will be incorporated after finalization of Issue Price*

# the amount deployed towards general corporate purpose shall not exceed 25% of the total issue size.

### Means of Finance

The entire requirement of funds is proposed to be funded through the proceeds of the Issue. In case of shortfall, if any, the same shall be met out of fresh bank loan or internal accruals. Excess money, if any, will be utilized for general corporate purpose, including acquisitions.

Our management, in response to the competitive and dynamic nature of the industry, will have the discretion to revise its business plan from time to time and consequently our funding requirement and deployment of funds may also change. This may, subject to compliance with applicable laws and regulations, also include rescheduling the proposed utilization of Issue Proceeds and increasing or decreasing expenditure for a particular object *vis-à-vis* the utilization of Issue Proceeds. In case of variations in the actual utilization of funds earmarked for the purposes set forth above, increased fund requirements for a particular purpose may be financed by surplus funds, if any, available in respect of the other purposes for which funds are being raised in this Issue. If surplus funds are unavailable, the required financing will be through our internal accruals and/or debt.

Our Company confirms that it is not required to make firm arrangements of finance through verifiable means towards 75% of the stated means of finance, as it intends to raise the amount through proposed public issue.

#### Details of the use of the proceeds

##### 1. Working Capital Requirement.

Our business is working capital intensive and we avail majority of our working capital from our Banker and the balance is funded through internal accruals. As on this date of DRHP, we have been sanctioned working capital cash credit limits of ₹ 2,300 Lakhs comprising of Fund based limit of ₹ 1,500 Lakhs and Non-Fund-based limit of ₹ 800 Lakhs.

We expect a further increase in the working capital requirements in view of current order book position and potential projects that may be awarded. Accordingly, we have proposed to use ₹ 3,500 lakhs out of the issue proceeds to meet the increase in long term working capital requirements.

However, the benefit is available subject to fulfillment of conditions prescribed under the section.

### **(II) GENERAL TAX BENEFITS AVAILABLE TO PRAKASH CONSTROWELL LIMITED AND ITS SHAREHOLDERS**

#### **BENEFITS AVAILABLE TO THE COMPANY UNDER THE INCOME TAX ACT, 1961**

##### **1. Dividend exempt under Section 10(34)**

Under Section 10(34) to be read with Section 115(O) of the Act, dividend income (whether interim or final) in the hands of the company as distributed or paid by any other Company on or after April 1, 2004 is completely exempt from tax in the hands of the Company.

##### **2. Exemption under Section 10(35)**

Under section 10(35) of the Act, the income received by the Company from distribution made by any mutual fund specified under section 10(23D) of the Act in respect of which tax is paid by such mutual fund u/s. 115R of the Act or from the Administration of the specified undertaking or from the specified companies is exempt from tax.

##### **3. Exemption under Section 10(23G)**

In accordance with and subject to the provisions of section 10(23G) of the Act, the Company will be eligible to claim exemption on any income by way of dividends (other than dividends exempt under section 10(34) of the Act), interest or long term capital gains from investments made by way of shares or long-term finance in specified enterprise, wholly engaged in specified business or projects and which have been approved by the Central Government.

##### **4. Lower Tax Rate under Section 112 on Long Term Capital Gains**

As per the provisions of Section 112 of the Act, long-term gains that are not exempt under section 10(38) of the Act would be subject to tax at a rate of 20 percent (plus applicable surcharge and education cess). However, as per the provision to Section 112(1), if the tax on long term capital gains resulting on transfer of listed securities or units, calculated at the rate of 20 percent with indexation benefit exceeds the tax on long term gains computed at the rate of 10 percent without indexation benefit, then such gains are chargeable to tax at a concessional rate of 10 percent (plus applicable surcharge and education cess).

##### **5. Exemption of Long Term Capital Gain under section 10(38)**

As per the provisions of section 10(38), long term capital gain arising from the sale of Equity Shares in any company through a recognised stock exchange or from the sale of units of an equity oriented mutual fund shall be exempt from Income Tax if such sale takes place after October 1, 2004 and such sale is subject to Securities Transaction Tax.

However, income by way of long-term capital gain of a company shall be taken into account in computing the book profit and income-tax payable under section 115JB.

##### **6. Lower Tax Rate under Section 111A on Short Term Capital Gains**

As per the provisions of section 111A, Short Term capital gains arising from the transfer of Equity Shares in any company through a recognised stock exchange or from the sale of units of equity oriented mutual fund shall be subject to tax at the rate of 15 percent provided such a transaction is entered into after October 1, 2004 and the transaction is subject to Securities Transaction Tax.

##### **7. Exemption of Long Term Capital Gain under Section 54EC**

In accordance with and subject to the conditions and to the extent specified in Section 54EC of the Act, the shareholders would be entitled to exemption from tax on long term capital gains not covered by sections 10(36) and 10(38) arising on transfer of their shares in the Company if such capital gain is invested in any of the long term specified assets in the manner prescribed in the said section. The long-term specified assets for the purpose of investment made on or after April 1, 2007 are bonds of:

- a) National Highways Authority of India ("NHAI") constituted under section 3 of National Highways Authority of India Act, 1988 and notified by the Central Government in the Official Gazette for the purpose of this section; or
- b) Rural Electrification Corporation Ltd. ("RECL"); a company formed and registered under the Companies Act and notified by the Central Government in the Official Gazette for the purpose of this section;

As per the proviso to section 54EC (1), bonds will be issued to a person, up to a maximum limit of ₹ 50 Lakhs during any financial year.

Where the long term specified asset is transferred or converted into money at any time within a period of three years from the date of its acquisition, the amount of capital gains exempted earlier would become chargeable to tax as long term capital gains in the year in which the specified asset is transferred or converted into money.

#### **8. Depreciation under Section 32**

In accordance with and subject to the provisions of section 32 of the Income tax Act, the company will be allowed to claim depreciation on specified tangible and intangible assets as per the rates specified. Besides normal depreciation, the company, in terms of section 32(1) (iia), shall be entitled to claim depreciation at the rate of 20 percent of actual cost on new plant and machinery acquired after March 31, 2005.

#### **9. Deduction of donation under section 80G**

As per the provisions of section 80G of the Act, deduction will be available in respect of the amounts contributed as donations to various charitable institutions and funds covered under that section subject to fulfillment of conditions specified therein.

#### **10. Tax Rates**

The tax rate is 30%. The surcharge on Income tax is 7.5 %, only if the total income exceeds ₹ 1 Crore. Education cess and Secondary Higher Education Cess is 3%.

#### **11. Minimum Alternate Tax ("MAT") under Section 115JB**

Under Section 115JB of the Act, in case of a company, if the tax payable on the total income as computed under the normal provision of Income-tax Act in respect of any previous year relevant to the assessment year commencing on or after April 1, 2001 is less than seven and one half per cent of its book profit, such book profit shall be deemed to be the total income of the assessee and the tax payable for the relevant previous year shall be seven and one-half per cent of such book profit.

For the Assessment Year 2007-08, if the tax payable on the total income as computed under the Income-tax Act is less than 10% of its book profit, such book profit shall be deemed to be the total income of the assessee and the tax payable shall be ten percent of such book profit.

For the Assessment Year 2010-11, if the tax payable on the total income as computed under the Income-tax Act is less than 15% of its book profit, such book profit shall be deemed to be the total income of the assessee and the tax payable shall be fifteen percent of such book profit.

However, with effect from April 1, 2011 i.e., in relation to the Assessment Year 2011-12 and subsequent years, if the tax payable on the total income as computed under the Income-tax Act in respect of any previous year relevant to the assessment year commencing on or after April 1, 2011 is less than 18% of its book profit, such book profit shall be deemed to be the total income of

the assessee and the tax payable for the relevant previous year shall be eighteen per cent of such book profit.

## **12. MAT Credit under Section 115 JAA (1A)**

Under Section 115 JAA (1A) of the Act, tax credit shall be allowed of any tax paid (MAT) under Section 115JB of the Act. Credit eligible for carry forward is the difference between MAT paid and the tax computed as per the normal provisions of the Act. Such MAT credit shall not be available for carry forward beyond ten years succeeding the year in which the MAT becomes allowable.

## **BENEFITS AVAILABLE TO RESIDENT SHAREHOLDERS UNDER THE INCOME TAX ACT, 1961**

### **1. Dividend Exempt under Section 10(34)**

Under Section 10(34) to be read with Section 115O of the Act, dividend (whether interim or final) declared, distributed or paid by the Company on or after April 1, 2004 is completely exempt from tax in the hands of the shareholders of the Company.

### **2. Lower Tax Rate under Section 112 on Long Term Capital Gains**

As per the provisions of Section 112 of the Act, long-term gains that are not exempt under section 10(38) of the Act would be subject to tax at a rate of 20 percent (plus applicable surcharge and education cess). However, as per the proviso to Section 112(1), if the tax on long term capital gains resulting on transfer of listed securities or units, calculated at the rate of 20 percent with indexation benefit exceeds the tax on long term gains computed at the rate of 10 percent without indexation benefit, then such gains are chargeable to tax at concessional rate of 10 percent (plus applicable surcharge and education cess).

### **3. Lower Tax rate under Section 111A on Short Term Capital Gains**

As per the provisions of section 111A, Short Term capital gains arising from the transfer of Equity Shares in any company through a recognised stock exchange or from the sale of units of equity oriented mutual fund shall be subject to tax at the rate of 15 percent provided such a transaction is entered into after October 1, 2004 and the transaction is subject to Securities Transaction Tax.

### **4. Exemption of Long Term Capital Gain under section 10(38)**

As per the provisions of section 10(38), long term capital gain arising from the sale of Equity Shares in any company through a recognised stock exchange or from the sale of units of an equity oriented mutual fund shall be exempt from Income Tax if such sale takes place after October 1, 2004 and such sale is subject to Securities Transaction tax.

### **5. Exemption of Long Term Capital Gain under Section 54EC**

In accordance with and subject to the conditions and to the extent specified in Section 54EC of the Act, the shareholders would be entitled to exemption from tax on long term capital gains not covered by sections 10(36) and 10(38) arising on transfer of their shares in the Company if such capital gain is invested in any of the long term specified assets in the manner prescribed in the said section. The long-term specified assets for the purpose of investment made on or after April 1, 2007 are bonds of:

- c) National Highways Authority of India ("NHAI") constituted under section 3 of National Highways Authority of India Act, 1988 and notified by the Central Government in the Official Gazette for the purpose of this section; or
- d) Rural Electrification Corporation Ltd. ("RECL"); a company formed and registered under the Companies Act and notified by the Central Government in the Official Gazette for the purpose of this section;

As per the proviso to section 54EC (1), bonds will be issued to a person, up to a maximum limit of ₹ 50 Lakhs during any financial year.

Where the long term specified asset is transferred or converted into money at any time within a period of three years from the date of its acquisition, the amount of capital gains exempted earlier

would become chargeable to tax as long term capital gains in the year in which the specified asset is transferred or converted into money.

#### **6. Exemption under section 54F**

In accordance with section 54F, long-term capital gains arising on the transfer of the shares of the Company held by an individual or Hindu Undivided Family on which STT is not payable, shall be exempt from capital gains tax, if the net consideration is utilized, within a period of one year before, or two years after the date of transfer, in the purchase of a new residential house, or for construction of a residential house within three years. Such benefit will not be available if the individual or Hindu Undivided Family-

- owns more than one residential house, other than the new residential house, on the date of transfer of the shares; or
- purchases another residential house within a period of one year after the date of transfer of the shares; or
- constructs another residential house within a period of three years after the date of transfer of the shares; and
- the income from such residential house, other than the one residential house owned on the date of transfer of the original asset, is chargeable under the head "Income from house property".

If only a part of the net consideration is so invested, so much of the capital gains as bears to the whole of the capital gain the same proportion as the cost of the new residential house bears to the net consideration shall be exempt.

If the new residential house is transferred within a period of three years from the date of purchase or construction, the amount of capital gains on which tax was not charged earlier, shall be deemed to be income chargeable under the head "Capital Gains" of the year in which the residential house is transferred.

#### **7. Deduction of Security Transaction Tax under section 36(1)(xv)**

Under section 36(1)(xv) of the Act, the amount of Security Transaction Tax paid by an assessee in respect of taxable securities transactions offered to tax as "Profits and gains of Business or Profession" shall be allowable as a deduction against such Business Income.

### **BENEFITS AVAILABLE TO NON-RESIDENT INDIAN SHAREHOLDERS**

#### **1. Dividend Exempt under Section 10(34)**

Under Section 10(34) to be read with Section 115O of the Act, dividend (whether interim or final) declared, distributed or paid by the Company on or after April 1, 2004 is completely exempt from tax in the hands of the shareholders of the Company.

#### **2. Lower Tax Rate under Section 112 on Long Term Capital Gains**

As per the provisions of Section 112 of the Act, long term gains that are not exempt under section 10(38) of the Act would be subject to tax at a rate of 20 percent (plus applicable surcharge and education cess). However, as per the proviso to Section 112(1), if the tax on long term capital gains resulting on transfer of listed securities or units, calculated at the rate of 20 percent with indexation benefit exceeds the tax on long term gains computed at the rate of 10 percent without indexation benefit, then such gains are chargeable to tax at a concessional rate of 10 percent (plus applicable surcharge and education cess).

#### **3. Lower Tax rate under Section 111A on Short Term Capital Gains**

As per the provisions of section 111A, Short Term capital gains arising from the transfer of Equity Shares in any company through a recognised stock exchange or from the sale of units of equity oriented mutual fund shall be subject to tax at the rate of 15 percent provided such a transaction is entered into after October 1, 2004 and the transaction is subject to Securities Transaction Tax.

#### **4. Options available under the Act**

Where shares have been subscribed to in convertible foreign exchange - Option of taxation under Chapter XII – A of the Act:

Non-Resident Indians [as defined in Section 115C (e) of the Act], being shareholders of an Indian Company, have the option of being governed by the provisions of Chapter XII – A of the Act, which inter alia entitles them to the following benefits in respect of income from shares of and Indian company acquired, purchased or subscribed to in convertible foreign exchange:

- i) According to the provisions of section 115D read with Section 115E of the Act and subject to the conditions specified therein, long term capital gains arising on transfer of an Indian company's shares, will be subject to tax at the rate of 10 percent (plus applicable surcharge and education cess), without indexation benefit.
- ii) According to the provisions of section 115F of the Act and subject to the conditions specified therein, gains arising on transfer of a long term capital asset being shares in an Indian company shall not be chargeable to tax if the entire net consideration received on such transfer is invested within the prescribed period of six months in any specified asset or savings certificates referred to in section 10(4B) of the Act. If part of such net consideration is invested within the prescribed period of six months in any specified asset or savings certificates referred to in Section 10(4B) of the Act then such gains would not be chargeable to tax on a proportionate basis. For this purpose, net consideration means full value of the consideration received or accruing as a result of the transfer of the capital asset as reduced by any expenditure incurred wholly and exclusively in connection with such transfer. Further, if the specified asset or savings certificate in which the investment has been made is transferred within a period of three years from the date of investment, the amount of capital gains tax exempted earlier would become chargeable to tax as long term capital gains in the year in which such specified asset or savings certificate are transferred.
- iii) As per the provisions of Section 115G of the Act, Non- Resident Indians are not obliged to file a return of income under Section 139(1) of the Act, if their only source of income is income from investments or long term capital gains earned on transfer of such investments or both, provided tax has been deducted at source from such income as per the provisions of Chapter XVII-B of the Act.
- iv) Under Section 115H of the Act where the Non-Resident Indian becomes assessable as a resident in India, he may furnish a declaration in writing to the Assessing Officer, along with his return of income for that year under Section 139 of the Act to the effect that the provisions of the Chapter XII-A shall continue to apply to him in relation to such investment income derived from the specified assets for that year and subsequent assessment years until such assets are converted into money.
- v) As per the provisions of Section 115I of the Act, a Non- Resident Indian may elect not to be governed by the provisions of Chapter XII-A for any assessment year by furnishing his return of income for that assessment year under Section 139 of the Act, declaring therein that the provisions of Chapter XII-A shall not apply to him for that assessment year and accordingly his total income for that assessment year will be computed in accordance with the other provisions of the Act.

#### **5. Exemption of Long Term Capital gain under Section 10(38)**

As per the provisions of section 10(38), long term capital gain arising from the sale of Equity Shares in any company through a recognized stock exchange or from the sale of units of an equity oriented mutual fund shall be exempt from Income Tax if such takes place after October 1, 2004 and such sale is subject to Securities Transaction Tax.

#### 1. Overview of the Indian Economy

India, with a GDP of Rs. 44,939 bn at the end of FY 10, is the fourth-largest economy in the world after USA, China and Japan. During the pre-liberalisation period, India was considered to be an agrarian economy with more than 70% of the GDP being contributed by the agricultural sector. In 1991, the Government of India (GoI) initiated a series of economic reforms to promote industrial growth to bring in economic stability and growth. New liberal policies included opening of international trade and investment, privatisation, tax reforms etc. to transform the economy from socialism to capitalism. With these reforms, the economic growth which was hovering at the lower levels increased to above 8% territory in past few years. Barring FY09, economy has registered a growth of 8% and above during the period FY 06-10.

yoy(%)	FY06	FY07	FY08	FY09	FY10
<b>GDP</b>	9.5	9.6	9.3	6.8	8.0
<b>Agriculture</b>	5.1	4.2	5.8	-0.1	0.4

at Factor cost (2004-05 prices)

The global financial crisis also hit the Indian economy and economic growth slashed to 6.8% in FY 09. However, with buoyant domestic demand, accommodative policies and stimulus packages announced by the government, macroeconomic environment improved in the later year and economy registered a growth of 8% in FY10.

Indian Economy grew at a much faster pace in the first half of this fiscal and registered an impressive growth of 8.9%. The high growth in GDP came from all the sectors, with contributions being: agricultural sector expanded by 3.8%, manufacturing sector grew at 11.3%, construction sector clocked a growth of 9.6% while the mining sector grew at 8.2%. The service sector was also buoyant with trade, hotels etc. growing by 11.5%. For the whole year, government has set the GDP growth target of 8.5%.

### Trend of Index of Industrial production (IIP) growth

Source: CSO

\*April–December 2010

IIP, the barometer of the manufacturing activity in the country, clocked a growth of 10.4% in FY10 recovering from the slowdown in growth at 2.7% registered in FY09. During the current fiscal (upto December), IIP has registered a growth of 8.6%.

The strong performance of IIP in last few months and the improving business sentiment underscores that the Indian economy is firmly on the recovery path. The recuperating demand conditions on the back of the government initiatives, improving employment situation, resumption in foreign capital inflows, recovering financial markets and stabilising exports have provided the growth momentum to the Indian economy.

## 2. Infrastructure sector

### 2.1 Overview the infrastructure sector

#### Background

Broadly, construction can be classified into three segments – infrastructure, industrial and real estate. The infrastructure segment involves construction projects in different sectors like roads, rails, ports, irrigation, power, telecom etc. Investment in the infrastructure sector plays a crucial role in the growth of the economy of the country. Development of infrastructure in the country mainly depends upon the spending by Gol in various sub-segments of infrastructure.

#### Linkage of economy and construction

##### *GDP and Construction at the factor cost (at constant prices)*

	GDP (Rs. Cr)	GDP growth (%)	Construction (Rs. Cr)	Construction as % of GDP
FY06	32,54,216	9.5	2,58,124	7.9
FY07	35,66,011	9.6	2,84,798	8.0
FY08	38,98,958	9.3	3,15,389	8.1
FY09	41,62,509	6.8	3,32,557	8.0
FY10	44,93,743	8.0	3,55,918	7.9

Source: Central Statistical Organisation (CSO) and CARE Research

Construction as a percentage of Gross Domestic Product (GDP) has been in the range of 7-8% in the past five years. With a slowdown in the economic growth in FY09, growth in construction GDP had also declined to 5.4% compared to the growth of 10.4% registered in FY08. In FY09, many manufacturing companies had deferred their expansion plans. Investment in the infrastructure projects had decelerated owing to the liquidity constraints. Also, many corporates were finding it difficult to achieve the financial closure of the projects. Imminent elections had put a halt on the awarding of new projects.

To revive economic growth, Gol announced its first stimulus package in the month of December 2008 which was followed by two more stimulus packages in the last quarter of FY09. The emphasis was given mainly to ease liquidity and liberalize the lending policies. Focus was given to increase the expenditure on infrastructure and provide funding to the long-term infrastructure projects in order to speed up the completion. Gol had authorized India Infrastructure Finance Co. Ltd. (IIFCL) to raise Rs. 40,000 crore through tax-free bonds to refinance bank lending for infrastructure projects in the Public Private Partnership (PPP) mode. Apart from this, IIFCL was allowed to provide takeout financing to banks so that they can lend to the long-term infrastructure projects.

Post election in early FY10, the government had been focusing on awarding projects under different infrastructure segments. Also, the quantum of projects being shelved/deferred in the industrial sector slowed down in the last fiscal. In FY10, the proportion of construction to GDP remained at about 8% and registered a growth of 7%.

In the last budget 2010-11, Gol continued the thrust on the infrastructure sector. Gol had allocated about Rs. 1.73 lakh crore (46% of the planned allocation) towards rural and urban infrastructure. To attract investments in infrastructure, Gol allowed an additional deduction of Rs. 20,000 to individuals by investing in long-term infrastructure bonds.

#### **Proposals in the recent budget 2011-12**

Gol has earmarked about Rs. 2.14 lakh crore towards rural and urban infrastructure development in the country which is almost 23% higher than previous year. It has increased budgetary support towards various critical infrastructure projects under Bharat Nirman by Rs. 10,000 crore to Rs. 58,000 crore. The corpus of Rural Infrastructure Development Fund (RIDF) has been raised to Rs. 18,000 crore for 2011-12 from Rs. 16,000 crore in the current year 2010-11. Further, to attract investments in the infrastructure sector Gol has taken following measures:

- To boost infrastructure development, tax free bonds to the tune of Rs. 30,000 crore proposed to be raised by Infrastructure Institutions. (Indian Railway Finance Corporation - Rs. 10,000 crore, National Highway Authority of India - Rs. 10,000 crore, HUDCO - Rs. 5,000 crore and Ports - Rs. 5,000.)
- Tax sops for investing Rs. 20,000 in long-term infrastructure bonds extended by one year.
- Foreign Institutional Investor (FII) limit for investment in corporate bonds issued by companies in infrastructure sector with residual maturity over five years has been raised up to US\$ 25 bn.
- FIIs allowed to invest in bonds of unlisted infrastructure Special Purpose Vehicles (SPVs) with a minimum lock in period of three years.

#### **Changes pertaining to key inputs**

##### **Cement**

- Custom duty on Gypsum and Coal is proposed to be reduced to 2.5%.
- Change in excise duty structure on cement & clinker as per the details given below:

EXCISE DUTY (Rs. per tonne)	PRE BUDGET	POST BUDGET
<ul style="list-style-type: none"> <li>• Retail               <ul style="list-style-type: none"> <li>○ Price below Rs. 190 per 50 kg bag</li> <li>○ Price above Rs. 190 per 50 kg bag</li> </ul> </li> </ul>	290  10% ad-valorem	10% ad-valorem + Rs. 80  10% ad-valorem + Rs. 160
<ul style="list-style-type: none"> <li>• Bulk</li> </ul>	290 or 10% ad-valorem whichever is higher	10% ad-valorem
<ul style="list-style-type: none"> <li>• Clinker</li> </ul>	375	10% ad-valorem + Rs. 200

##### **Steel**

- Export duty on iron ore lumps and fines increased to 20% from earlier 15% on lumps and 5% on fines.
- Customs duty on Stainless Steel Scrap abolished from the earlier 2.5%.

As per Gol, disbursements target of IIFCL is expected to be about Rs. 25,000 crore in FY 12. An attempt has been made to attract foreign funds towards infrastructure projects with long tenures which will lead to availability of long-term finance to the infrastructure companies. Gol has continued strong impetus on infrastructure development by allocating a significant portion of the planned allocation towards sectors like roads, power, ports, housing etc. which would result in momentum in order inflow for the players in the construction industry. However, increase in excise duty on cement through composite rates which is likely to be passed on to the consumers will increase the input cost for construction companies.

### Current snapshot

With the recovery in the economic growth and increased impetus of the government on infrastructure development, construction registered a strong growth of 9.6% on a yoy basis during the first half of this fiscal as against the GDP growth of 8.9%. In Q2 FY11, growth in construction slightly slowed down to 8.8% on a yoy basis compared to 10.3% in Q1 FY11. This was also on account of the typical lull of the construction season due to monsoon.

### GDP and Construction at the factor cost (at constant prices)

	GDP (Rs. Cr)	GDP growth (%)	Construction (Rs. Cr)	Construction as % of GDP
Q1 FY11	11,32,050	8.9	95,801	8.5

### IIP Vs construction

Apart from infrastructure projects, the construction industry also receives orders from different manufacturing industries to execute construction work for instance, building plants, installation & erection of equipment & machinery and other related civil construction such as laying roads or rail lines, canals, power transmission towers etc. The construction industry has been benefiting from the rise in industrial production for the past few years. The following chart shows the trend of IIP and aggregate quarterly income of major construction companies in the last four years.

### Trend of IIP & Income of construction companies

Base 1993-94 = 100

Considering the period of the past four years, IIP has shown a rising trend. The trend of income of construction companies has almost mirrored the trend of IIP in the last four years. This trend reiterates the correlation between the industrial activity and income of construction companies.

### Infrastructure

In the past few years, Gol has been focusing on improving the infrastructure in the country. This is reflected in the rising trend of the infrastructure investment as a percentage of GDP as shown in the following chart:

### Trend of infrastructure investment as a percentage of GDP

As per the planning commission, investment in infrastructure as a percentage of GDP has increased from 4.5% in FY04 to 7.5% in FY10. The following chart shows the trend of absolute investment in the infrastructure sector in the past few years:

## 2.2 Five Year Plans – Comparison

Investment in the infrastructure sector rose almost 2.8 times in the year 2009-10 as compared to that in 2001-2002. Infrastructure investment picked up pace in the Tenth Five Year Plan. During this period, investment in the infrastructure grew at a CAGR of 12%.

Total investment in the infrastructure sector during the Tenth Five Year Plan was estimated to amount to about Rs. 8,715 bn. The projected investment in the Eleventh Five Year Plan is estimated at 2.4 times the Tenth Five Year Plan level.

The proportions of investment planned in different sub-sectors of the infrastructure sector in the Eleventh Five Year Plan are more or less same as that in the Tenth Five Year Plan as shown in the following chart:

### Bifurcation of Investment across different sub-sectors of infrastructure

Source: Planning Commission

In the Eleventh Five Year Plan, Gol has put emphasis on removing bottlenecks in the transport sector to improve the trade. Investment proportions of port and airport sectors have increased in the Eleventh Five Year Plan. Even though, the proportions of road and railway sectors show a slight decline, the quantum of projected investment in these sectors is more than double compared to the anticipated expenditure in the Tenth Five Year Plan. Although, the share of the power sector has declined, it continues to be the priority area in the current Five Year Plan and is expected to witness the maximum chunk of the investment. Investment in the telecom sector is expected to increase by almost 2.5 times and is mainly expected to come from the private sector. Under water supply and sanitation, the thrust would be given on improving infrastructure in the urban areas. To keep the pace of agricultural growth in the Eleventh Five Year Plan, investment in the irrigation sector is also envisaged at about 2.3 times the investment in the previous plan.

### Investments planned in the Eleventh Five Year Plan

Gol has set an ambitious target to increase the proportion of the investment in the infrastructure sector to 9% of GDP by the end of FY12. Accordingly, estimated investment in the infrastructure sector during the Eleventh Five Year Plan would be more than Rs. 20,500 bn. The construction industry has the opportunity to capitalise on the massive order flow expected to come from the infrastructure projects. Bifurcation of the investment planned in the Eleventh Five Year Plan across different sub-segments of the infrastructure sector is as follows:

### Infrastructure Outlay - Eleventh Five Year Plan

Source: Planning Commission

Almost half of the investment planned is expected to flow into the road and power sectors. Investments in different sub-segments of infrastructure are expected to be achieved through a combination of public private partnership and exclusive private investments. This provides a huge

opportunity for the construction companies by sharing investments to participate in the rally of infrastructure development in the country.

### 2.3 Role of Private sector participation

Over the past few years, GoI has been promoting PPP to draw private sector resources and their techno-managerial efficiencies in critical infrastructure projects. Private participation ensures speedy completion of work and timely maintenance of the facility. Private players also benefit in the process by being a part of large-scale projects which have high potential to earn profits over a long period.

Over the past few years, central & state governments have been developing infrastructure projects through private sector participation. GoI has been successful in promoting the PPP in some key infrastructure sub-sectors like roads, ports, airports, power etc.

#### Investment by the private sector - Tenth Five Year Plan

Source: Planning Commission

As per the Planning Commission, India has witnessed total private investment to the tune of Rs. 1,722 bn across different infrastructure sectors during the Tenth Five Year Plan. Out of the total private investment in the Tenth Five Year Plan, highest investment commitment was witnessed by the power sector at 53% followed by the telecom sector at 32%.

#### Private sector participation in the Eleventh Five Year Plan

GoI has planned to increase investments in infrastructure to remove the bottlenecks and provide sustained growth momentum to the economy. However, providing for such a large investment, when deficits at both central and state levels are high, is a difficult task for GoI. The private sector has to play a vital role to bridge the gap to reach investment targets.

A strategy has been developed which involves a combined effort from the government and also the private sector. Increase in public sector investment in infrastructure as a percentage of GDP and increase in private sector investment through the PPP route is sought. The following table shows the targeted share of investments in infrastructure as a percentage of GDP by both public and private sectors:

#### Investments in infrastructure by public and private sectors

(% of GDP)	At the end of Tenth Plan	By the end of Eleventh Plan
Public Sector investment	4.2	6.4
Private Sector investment	1.2	2.9
Total	5.4	9.3

Source: CSO and Planning Commission

Out of total investment planned in the infrastructure sector during the Eleventh Five Year Plan, almost 30% is expected to be contributed by the private sector. In absolute numbers, private sector investment is expected to grow almost 3.6 times in the Eleventh Five Year Plan over the previous plan.

The proportion of investment from the central government in the overall investment is expected to decline from 46% in the Tenth Five Year Plan to 37% in the Eleventh Five Year Plan while that of state governments is expected to remain almost the same. Share of investment of the state governments will be prominent in two sectors, almost 90% in the irrigation sector and 67% in the water supply and sanitation sector. Share of investment of the central government will be dominant in the railway, port and airport sectors.

Investment in the irrigation sector will entirely be undertaken by the public sector. Likewise, investment in some other sectors like water supply & sanitation, road development in the rural areas and in some backward & remote regions would largely be provided by the public sector. In some other sectors like ports, airport and telecommunications, the major chunk of the investment of more than 60%, is expected to come from the private sector. The road sector is expected to see a marked improvement in private sector participation. The proportion of private investment in the road sector is expected to increase from 5% in the last Five Year Plan to almost 34% in the current plan. Along with the road sector, telecom, railways and port sectors are expected to witness an increase in the proportion of private investment during the current Five Year Plan. On the contrary, the proportion of the private investment in the power sector is anticipated to decline slightly. However, in absolute terms it is expected to almost double, compared to the Tenth Five Year Plan.

Going forward, to continue to attract large private investment, infrastructure projects will have to be structured on attractive commercial principals with transparent policies and a regulatory environment which still remains a challenge in front of government.

## 2.4 A peep into the Twelfth Five Year Plan

Thrust on the infrastructure development is expected to continue beyond the current Five Year Plan into to the Twelfth Five Year Plan. The Planning Commission has estimated that for the GDP to continue to grow at 9%, the proportion of investment in infrastructure is required to increase from targeted 9% in FY12 to 10.25% by the terminal year of Twelfth Five Year Plan in FY17. The following table shows the corresponding infrastructure investment in each year:

### Trend of anticipated infrastructure investment in the Twelfth Five Year Plan

Rs. bn	FY 12	FY 13	FY 14	FY 15	FY 16	FY 17
<b>GDP</b>	63,788	69,530	75,787	82,607	90,043	98,146
<b>Infra. as % of GDP</b>	9.00	9.25	9.50	9.75	10.00	10.25
<b>Infrastructure investment</b>	5,740	6,430	7,200	8,055	9,004	10,060
<b>Anticipated infrastructure investment in the Twelfth Five Year Plan – Rs. 40,750 bn</b>						

Source: Planning Commission

Using the top-down approach, the investment in the infrastructure sector is estimated at a massive Rs. 40,750 bn during the Twelfth Five Year Plan.

### 3. Road sector

#### 3.1 Overview of road sector

India has an extensive road network of 3.3 million kms – the second largest in the world. The country's roads carry about 65% of the total freight and 80% of the passenger traffic. The following table shows the bifurcation of the types of roads in the country:

##### Bifurcation of the types of roads in the country

Type	Kms	% of total
National highways	70,548	2.1
State highways	131,899	4.0
District roads	467,763	14.1
Rural & other roads*	2,650,200	79.8
<b>Total</b>	<b>3,320,410</b>	<b>100.0</b>

Source: National Highway Authority of India (NHAI)

\* includes Expressways

National highways serve as the arterial network across the country. Even though they constitute only 2% of all roads, they carry 40% of the road traffic. Moreover, only 12% of them have four or more lanes. In fact, the total length of expressways is just about 1,000 kms in the country. In contrast, a country like USA has the largest expressway network in the world, totaling to about 89,000 kms and China has the second largest at 54,000 kms. India's road density is 2.75 km per 1,000 people which is abysmally low as compared to a global average of 770 km per 1,000 people.

The Ministry of Road Transport and Highways (MoRTH) is responsible for formulating policies and overseeing the road sector in the country. MoRTH and National Highway Authority of India (NHAI) manage the national highways. At the state/district level, state governments, Public Works Departments (PWDs) and infrastructure boards have the responsibility of road development. Rural roads are under the purview of the Ministry of Rural Development (MoRD) and local authorities like Panchayat/Zila Parishad, whereas the urban roads come under Municipal Corporations. Road development programmes such as National Highways Development Programme (NHDP) - implemented by NHAI, Pradhan Mantri Gram Sadak Yojna (PMGSY) – implemented by MoRD and other state level projects are currently underway in the country.

#### 3.2 NHDP - Phase-wise status

Under NHDP, seven phases have been identified to develop the road network in the country. Under Phase I & II, NHDP is implementing its two flagship projects, Golden Quadrilateral (GQ- connecting four metros Delhi, Chennai, Kolkata & Mumbai) and North-South & East-West (NS-EW) corridors. NHDP involves the total investment of about Rs. 2,20,000 crore, covering construction & upgradation of more than 48,600 kms of the road length.

Phase	Details of NHDP
I & II	Four-laning of the GQ and NS-EW Corridors.
III	Four-laning of 10,000 kms high-density national highways.
IV	Two-laning of 20,000 kms of highways.
V	Six-laning of the four-lane highways of 6,500 kms comprising GQ and certain other high-density stretches.
VI	Development of 1,000 kms of expressways.
VII	Other highway projects (ring roads, bypasses, service roads etc).

Source: NHAI

Under NHDP, the GQ project is almost complete while about 75% of the work on NS-EW corridor is complete. The main focus of the Phase III is to improve connectivity between state capitals, high-density regions and tourist destinations.

#### Status of NHDP

NHDP projects	Total length (Km)	Already completed (Km)	Under implementation (Km)	Balance for award (Km)
GQ	5,846	5,811	35	0
NSEW	7,300	5,447	1,429	424
Phase III	12,109	1,968	5,374	4,767
Phase IV	14,799	0	765	14,034
Phase V	6,500	443	1,857	4,200
Phase VI	1,000	0	0	1,000
Phase VII	700	0	41	659
SARDP-NE	388	0	112	276
<b>Total</b>	<b>48,642</b>	<b>13,669</b>	<b>9,613</b>	<b>25,360</b>

Source: NHAI

Of the total NHDP, work on about 13,670 kms has been completed, while work on about 9,600 kms of road length is under progress. Across various phases of NHDP, more than 25,350 kms of roadways are yet to be developed.

Phase I and II of NHDP, were predominantly implemented through traditional construction contracts and the roads were mainly owned by NHAI. Private participation was not much involved in these two phases. The government has decided to furnish the ownership of new road projects to the private sector. Most of the contracts, Phase II onwards, are awarded on a Build, Operate & Transfer (BOT) basis.

### 3.3 Measures taken by government

To speed up the process and implementation of the road projects, GoI has taken various measures as follows:

- NHAI has decided to issue the Letter of Award (LoA) to the road developer after acquiring 80% of the land required for the project (which was previously after 50% of the land acquisition) and the rest 20% will be awarded within 90 days of allotment of the project. This will reduce the possibility of the project getting delayed after awarding the project.
- Concession period for long-term road projects was increased (concession period for long-term road projects is normally 20 years including a three-year construction period) - Cabinet Committee on Economic Affairs has extended a concession period of 10 projects, worth more than Rs. 12,000 crore, from an average of 20 years to 25-30 years.
- NHAI has increased the cost of the projects for which the Detailed Project Report (DPR) was prepared before CY 2007 by 20% and by 10% for the DPRs prepared in or post CY 2007.
- NHAI is empowered to accept a single bid - if they are considered reasonable. This will speed up the process of awarding projects.
- A pre qualification exercise has been made as an annual activity instead of a project-to-project basis.
- Removal of Clause 3.5.2 of Request For Qualification (RFQ) - previously this clause used to restrict bidding to top 5-6 bidders but removal of this will now ensure a greater level of participation.
- Traffic risk has been partially mitigated by a provision to increase the concession period by 1.5% (subject to a maximum of 20%) for every 1% shortfall in traffic.
- The exit clause has been modified. As per the new clause the developer or a concessionaire is allowed to sell the entire stake in Special Purpose Vehicles (SPVs) after two years from the commercial operations date (COD) (subject to lenders approval) whereas before the amendment, the concessionaire was suppose to maintain a 26% stake in the project until the end of the concession period. This will limit the risk of the concessionaire.
- Relaxation in termination provisions - if traffic exceeds the designed capacity for a stretch of four years, NHAI would commission a report for capacity augmentation and the concessionaire will be given an opportunity to expand. To make the project viable for the concessionaire, he will be offered an extension of the concession period (upto five years) to ensure that the concessionaire earns an Internal Rate of Return (IRR) of 16% on the proposed incremental investment.
- Viability Gap Funding (VGF) has been raised up, to a maximum of 40% of the project cost (throughout the concession period including the construction phase).

Allowance of real estate development alongside highways can provide an opportunity to earn extra revenue apart from collecting toll. This eventually can lead to toll-free roads as developers can earn revenue from the real estate developed.

### 3.4 Key road projects awarded in last two fiscals

In the last two years, projects under NHDP have not witnessed much progress as very few contracts have been awarded. As per NHAI, the rate of road development (in kms added per day) has witnessed a declining trend in the last three financial years.

Out of 50 bids placed in FY09, NHAI received a positive response for only 22 projects and subsequently NHAI was able to award only eight projects in FY09. On account of the financial crisis and unfavorable policies, the process of awarding road contracts had lost pace. However in FY10, the process of awarding road projects caught pace and NHAI was able to award about 36 projects under PPP.

#### Key road projects awarded in FY09 & FY10

Gol is expected to open the bids for more than 25,000 kms of roads under NHDP in next 3-4 years. Gol has provided a strong budgetary support for road development this year. Allocation to the road sector has been increased by 13% to Rs. 199 bn for year 2010-11.

## 4. Power sector

### 4.1 Overview of the power sector

India is one of the largest power-generating hubs in the world. The power-generation capacity of the country has increased from 1,362 MW in 1947 to 159,399 MW by the end of FY10. As at the end of December 31, 2010, the country has a power-generation capacity of almost 170 GW. The following table gives the bifurcation of the power-generation capacity through different routes as on December 31, 2010:

#### Bifurcation of power generation capacity through different routes

Power generation route	Capacity (MW)	Percentage
Hydro	37,367	22.0
Thermal	1,11,035	65.4
Coal-based	92,378	54.4
Gas-based	17,456	10.3
Diesel-based	1,200	0.7
Nuclear	4,560	2.7
Renewable	16,787	9.9
<b>Total</b>	<b>1,69,749</b>	<b>100.0</b>

Source: Central Electricity Authority (CEA)

In addition to this, there exists a captive generation capacity connected to the grid which is more than 19,500 MW. Out of total the power-generation capacity, the states account for the largest share of installed capacity followed by central & private sectors. State-owned utilities contribute highest of about 49% of the total capacity, central utilities contribute 31% and the rest is contributed by the private sector.

#### Sector-wise bifurcation of the installed power generation capacity

#### 4.2 Demand and Supply situation of power in the country & Plant Load Factor (PLF)

India's per capita power consumption is on a rising trend. In the period FY03-09, the per capita power consumption in the country has risen from 567 Kw-hr to 734 Kw-hr, registering a CAGR of 4.4%.

##### Per capita power consumption

The targeted per capita consumption by the end of the current Five Year Plan (2011-12) is as high as 1,000 Kw-hr.

#### Trend of PLF

December 10

\* till

PLF of a power generating plant has been consistently improving in the last few Five Year Plan periods.

India is still facing a huge power deficit. The demand-supply gap in the energy requirement has increased from 6.7% in the Sixth Five Year Plan to 9.9% by the Tenth Five Year Plan. In the current Five Year Plan, the power deficit has further increased to a level of about 12% in FY10. The following chart shows the trend of a demand-supply gap in the energy requirement in last few Five Year Plans:

\* at the end of FY10

In the current fiscal, the average peak power deficit in the country is about 11%.

### 4.3 Power-generation capacity addition

The power-generation capacity addition in the country has not able to keep pace. During the Tenth Five Year Plan, GoI had planned to add about 41,110 MW of power-generating capacity. However, the country could achieve about 27,284 MW of capacity addition. During the Eleventh Five Year Plan, GoI has set an ambitious target of adding 78,700 MW of capacity.

#### Target power generation capacity addition – Eleventh Five Year Plan

	Hydro	Thermal	Nuclear	Total
<b>Capacity (MW)</b>	15,627	59,693	3,380	78,700
<b>(%)</b>	19.9	75.8	4.3	100.0

Source: CEA

During the first four fiscals of the Eleventh Five Year Plan, the target for capacity addition has been broadly missed, as only about 32,000 MW (upto December 2010) of capacity has been added in this period. Capacity addition planned during FY10 was about 14,507 MW, against which the country has witnessed a capacity addition of about 9,585 MW. During first nine months of FY11, only 9,731 MW of capacity was added as against the target of 21,441 MW. The following table gives details of generation capacity addition during the last three fiscals:

#### Capacity addition – Target Vs Achieved

FY09				
(MW)	Hydro	Thermal	Nuclear	Total
Target	1,097	9,304	660	11,061
Achievement	969	2,485	0	3,454

2010

\* upto December

By the end of the current Five Year Plan (2011-12), per capita consumption is expected to rise as high as 1,000 Kw-hr. GoI has given the highest priority to increase the power-generation capacity to bridge the gap between the demand and supply in the country. Various opportunities to facilitate increase in power-generation capacity in the country include - untapped hydel power potential of 150,000 MW, renovation/modernisation of old thermal and hydro power plants, increased private participation through Ultra Mega Power Plants (UMPPs) and development of coal-based plants at coastal locations, natural gas/Compressed Natural Gas (CNG)-based turbines near gas terminals etc.

#### 4.4 Power Transmission & Distribution ("T & D")

India's power transmission lines have grown from 3,708 circuit kilometers (ckm) in 1950 to about 227,885 ckm till March 2010. During FY11 (till December), the country has added about 10,056 ckm of transmission lines. Power Grid Corporation (PGC) is the government agency responsible for planning and developing the inter-regional power transmission network across the country.

The investment in the transmission and distribution sector had been lagging compared to that in power generation. Due to lack of core investment, the current transmission network in the country has been formed by interconnecting relatively smaller networks across different states. As a result, the current T & D system is burdened to about 90% of its capacity which is much higher than the global standards. Due to these deficiencies, power losses in the T & D system are at substantially higher levels. The following chart shows the trend of T & D losses over past few years:

**Trend of Transmission & Distribution losses**

Source: CEA

GoI is focusing on developing a transmission network to facilitate inter-regional transfer of power and also trading of merchant power. During the Eleventh Five Year Plan, GoI has set a target of enhancing the inter-regional power-transmission capacity to 37,000 MW. It is also targeted to increase the network of transmission lines to about 293,000 ckm by the end of CY 2012. The work to create a countrywide power transmission grid is catching pace. GoI is also focusing on PPP in the power transmission sector. GoI has identified over a dozen of transmission projects to hand over to the private sector.

#### 4.5 Private participation & government initiatives

GoI has provided lot of fiscal incentives to promote power generation in the country like customs duty on import of capital goods for mega power projects is reduced to zero, income tax holidays for generating plants, increased External Commercial Borrowing (ECB) limits, deemed export benefits to domestic bidders etc.

GoI has also initiated the Accelerated Power Development and Reform Programme (APDRP) in 2000-01 to improve efficiencies and the financial health of the power sector. Through revised APRDP, funds are made available directly to the utilities rather than through state governments. To

facilitate investment in the power sector, GoI has allowed 100% Foreign Direct Investment (FDI) in the power sector. FDI inflows in the power sector have increased in the past couple of years.

#### FDI inflow in the power sector

Source: Ministry of Power

#### UMPPs

The major chunk of the private investment in the power sector is expected to come through UMPPs. GoI has identified the development of nine UMPPs of 4,000 MW each. Cost of each project has been estimated at about Rs. 16,000 crore. Power Finance Corporation (PFC) is the nodal agency for setting up the SPVs for these projects. PFC is responsible for facilitating the land acquisition, securing coal blocks, bidding process, clearances and approvals etc. Through tariff-based competitive bidding, a successful bidder is finalised who then takes over an SPV from PFC.

Five coastal sites have been identified for these projects. Out of the total nine UMPPs, four projects have been awarded to private players. Out of two coastal sites, Mundra in Gujarat is awarded to Tata Power and Krishnapatnam in Andhra Pradesh is awarded to Reliance Power belonging to the Anil Dhirubhai Ambani Group (ADAG). Reliance Power has bagged three UMPPs. Out of four pithead sites identified, Sasan in Madhya Pradesh and Tilaiya in Jharkhand have been awarded to Reliance Power. The first UMPP in Mundra is expected to be commissioned by CY 2012.

Apart from UMPP, there are various opportunities across the entire gamut of the power sector. Many private players are focusing on independent power generation and captive power generation. Also, a greater number of private players are expected to enter the distribution sector.

### 5. Real Estate sector

#### 5.1 Overview of the Real Estate sector

The real estate sector in India is highly fragmented with many regional players, who have a significant presence in their respective local markets. The sector is one of the largest employers providing employment across various skill sets thereby significantly contributing to the overall economic development. Though unregulated, this sector is directly affected by changes in government policies like Floor Space Index (FSI), related regulations and any changes in the approvals required for the projects from various government bodies, usually at the state level. Highly correlated with the economy, the growth of the sector is supported by favorable demographics, increasing urbanization, availability of finance and rising income levels.

The key risks associated with the real estate sector are mainly the cyclical nature of the business, interest rate fluctuations and changes in government policies. Any reversal in the economic cycle, fall in demand as a result of excessive increase in prices and/or increased supply affects the cash flow of the developers. Besides, the adverse movement in interest rate affects the real estate players in both ways by hampering the demand as well as increasing the cost of construction. Transparency in real estate transactions is always questioned. The recent unveiling of the loan scam has again highlighted the transparency issues and the weak corporate governance practices.

The demand for the real estate sector can be categorized mainly into three segments viz. residential, commercial and retail. While demand for residential space is determined by a combination of factors such as property price trend, individuals' income levels, interest rates and the employment market scenario, the demand for the retail and commercial segments is directly correlated to the state of the economy.

The prices of residential, office and commercial properties had shot up considerably during the period FY06-FY08, led by increase in demand, overall economic development as well as substantial funds available from foreign investments. Thereafter, many negative events like the global slowdown, drop in demand, especially in the commercial and retail segments and tight liquidity conditions led to a severe downturn in the real estate industry in FY09. Consequently, the developers were holding large inventories and the overall liquidity crunch further led to the debt trap.

However, the Government's efforts to support the real estate sector gave the much-needed liquidity to the sector. Reduced home loan rates, excise duty cuts on steel and cement, extension of tax benefits and improved economic outlook etc provided a breather to the real estate sector during FY10.

## 5.2 Brief on key segments – Residential, Retail and Commercial

### ***Residential Segment***

Demand in the residential segment was mainly driven by rising population, increasing trend of urbanisation, in past few decades. Since FY 51, country's population living in urban region has been estimated to increase from about 17% to almost 28% in FY 2010.

Source: CMIE

Moreover rising income levels of a growing middle class, nuclearisation of families and tax incentives provided momentum to the demand for housing.

Source: CMIE

During CY 2007, booming economy and increased income levels kept the demand in the residential segment buoyant. This was the time when most developers embarked on high-margin premium housing projects. However, increased interest rates, fear of job loss and anticipation of fall in property prices, reduced the demand during the slowdown in FY09. During the period January 2008 till the mid of 2009, the residential real estate prices across the country declined on an average by over 25-30% from their peak levels. Demand for the premium segment dried up. The industry faced a demand supply mismatch as not many projects catered to the existing demand for affordable housing. Consequently, many developers launched affordable housing projects and went for smaller unit sizes in the existing projects to make the offerings more affordable.

Post the economic downturn, the sector showed signs of recovery in both volumes as well as property prices, with prices of residential units registering a sharp rise. In case of the residential segment, the demand revived after June 2009. Buyers showed renewed interest in the housing market, on the back of decline in prices, lower interest rates and a gradual improvement in the economic scenario. After the second half of FY10, the real estate sector witnessed revival of demand in the premium segment as well. With improved demand, developers resorted to an increase in prices. In some areas, the prices almost retreated to the previous peak levels observed during FY08. However, the prices have now shown stagnation and volumes have dropped. Buyers have fled from the market as current prices are perceived to be very high.

### **Commercial Segment**

During CY 2007, demand for commercial real estate was mainly driven by the flourishing services industry especially the IT-BPO sector. Besides, various sectors saw an easing of FDI norms that further generated demand in the office space segment. As the supply was low compared to the demand, rentals witnessed considerable upward movement. However, with the beginning of the global meltdown in CY 2008, the scenario changed dramatically. Demand plummeted due to the economic slowdown; companies either shelved or deferred their expansion plans. Due to increased vacancy and fall in lease rentals by about 30-40%, developers were forced to either suspend their projects or convert them into residential projects.

The commercial real estate market, mainly in Tier I cities, showed signs of revival late in CY2009 on the back of demand from the financial services sector and recovery in IT and retail sectors. There was a pick-up in leasing activity with the economy regaining momentum and an improvement in liquidity. Although the demand has revived, many micro-markets still face a situation of oversupply.

### **Retail segment**

Organised retail was the buzzword in the year 2007. Growth in the retail industry along with the entry of foreign players drove the demand for retail real estate during FY07-08. However, retail was one of the hardest hit sectors during the downturn. As consumer spending reduced, the revenue as well as profitability of the retail players was hit. They in turn deferred their expansion plans forcing the developers to either delay their projects or scrap them entirely. During CY2009, the vacancy rate

increased to about 20% in Mumbai as well as the National Capital Region (NCR). During this period, lease rentals witnessed a fall by around 30-40%. To improve occupancy levels, many developers opted for revenue sharing models (along with a provision of minimum guaranteed rental) as against the fixed rental models.

With the improved economic scenario, the demand in the retail segment has improved since the first quarter of CY2010. However, an oversupply situation still exists. Therefore, lease rentals, which have remained stable, are unlikely to go up in the near future.

## 6. Outlook

### 6.1 Outlay in Infrastructure sector

Investment in the infrastructure sector plays a crucial role in the growth of the economy of the country and in turn the construction industry. GoI has set an ambitious target of increasing the proportion of infrastructure investment to about 9% of GDP by the terminal year of the Eleventh Five Year Plan. The construction industry has the opportunity to capitalise on the massive order flow expected to come from the infrastructure projects.

The following chart shows the trend of expected investment in different sub-sectors of the infrastructure sector:

**Bifurcation of expected investment in different sub-sectors of the infrastructure sector**

Source: Planning Commission

Majority of the investment planned in the infrastructure sector is expected to flow into the road and power sectors.

GoI had set a target of adding 78,700 MW of power-generation capacity in the Eleventh Five Year Plan. Out of this target, only about 32,000 MW of capacity has been added in the first four years (till December 2010) of the current Five Year Plan. Accordingly, GoI has given the highest priority to increase the power-generation capacity in the country.

In line with the target of developing 20 kms of road everyday (as against the current 4-5 kms per day), the road sector is also one of the key focus areas. NHAI, under NDHP, is likely to award projects to the tune of about Rs. 1,950 bn in the period of next three to four years.

### Effective construction investment from the infrastructure sector

CARE Research has estimated the effective investment expected to come into the construction sector based on the construction intensity of projects in different infrastructure segments. The following table shows the bifurcation of estimated investment across different segments of infrastructure in the next two years and the corresponding effective construction investment:

## Bifurcation of estimated investment across different sectors

Rs. Billion

Infrastructure Sector (FY 11-12)	Proposed Investment	Construction Intensity (%)	Effective Construction Investment
Power	3,415	38	1,298
Roads	1,873	63	1,180
Railways	1,432	78	1,117
Telecom	1,322	20	264
Irrigation	1,211	80	969
Water supply & sanitation	771	66	509
Ports	550	50	275
Aviation	220	40	88
<b>Total</b>			<b>5,700</b>

Source: Planning Commission, Construction Industry Development Council (CIDC) and CARE Research

The proposed infrastructure investment during the period FY11-12, could potentially translate into an effective construction investment of about Rs. 5,700 bn.

## 6.2 Power sector& effective construction investment

India is facing huge power deficit, the peak power deficit has reached the level of almost 12% in FY10. Gol will have to focus on spending a major portion of the infrastructure expenditure towards the power sector in the coming years. Gol has set an ambitious plan to add 1,00,000 MW of power-generation capacity in the Twelfth Five Year Plan. Power-generation capacity addition in the last three five year plans has not been very encouraging. The country has failed to achieve the targets by significant differences in the past few plans.

### Plan-wise power generation capacity addition: Target Vs Achieved

Source: CEA & CARE Research

The success ratio was in the dismal range of 47% to 54% in Eighth to Tenth Five Year Plans. Reasons for the slippage in the target have been identified as shortage of equipment, delay in land acquisition & environmental clearances, financial constraints, manpower shortage etc. Even in the current plan, the success ratio was about 53% during the first three years and is expected to remain in the range of about 55-57% in the last two fiscals.

### Private sector to play a crucial role in power capacity addition

Share of the private sector in the total installed capacity has grown from 4% in 1990 to 13% till the end of Tenth Five Year Plan. Out of 159 GW of generation capacity as on March 2010, the proportion of the private sector has risen to about 18%. Considering the yearly capacity addition, the share of the private sector has increased from 8% in FY08 to 45% in FY10. The government has estimated that almost 60% of the capacity addition in the Twelfth Five Year Plan will be contributed by the private sector.

The government has taken various reforms to encourage private sector participation like trading of power, allocation of captive coal blocks etc. The private sector, through UMPPs and other independent power projects, is expected to participate in a big way to achieve the mammoth target set by Gol. Private sector companies have announced a plethora of new projects in the power sector. Currently, the capacity addition announced by the private sector companies has aggregated to more than 100 GW. Out of this planned capacity, almost 30,000 MW is under construction and projects of about 75,000 MW of capacity addition are outstanding. Adding to this, the capacity addition planned as by the central and state sector utilities, the power sector has total outstanding capacity addition projects aggregating more than 100 GW. The construction sector is expected to witness a flurry of orders from the power-generation segment. Assuming the success ratio of 60% in the Twelfth Five Year Plan, it is estimated that the construction investment corresponding to the capacity addition of about 45,000 MW for thermal power and 15,000 MW for hydro power.

Construction companies get orders for civil/structural work and Balance of Plant (BoP) work for a power plant project. The construction component accounts for about 30% to 65% of the total project cost depending on the type of the power project. The following table shows the respective project cost, the construction component and corresponding investment:

<b>Thermal Power project</b>	
Cost per MW	Rs. 5 crore
Civil/Structural/BoP work	30%
Construction component per MW	Rs. 1.5 crore
<b>Total construction component for 45,000 MW</b>	<b>Rs. 67,500 crore</b>
<b>Hydro Power project</b>	
Cost per MW	Rs. 7 crore
Civil/Structural/BoP work	65%
Construction component per MW	Rs. 4.6 crore
<b>Total construction component for 15,000 MW</b>	<b>Rs. 69,000 crore</b>

Source: CARE Research

From the power generation segment alone, construction orders worth almost Rs. 1,370 bn are expected to flow to the construction sector in the next 3-4 years. Even the power transmission capacity is projected to increase from the current level of 20,750 MW to about 37,000 MW which will further enhance the level of investment in the Transmission & Distribution (T&D) segment. This massive investment in the power sector is expected to keep the momentum of the order inflow to the construction sector.

### 6.3 Road sector & effective construction investment

Gol has launched NHDP to develop and upgrade the national highways in the country. NHDP involves the construction & upgradation of more than 48,600 kms of the road length. Out of this, work on about 13,670 kms has been completed. In the last two fiscals, the number of road projects awarded was not very encouraging due to the slowdown in the economy, financial crisis and unfavorable policies. In FY09 only eight road projects were awarded which then improved to 36 in FY10. Across various phases of NHDP, more than 25,350 kms of roadways are yet to be developed. The following table shows the phase-wise projects to be awarded and the corresponding investment:

#### Phase-wise expected investment in the road sector

Phase	Balance length to be awarded (kms)	Cost per Km (Rs. crore)	Expected investment (Rs. bn)
I & II	424	10	42
III	4,767	10	477
IV	14,034	5	702
V	4,200	10	420
VI	1,000	15	150
VII	659	20	132
SARDP-NE	276	10	28
<b>Total</b>	<b>25,360</b>	<b>-</b>	<b>1,950</b>

Source: NHAI and CARE Research

NHAI, is likely to award the projects to the tune of more than Rs. 1,950 bn in the period of the next 3-4 years. Considering the construction component, potential orders worth about Rs. 1,300 bn are expected to flow to the construction sector.

To develop the express highways, the Ministry of Highways has proposed to set up a National Expressway Authority of India on the lines of the NHAI. This authority will be responsible only for the development of express highways across the country. The building of expressways is expected to involve a much higher level of investment of about Rs. 20-25 crore per km. Apart from this, the development of rural roads and the upgradation of old roads will also throw large opportunities to the construction industry.

Gol intends to involve private players in road development and furnish ownership of road projects to them in contrast to their mere involvement through construction contracts. Accordingly, most of the contracts, Phase II - NHDP onwards are awarded on a BOT basis. A shift from the traditional cash contracts to the BOT toll and annuity projects has thrown an opportunity for the construction companies to participate in the rally of road development in the country. To encourage the private participation in the road sector, the Ministry of Road has taken various steps in the past few years. Relaxation of land acquisition norms, providing cost overruns and increase in concession period are some of the initiatives taken by the Ministry in the recent times. NHAI has decided to provide almost 80% of the land acquisition before awarding the project. This will not lead to any time overrun and ensure optimum utilisation of equipment/manpower and guarantee no revenue loss for the construction companies in case of PPP projects.

#### 6.4 Opportunity from the Industrial Sector

##### Outstanding investments in the Industrial sector

As on March 31, 2010, the total outstanding investment in the industrial sector stood at about Rs. 27,000 bn. Of the total outstanding investment in the industrial sector, about 45% of the projects are under implementation for which contracts have already been awarded to the construction companies. In order to estimate the effective investment likely to flow to the construction industry, CARE research has omitted the investments corresponding to the projects which are already under implementation from the total outstanding investment to arrive at the investment on the board.

The following table depicts the expected investments on board across different manufacturing sectors as at the end of March 2010 and the corresponding effective investment which can flow to the construction industry based on the construction component.

##### Construction opportunities from Industrial sector

Sectors	Investments on Board	Rs. Crore
		Construction component
Iron & Steel	7,26,845	1,45,369
Non-ferrous metals	34,589	6,918
Oil & Gas (including Petroleum products)	2,79,191	55,838
Chemicals	103,640	20,728
Fertilisers	24,363	4,873
Drugs & pharmaceuticals	11,951	2,390
Machinery	106,406	21,281
Mining	50,090	10,018
Non-metallic mineral products	16,723	3,345
Cement	79,690	15,938

Automobile	16,990	3,398
CV	3,530	706
Passenger cars & MUVs	6,135	1,227
Two & three-wheelers	4,459	892
Other transport equipment	2,866	573
Automobile ancillaries	4,418	884
Food & Beverages	26,231	5,246
Textiles	17,040	3,408
Miscellaneous Manufacturing.	6,198	1,240
Paper & Paper Products	9,768	1,954
<b>Total</b>	<b>15,14,133</b>	<b>3,02,827</b>

Source: CMIE and CARE Research

CARE Research has estimated the effective construction investment by considering the construction intensity of 20% on an average across all the industrial projects. Correspondingly, industrial investment could potentially translate into the effective construction investment of more than Rs. 3,000 bn. Owing to low construction component in case of industrial projects, investment getting translated into effective construction investment is not high as compared to the infrastructure sector.

## 6.5 Brief outlook on the Real Estate Sector

After emerging from the slowdown, the economy is on a high growth trajectory which is bound to help the growth in the commercial as well as retail segment of the real estate sector. Besides, there is huge unmet demand in the case of low-cost as well as affordable housing driven by the rapid urbanisation. The demand in this segment is sustainable as witnessed during the downturn with affordable housing being the sole product in real estate which led the recovery. Slum rehabilitation also provides immense opportunity to the developers in the cities. Apart from good growth prospects, transparency is also bound to improve with the participation of foreign investors as well as entry of some of the big corporate houses. Therefore, players with a strong balance sheet and better corporate governance practices would not find it difficult to tide through the rough phases and grow along with the economy.

## BUSINESS OVERVIEW

We are a construction company predominantly engaged in the business of infrastructure development and civil construction. We are a fast growing company that provides integrated engineering, procurement and construction services. We believe in providing high quality and innovative projects on a timely basis. We undertake projects for various Government / semi-government bodies and other private sector clients. Our Company is headquartered at Nasik, Maharashtra and has operations across the state of Maharashtra.

We focus on the following segments of construction:

- Infrastructure development; including construction and maintenance of roads / highways, bridges, including projects on public private partnership (PPP) model, industrial parks, work-shops, hospitals, educational institutions;
- Civil construction; including, Government staff quarters, hostel buildings and auditoriums;
- Residential and commercial real estate construction

Our Company is registered as Class 1A contractor with the Public Works Department, Government of Maharashtra; wherein we can bid for a range of contracts without restriction on any cost parameters. Further, our Company is also registered with other Government/semi-government bodies to bid for various types of construction projects.

### **Highlights of key projects undertaken by us**

- Construction of dwelling units at Indian Army Station, Deolali (Maharashtra), a project awarded by NBCC (National Building Construction Corporation), New Delhi;
- Construction of Cancer Hospital and Research Centre at Aurangabad (Maharashtra), a World Bank project awarded by Public Works Department, Aurangabad;
- Construction of factory buildings and shed for Islampur Integrated Textile Park Private Limited, Sangli (Maharashtra);
- Construction of 'Police Training School' together with related infrastructure and amenities at Sangli (Maharashtra) awarded by Maharashtra State Police Housing and Welfare Corporation, Mumbai. This campus was accredited as the first green campus project in the country and awarded 'Four Star rating' by the Association for Development and Research of Sustainable Habitats. The Company was also awarded 'CIDC (Construction Industry Development Council) Vishwakarma Award' for this project by CIDC, a body set-up by The Planning Commission of India jointly with the Indian Construction Industry.

In addition, the Company has been honored by 'Builders Association of India' for 'Best Building of the Year-2006-07' under 'Institutional Building' category, for construction of 'College of Engineering NDMVP SAMAJ - Nasik' project. The Company has done specialized foundation work for the 'Grand Pagoda' situated at Gorai, Mumbai.

Our Income from operations on a consolidated basis as per the restated financials has grown from ₹ 2,745.78 lakhs in the year 2007-08 to ₹ 11,340.58 lakhs in the year 2009-10 and ₹ 10,103.07 lakhs for the nine months period ended December 31, 2010 exhibiting a compounded annual growth rate of 103.23% over the period of past two financial years.

Our Profit after tax on a consolidated basis as per the restated financials has grown from ₹ 314.67 lakhs in the year 2007-08 to ₹ 769.54 lakhs in the year 2009-10 and ₹ 741.90 lakhs for the nine months period ended December 31, 2010 exhibiting a compounded annual growth rate of 56.73 % over the period of past two financial years.

### **Our Strengths**

- **Experienced management and a well trained employee base**

Mr. Prakash P. Laddha, our Promoter and Whole Time Director, has over three decades of entrepreneurial experience in the infrastructure and construction industry and is a first generation entrepreneur. Mr. Krishnan G. Trichur, our Managing Director has over 40 years of experience, including experience into infrastructure industry. Our management team also plays an instrumental role in decision making process considering their vast experience in the construction industry. We believe we have a well qualified and experienced employee base, which is responsible for the growth in our business operations.

- **Successfully completed a number of projects awarded by Government / semi-government bodies**

The Company has over 15 years of experience in the construction industry and has executed many projects for Government and semi-government agencies. Due to our focus on quality and timely execution of projects, we have earned repeat orders from our clients like Public Works Department and Maharashtra State Police and Housing Corporation to name a few. The experience that we have gained over the years and our understanding of the business, among other factors, enables us to pre-qualify for the bids we participate in.

- **Successfully completed BOT project by way of PPP model**

We have successfully executed BOT project at Arni, Yeotmal on Public-Private Partnership (PPP) model. The project included construction of by-pass road and widening of several bridges in between Arni to Mahagaon, Yevatmal along with construction of new bridge on Nagpur-Bori-Tuljapur Road. We have also developed a commercial complex at Arni, Yeotmal for MSRTC. Successful completion of the BOT project and our extensive experience in construction, operation and maintenance of highways, roads and buildings would enable us to capitalise on the opportunities available in this growing sector of the Indian economy.

- **Diverse order book**

We have, over the years, leveraged our civil construction expertise in diverse segments of the construction and infrastructure industry such as roads, bridges, buildings and industrial parks. As of March 1, 2011, our order book, was ₹ 11,720.7 lakhs and is spread across the construction sectors in which we operate. Each of these construction activities requires specific skill sets and experience which have been developed by our Company for the timely execution of the projects in these sectors. The below chart explains the kind of construction projects we are going to execute in near future.

We believe that the size and diversification of our order book may enable us to sustain our financial condition and results of operations through difficult economic climate and reduce our dependence on any particular segment and negate cyclical risks associated with the provision of construction services

to a particular industry or sector. Successful execution of the projects in our order book will, we believe, enhance our reputation and provide us with a competitive advantage.

- ***Technical expertise and vast industry experience***

The Industry in which we operate demands high level of skill sets. We have qualified and trained employees consisting of project managers and supervisors, technical staff and non-technical staff. We benefit from a well-qualified workforce which has assisted in the implementation of our business strategies in the past. Our supervisors are skilled in terms of technical expertise and experienced to handle our contracts. This gives us the ability to serve the needs of our clients and execute the technical requirement of diverse projects that we undertake. Experience gathered over the years by our management team backed by on-the-job training ensures that we meet the highest standards of quality and workmanship in a cost effective manner while strictly adhering to committed timelines in delivery. We believe that our expertise in project implementation and commitment of our project managers and their support team provides us with a competitive edge over others.

- ***Track record of timely completion of Projects***

It is critical in the construction industry that projects are completed as per contracted schedule. We have a track record of timely execution of the projects which minimizes cost overruns and eliminates any possibilities of penalties and liquidated damages, while earning repeat orders from our clients. We have never been penalized for delayed execution of a project.

- ***Continuous growth in our bid capacity and pre-qualification capability***

Our business and growth are dependent on our ability to bid and secure large and varied projects. Bidding for infrastructure projects is dependent on various criteria; including bid capacity and pre-qualification capability. Bid capacity represents the aggregate value of the contracts that can be awarded to us, and is computed based on pre-defined criteria of various authorities. Pre-qualification capability includes various factors such as the technical capability, financial capability and past experience in similar projects. We have focused on improvising these parameters and continuously increased our bid capacity. Our total revenues on standalone basis as per restated financials have increased from ₹ 1,543 lakhs in FY 2005-06 to ₹ 11,498 lakhs in FY 2009-10, indicating compounded annual growth of 65.22 % over the last 4 years. Our standalone net profits as per restated financials have increased from ₹ 51 lakhs to ₹ 716 lakhs indicating a compounded annual growth of 93.35 % over the past four financial years. The below chart will provide an overview of our growth and the type of works executed by us over the past three years and nine months ending December 31, 2010.

- ***Integrated business model***

We are able to undertake all the activities related to a construction projects in-house, from tendering for the project to the execution of the same. This helps to ensure timely completion of project; reduces our reliance on sub-contractors and decreases our cost. We prepare all tendering documents and have dedicated planning and project management team. We have an experienced team and fleet of construction equipments to construct and maintain the project. Our integrated structure also enables us to bid for a project with confidence in our ability to complete and operate the same on a profitable basis.

### **Our Business Strategy**

We intend to continue to provide high quality services to our clients and grow our business by leveraging our strengths and implementing the following strategies.

#### **1. Continue to enhance our project execution capabilities**

We intend to continue our focus in enhancing project execution capabilities so as to derive twin benefits of client satisfaction and improvements in operating margins. We will constantly endeavor to leverage our operating skills through our latest equipment and project management tools to increase productivity and maximize asset utilization in our capital intensive projects. We believe that we have developed a reputation for undertaking challenging construction projects and completing such projects in a timely manner. We intend to continue our focus on performance and project execution ability in order to maximize client satisfaction and margins. We continue to optimize operating and overhead costs to maximize our operating margins. To facilitate efficient and cost-effective decision-making, we intend to continue to strengthen our internal systems. Our ability to effectively manage projects will be crucial to our continued success as a recognized infrastructure company. We believe that we are able to distinguish ourselves from our competitors because of our management strength and in-house development, construction, operation and maintenance capabilities. We intend to continuously strengthen our execution capabilities by adding more engineers, attracting professionals, and facilitating continuous learning with in-house training opportunities.

#### **2. Strengthening our position in the civil construction space**

We believe our ability to undertake a wide range of civil construction projects, including, educational institutes, hospitals, corporate offices and residential and commercial projects provides us with a unique opportunity. In order to increase our market share and achieve a balanced revenue stream that is spread across various segments, we intend to pursue technically complex projects in the civil construction sector, including PPP projects.

### **3. Target specific high potential projects in infrastructure and real estate segments**

We intend to concentrate on projects where we believe there is high potential growth and where we enjoy competitive advantage. We believe that our expertise and experience in development, operation, and maintenance of road infrastructure projects, civil construction for Government bodies and real estate construction will provide us with an advantage in pursuing growth opportunities in this fast growing sector.

We intend to associate with larger, technically more complex projects by leveraging, among other things, our prior experience in infrastructure projects and our equipment base. The high entry barriers for bidding for large order size projects and the resulting decreased competition to bid for and undertake such projects makes this an attractive sector in which to participate. While working on higher value projects may have associated risks, such projects also enable us to reduce operating costs and expenses and benefit from potentially higher margins.

### **4. Bid for, win and operate projects on Public-Private Partnership (PPP) Model**

The Government has planned for a number of projects on a BOT/BOOT/BOLT or annuity basis. We believe that such projects will become increasingly more prevalent in the coming years because of the Government's reliance on the public-private partnership (PPP) model. BOT/BOOT/BOLT or annuity projects generally provide better operating margins because of the added overall control of project costs that can be exerted by the contractor. Additionally PPP projects offer the possibility of Government assistance to the contractor by virtue of better than anticipated use of the asset. We intend to take up BOT/BOOT/BOLT/ or annuity projects by leveraging our technical and financial credentials, which we believe will be improved by the strengthened balance sheet that we expect to have following the Issue. Such a balance sheet should allow us to take on more projects, including BOT/BOOT/BOLT and annuity projects on our own. It will also increase our ability to form strategic alliances with corporate developers and financial institutions, which we intend to do more of, on a project-by-project basis enhancing our prospect to bid for and execute such projects.

### **5. Leverage our expertise and focus on new territories**

We intend to continue to focus on performance and project execution in order to maximize client satisfaction and margins. We will constantly endeavor to leverage our project management capabilities to increase productivity and maximize asset utilization in capital intensive projects. We will continue to optimize operations by minimizing operational / overhead costs, increase productivity thereby achieve to maximize our operating margins.

Till date, our Company has executed projects in the State of Maharashtra. In future, our Company intends to spread its area of operations to other States as well, which is one of the effective ways to mitigate the risks associated with infrastructure projects.

### **6. Joint Venture with other infrastructure companies for increasing the bid capacity for larger projects and with regional players to reap the benefits of our experience**

We look forward to develop strategic alliance and form project specific alliances to increase our bid capacity. We would also continue to form project specific joint ventures with regional players whose resources, skills and strategies are complementary to our business and would help us reap the benefits of our experience.

### **Clientele**

Over the years, we have developed to undertake and successfully execute a range of construction projects in the state of Maharashtra. Our client list includes:

- Public Works Department, Maharashtra State
- National Building Construction Corporation (NBCC)
- Maharashtra State Police Housing & Welfare Corporation (MSPHWC)
- Maharashtra State Road Transport Corporation (MSRTC)
- Maharashtra State Electricity Distribution Company Ltd. (MSEDCL)
- Maharashtra State Power Generation Company Limited (MSPGCL)
- Indian Oil Corporation (IOC)
- Nasik Municipal Corporation
- Maharashtra Health System Development Project
- Maratha Vidya Prasarak Samaj, Nasik
- Tribal Development Department, Nasik

### Our Projects

Below are the details of the projects completed by us.

#### Work Completed as on March 1, 2011:-

Details of the Project	Name of Client	Value of Work done (₹ In Lakhs)	Year of Completion (Financial Year)	Type of Construction
Construction of boys hostel building for 'Department of Social Justice' at Chandur, Amravati **	PWD, Amravati	278.6	2010-11	Civil

#### **Project execution methodology – Tendering Projects**

A summary of the activities involved in the project development are set-out in the following chart:

#### **Project Lifecycle**

A typical project cycle extends over a period of two to three years and can be divided into two distinct phases. The first phase begins with the identification of the opportunity and ends with the execution of the construction contract.

The second phase begins with the execution of the construction contract and ends with the end of the defect liability period following the completion of the project.

#### Stage I

- a. Invitation by client to bid as published in a newspaper or in any other media or sent directly to the contractor by the client
- b. Response in the form of a request for qualification or pre-qualification (RFQ)
- c. Invitation from the client to submit a request for proposal (RFP)
- d. Submission of a RFP
- e. Issue of tender documents by the client
- f. Site visit with an opportunity to seek responses to any pre-bid questions
- g. Completion of all related post-qualification technical documents and the submission of a financial bid
- h. Submission of the tender along with an earnest money deposit (EMD)
- i. Award of the contract, issue of a letter of intent (LOI) and refund of the EMD
- j. Payment of a mobilization advance by the client
- k. Contractor commences preparations for execution of the project.
- l. Execution of the construction contract together with the submission of a performance guarantee and financial guarantee in respect of the mobilization advance

#### Stage II

- a. Execution of the project
  - (i) Preparation of a detailed project execution plan
  - (ii) Preparation of detailed resource and expenditure plans
  - (iii) Mobilization of resources
  - (iv) Procurement of equipment and raw materials required for the project
  - (v) Execution in accordance with the terms of the construction contract and the execution plan
  - (vi) Raising of periodic invoices (Running account bills) in accordance with the terms of the construction contract
- b. Completion of the project
  - (i) Implementation by the contractor of all project completion activities
  - (ii) Receipt by the contractor of the final payment due to it subject to any retention amounts in respect of the defect liability period or the provision of a bank guarantee in respect of such retention amounts
  - (iii) Provision of a hand over certificate by the contractor, if requested
  - (iv) Provision of a completion certificate by the client, if requested

#### c. Defect Liability Period

Our construction contracts often stipulate a defect liability period of six (6) months to twenty four (24) months from the date of hand over certificate. The contractor is responsible for rectifying any defects that may arise during this defect liability period as a consequence of the construction services provided by the contractor. At the end of this defect liability period, any sum of money (as adjusted for any defects) retained by the client at completion is transferred to the contractor without interest.

### **Business Development**

Keeping in mind the objects of the company and the nature of work being carried out by us; the prospective contracts are identified by our Company by looking at notices inviting tenders published in news papers, journals, websites etc. or in case of limited tenders by way of communication from the clients. Our Company keeps track of the prospective projects and the prospective clients by going through the notice inviting tenders, meeting the clients etc. Sometimes services of specialised consultants are taken to explore and identify the projects.

### ***Tendering***

Our Company has a centralized tender department headed by our Managing Director, which is responsible for applying for all pre-qualifications and tenders. The tender department evaluates the credentials of our Company vis-à-vis the stipulated eligibility criteria. We endeavor to qualify on our own for projects in which we propose to bid. In the event that we do not qualify for a project in which we are interested due to eligibility requirements relating to the size of the project or other reasons, we may seek to form project-specific partnerships with other relevant experienced and qualified contractors. Using the combined credentials of the cooperating companies strengthens our chances of pre-qualifying and winning the bid for the project.

A notice inviting bids may either involve pre-qualification, or short listing of contractors, or a post qualification process. In a pre-qualification or short listing process, the client stipulates technical and financial eligibility criteria to be met by the potential applicants. Pre-qualification applications generally require us to submit details about our organizational set-up, financial parameters (such as turnover, net worth and profit and loss history), employee information, plant and equipment owned, portfolio of executed and ongoing projects and details in respect of litigations and arbitrations in which we are involved. In selecting contractors for major projects, clients generally limit the issue of tender to contractors they have pre-qualified based on several criteria, including experience, technical ability and performance, reputation for quality, safety record, financial strength, bonding capacity and size of previous contracts in similar projects, although the price competitiveness of the bid is usually a selection criterion.

If we pre-qualify for a project, the next step is to submit a financial bid. Prior to submitting a financial bid, our Company carries out a detailed study of the proposed project, including performing a detailed study of the technical and commercial conditions and requirements of the tender followed by a site visit.

A site visit enables us to determine the site conditions by studying the terrain and access to the site. Thereafter, a local market survey is conducted to assess the availability, rates and prices of key construction materials and the availability of labour and specialist sub-contractors in that particular region. Sources of key natural construction materials, such as quarries for aggregates, are also visited to assess the availability, leads and quality of such material. The site visit also allows us to determine the incidence and rates of local taxes and levies, such as sales tax or value added tax, octroi and cess.

Our representatives attend the pre-bid meetings convened by the clients, during which we raise any queries or requests for amendments to certain conditions of the proposed contract. Any ambiguities or inconsistencies in the document issued by the client are brought to the attention of the client for further clarification.

The tendering department invites quotations from vendors, sub-contractors and specialist agencies for various items or activities in respect of the tender. This data supplements the data gathered by the market survey. The gathered information is then analyzed to arrive at the cost of items included in the Bill of Quantities (BOQ). The estimated cost of items is then marked up to arrive at the bidding price to the client. The basis of determination of the mark-up is based in part on the evaluation of the conditions of the contract.

Our project co-ordination team then prepares a bid and submits it to our Managing Director for approval before submitting the bid.

Alternatively, the client may choose to invite bids through a post-qualification process wherein the contractor is required to submit the financial bid along with the information mentioned above in two

separate envelopes. In such a situation, the client typically evaluates the technical bid or pre-qualification application initially and then opens the financial bids only of those contractors who meet the stipulated criteria.

### ***Bidding Process***

#### ***Inviting a Bid***

The client conceives a specific project and follows it up with the appointment of a consultant who prepares a detailed project report. This report addresses various aspects of project implementation commencing from obtaining clearances, right of ways, scope of work, technical parameters, etc., to related costs which define the approximate estimated cost of the project.

At the next level the client invites expression of interest / pre-qualifications from prospective bidders. The qualifying criteria mainly include the following:-

- **Technical Capability:** The bidder should have the experience of having implemented projects of similar nature, necessary experienced manpower, ownership / availability of necessary plant and machinery etc.
- **Financial Strength:** This includes the minimum annual turnover, net worth requirement, working capital requirements, etc.

#### ***Submission of bids***

The business development section procures the bidding document. The bidding documents normally contain Earnest Money Deposit ("EMD"), the technical bid and the financial bid. The technical bid is prepared and relevant documents of work experience, personnel capabilities, equipment capabilities, work methods, work programmes and other relevant details are prepared.

Survey is conducted regarding the site condition, availability, source and price of raw materials, availability of local labour etc. Cost of executing the project is estimated. The tendering strategy and the pricing are decided.

The bids normally require submission of EMD in the form of bank guarantee / demand draft / fixed deposit receipts.

The EMD is obtained.

The EMD, the technical bid and the financial bid are submitted in a sealed envelope.

#### ***Awarding of contracts***

Normally the envelope containing EMD is opened first and the bids containing valid EMD are only considered for further processing. Then the technical bid is opened and processed by the client. The bidders meeting the pre-qualification criteria are notified of the pre-qualification and the financial bid of only the pre-qualified bidder is opened.

Usually the lowest bidder is awarded the contract. The client may conduct negotiations. The successful bidder is issued a Letter of Intent. On receipt of the Letter of Intent a performance guarantee is required to be submitted. The performance guarantee may be in the form of bank guarantee or fixed deposit. Upon submission of the performance guarantee, work order is issued and formal contract is signed.

#### ***Procurement***

Procurement plays a critical part in the success of any project. Our planning and project management team procures the purchase or lease of equipment and purchase of raw materials in accordance with the schedules of equipment and raw materials prepared by the relevant project manager. Our planning and project management team assesses the technical compatibility and requirements of

various materials, services and equipment purchase. Over the years we have developed relationships with a number of vendors for materials and services. The materials ordered are provided to the various sites as per their scheduled requirements. Some of our construction contracts protect us against price escalation of certain raw materials. The price, quantity available and timing of availability of these materials could change significantly due to various factors and market conditions.

### ***Construction***

A letter of intent or letter of acceptance is typically issued to signify that we have been awarded a contract. This letter usually gives us a mandate to commence pre-construction activities promptly, such as mobilizing manpower and equipment resources and setting up site offices, stores and other ancillary facilities.

The methodology of construction depends upon the nature of the project (e.g., the construction methodology is different for infrastructure projects as opposed to residential projects). Our planning and project management team prepares a detailed project execution plan. This plan identifies interim milestones, if any, stipulated in the contract with corresponding time schedules for achieving these milestones. The sequence of construction activities largely follows the construction schedule that was prepared initially, subject to changes in scope requested by the client, if permitted by the terms of the contract.

Construction generally commences with the execution of the construction contract and the first activity is usually excavation and earthmoving. Other major components of a typical construction project include concreting and reinforcement. Heavy earthmoving equipment, such as excavators, dumpers, loaders, dozers, graders and rock drilling tools, are used for excavation, whereas batching plants, transit mixers, tower cranes and concrete pumps, among other equipment, are used for concreting.

Our project co-ordination team reviews progress reports prepared by the relevant project manager, coordinates the execution of the project in accordance with its terms, maintains operational control and ensures compliance with occupational health and safety standards.

Each project manager holds regular review meetings with the client at sites and with our vendors and subcontractors to review progress and assess future needs.

### ***Execution and Completion of Project***

Mobilisation of necessary plant and machinery, personnel, camp development etc. is undertaken in line with the works program. In some of the contracts the client releases mobilization advance against bank guarantees.

In most of the contracts interim payment certificates are issued and payments released accordingly on progress of the work as per provisions of the contract. The work is supervised by independent consultants or officials of the clients. On completion of the work completion certificate is issued.

In most of the contracts some money is retained from the interim payments normally subject to an overall ceiling. Such retention money is usually released against bank guarantee based on the terms specified in the agreement.

The contracts normally contain a defect liability period after the completion. The defects occurring during the defect liability period are required to be rectified. On completion of the defect liability period the performance security is released.

### ***Return/Invocation of guarantees***

At different stages of the contract normally bank guarantees are submitted for EMD, performance, mobilization or retention money. The bank guarantees are released at different stages on fulfillment of obligations. On non-fulfillment of obligations the bank guarantees may be invoked by the client as per provisions of the contract or the terms of the issue of the bank guarantee.

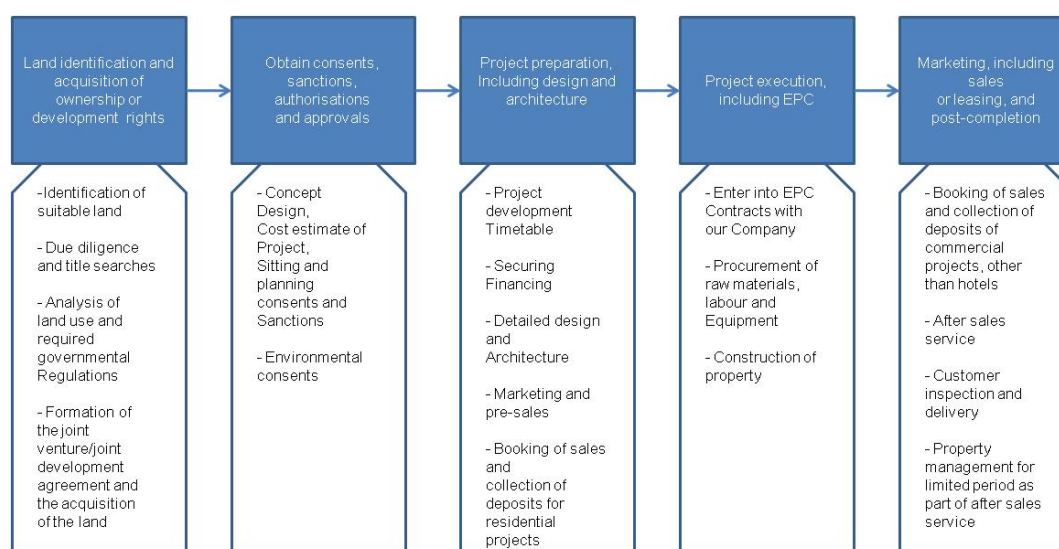

### ***Handing over of site***

The site is handed over on completion of the work. Many of the contracts provide for handing over on completion in stages.

### **Project implementation**

Our project co-ordination team monitors the complete development life cycle of the project to ensure optimal utilization of resources and the progress of the project as per project schedules. In undertaking such a role our planning and project management team interfaces and coordinates with our project managers located at our various sites. Each of our project managers supervises the delivery aspects of his project, prepares schedules of equipment and raw materials for his project, prepares progress reports and ensures the execution of his project in accordance with its terms.

### **Project execution methodology – Real Estate projects**

#### **Land identification and acquisition of ownership interests or development rights**

We analyse and monitor existing and future customer profiles and requirements, industry economics, property market trends and Government policies. This assists us in identifying areas which have future development potential. We also use the feedback we receive from customers, along with our relationships with property consultants, constructors, sub-contractors and suppliers, to assess future market demand and industry outlook. After we have identified a potential development site, we evaluate and estimate the costs which will be incurred for the development project. Prior to undertaking each project, we conduct due diligence and assessment exercises in relation to immovable properties and financial viability of the project. Once we have identified a plot which may be suitable for development, our local lawyers, conduct due diligence investigations in respect of land we desire to develop, including a review of land records, planning records and ownership records, and publish a notice in newspapers soliciting objections from persons claiming ownership of the land. Assuming that our investigations show no significant problems with the identified land, we will enter into negotiations to seek to reach a preliminary agreement with the landowners, either to acquire the underlying land ourselves or to enter into a joint development agreement with them. Formal conveyance of land by the seller (at which time stamp duty becomes payable), for acquisitions of land, is completed only shortly before construction is due to start and after all requisite governmental consents and approvals have been obtained.

#### **Obtaining consents, authorisations and approvals**

Once we have identified and reached an agreement to acquire title or development rights to the land, we seek requisite governmental and regulatory consents, sanctions, authorisations and approvals, including sitting, development plan and environmental approvals. We have considerable experience in

working with governmental and regulatory authorities to obtain such approvals. This experience has given us a good understanding of the regulatory regime in which we operate, thereby enabling us to obtain requisite approvals on a timely basis and to obtain approval for the development of the maximum permitted square footage given the size of each plot.

#### ***Project preparation, including design and architecture***

At this stage, we obtain financing for the project. We fund our projects through project-specific bank borrowings, which are repayable at the end of each project. We employ an experienced team of architects and, after a detailed review of the site parameters, project cost estimate and project development timetable, we formalise an architectural brief which is subsequently finalised either internally or with selected external architects and consultants, depending on the size and complexity of the project.

Few of our residential development units are pre-sold prior to completion of the development. In connection with our pre-sales of residential units, we require that customers pay advances on the purchase price, which advances our residential customers are required to pay in phases as we progress through various milestones or stages of construction of their residential unit.

#### ***Project Execution, including EPC Services***

The other development entities enter into an EPC contract or work order with our Company for the providing EPC services for the project. We have also mechanised many of the processes involved in our businesses. Mechanisation helps us improve discipline, efficiency, safety and quality of construction work. The advantages offered by mechnaisation are cost control, improved quality and efficiency of construction work at our construction sites.

#### ***Marketing, including sales or leasing, and post-completion***

Most of our units are sold or leased through word of mouth; we also market our units through marketing techniques such as newspapers, internet and billboard advertising, launch events, exhibitions and corporate presentations. We also engage on an exclusive basis the services of real estate brokers and selling agents in connection with the sale and lease of our developments. We seek to foster good relations with our customers. In each of our developments, we provide our customers with a preoccupancy inspection accompanied by our project managers.

### **Infrastructure facilities**

#### **Equipments**

##### ***Details of Equipments***

Some of the major equipments owned by us are:-

<b>Name of Equipments</b>	<b>Total Nos.</b>
Compressors	6
Laboratory Equipment	22
Material Lifts and Hoists	11
Concrete Mixers	27
Vibrators	14
Alternators and Generators	24
Pump sets	17
Weigh Batcher	13
Diesel Engines	3
Earth Compactors	4

Name of Equipments	Total Nos.
Other engineering equipments	45
Hot Mix Plant	2
Excavators	9
Crushers	1
Water Tanks	1
Batching Machine	1

The Company also own capacitors bank as required to run the above equipments. Our subsidiary, Ram Buildwel Private Limited also owns a ready mix concrete plant at Navi Mumbai, Maharashtra mainly to cater to our captive requirements. The plant has an installed capacity of 14 cubic meter / hour.

#### ***Equipment to be purchased out of the proceeds of the Issue***

For details please refer to the chapter titled “Objects of the Issue” beginning on page 64 of this Draft Red Herring Prospectus.

#### **Technology**

We have not entered into any technical collaboration agreements with any party.

#### **Utilities**

#### **Raw Materials**

The major raw materials required for our projects are cement, steel, aggregate, bitumen, etc. The requirement of these raw materials is project specific and procurement of raw material like cement, steel, bitumen, etc is carried out directly from the respective project sites. As and when we are bidding for a project, our project managers make a site visit to assess the availability, rates and prices of key construction materials in that particular region. Thereafter, we assess the quantity of material, services and equipment required for the project and call for quotations from the list of local suppliers. The supplier is finalized through the process of negotiation, considering the geographical location of the project and the lead-time in supply of the material. In cases where raw material like bitumen, etc. is not available near the project site, the requirement is communicated to the corporate office, which arranges for the material from local suppliers.

The requirement of aggregate is mainly met from the crushing units owned by our promoters. Our Company's subsidiary, Ram Buildwel Private Limited owns a ready mix concrete plant at Navi Mumbai, Maharashtra mainly to cater to our captive requirements. The plant has an installed capacity of 14 cubic meter / hour. The aggregates / metal powder from our crushing units are mixed with sand, cement, and water depending on the desired mix design and quantity to produce Ready Mix Concrete. The process of mixing is done with the help of a concrete mixer.

The requirement of fly ash bricks is met from manufacturing unit owned by our associates, Q-fab Cements Private Limited.

Procurement of capital equipment and spare parts for machinery and equipment is centralized and each project site communicates its requirement to the corporate office which procures the same from suppliers of good repute.

#### **Water**

The quantity of water required is project specific and is procured locally by way of boring wells at the site or through the existing water supply network in that area.

#### **Power**

The requirement of power for our operations, like power for lighting and operating the machinery/equipment is met through respective state electricity boards' distribution source where the projects are located and from generator sets.

#### **Fuel**

The requirement of diesel for operating the machinery / equipment and generating sets is met by supplies from the local markets.

#### **Human Resource**

As on February 28, 2011, we employ 45 full-time employees at our various project sites and our corporate and registered office. The following table sets forth information related to full time employees of our company:

<b>No.</b>	<b>Category of Employees</b>	<b>No. of Employees</b>
1	Managerial Post	9
2	Project Managers	5
3	Project Supervisors / Technicians	6
4	Administrative staff	6
5	Clerical Staff	16
6	Others	3
	<b>Total</b>	<b>45</b>

Apart from the above employees we also employ temporary labour on contract basis at our project sites for construction activities.

Our employees are not represented by any unions and they do not have collective bargaining agreements. We have not experienced any work stoppages or action by or with our employees and we consider our relationship with our employees to be good.

#### **Marketing**

The major part of the work executed by us is awarded by Government / semi government bodies. As such, the contractual obligations in normal course for awarding these contracts by the Government or their agency are through the process of tendering. In view of the nature of our market, the major sources of information of ensuing tenders for construction contracts are newspapers and Government gazettes, websites, magazines, etc. Our promoter, Mr. Prakash Laddha, through his vast experience and good rapport with government and semi-government bodies owing to timely execution of projects plays an instrumental role in creating and expanding a work platform for Prakash Constrowell Limited.

In order to ensure that we can effectively bid for these contracts we have a separate department, which is headed by our Managing Director, which keeps track of these tender notifications or advertisements and prepares the tender document. As per the requirements of the tender, we decide upon the director leading the project and the associated team members. Our Company has conscious plans to move up the value chain by forming strategic Joint Ventures and bidding and securing high value projects and widening business segments. Apart from the normal tendering process, we are always vigilant about maintaining a strong relationship not only with our present clientele but also to the opportunities foreseeable around the construction industry. Now substantial amount of construction contracts are being offered by the private sector also.

#### **Collaborations**

We have not entered into any technical or other collaboration till date.

#### **Locations**

Considering the nature of Company's business i.e. construction, the location of projects depends upon the contracted site, which usually varies from project to project. At present we are executing various works in the state of Maharashtra, India.

### **Quality Certification**

Our Company has been accredited with "ISO 9001:2008" Certification for operating Quality and Management System, which is valid upto January 9, 2014.

### **Competition**

The construction industry is highly fragmented with large number of players operating in an unorganized sector and a few of them in the organized sector. The construction industry is quite competitive. The award of contracts depends on successfully bidding the tenders. The tendering involves two-tier process. Firstly, the prospective bidders have to qualify technically. Only after qualifying the technical bid, the prospective bidders can participate in financial bid. Further, the key success factor in qualifying the financial bid is cost competitiveness and our Company has been able to sustain in the competition due to its competitive financial strength and low overheads.

Our competition depends on whether the project is in the civil construction sector or the infrastructure sector. It also depends on other factors, such as the type of project, contract value and potential margins, the complexity and location of the project, the reputation of the client and the risks relating to revenue generation.

Due to industry's fragmented nature, there is no authentic data available to our Company on total industry size and markets share of our Company vis-a-vis the competitors. While service quality, technical ability, performance record, experience, health and safety records and the availability of skilled personnel are key parameters in client's decisions matrix in the award contracts, price is often the deciding factor in most tender awards.

### **Seasonality and weather conditions**

Construction services in India typically have a lower level of operating activity during the monsoon period and the high temperatures during the summer months. See also the discussion in the chapter on "*Management's Discussions and Analysis of Financial Condition and Results of Operations*" beginning on page 231 of this Draft Red Herring Prospectus.

### **Health Safety and Environments**

Our constructions and operations are subject to governmental, state and municipal laws and regulations relating to the protection of the environment, including requirements for water discharges, air emissions, management and disposal of solid or hazardous materials or wastes and the cleanup of contamination. We believe that ensuring the health and safety of our employees is critical to the successful conduct of our business and operations. We are therefore committed to complying with applicable health, safety and environmental regulations and other requirements in our operations.

### **Insurance**

Our operations are subject to hazards inherent in providing engineering and construction services, such as risk of equipment failure, work accidents, fire, earthquake, flood and other force majeure events, acts of terrorism and explosions including hazards that may cause injury and loss of life, severe damage to and the destruction of property and equipment and environmental damage. We may also be subject to claims resulting from defects arising from engineering, procurement or construction services provided by us within the warranty periods extended by us, which can range from 12 to 60 months from the date of commissioning.

We obtain specialized insurance for construction risks and third party liabilities for most projects for the duration of the project and the defect liability period. We generally maintain insurance covering our assets and operations at levels that we believe to be appropriate.

Loss or damage to our materials and property, including contract works, whether permanent or temporary, and materials or equipment supplied by us or supplied to us, are generally covered by “contractors’ all risks” insurance. Under the all risks insurance policy we are also provided cover for debris removal and surrounding properties.

We also maintain automobile policies and workmen’s compensation policies wherever required as well as group insurance policies for our permanent employees. We have a fire insurance policy for our registered office.

Under certain of our contracts, we are required to obtain insurance for the project. In some instances, we have not obtained such insurances. We generally maintain insurance covering our assets and operations at levels that we believe to be appropriate.

As on February 28, 2011, we have given performance bank guarantees amounting to ₹ 555 lakhs to our various clients in normal course of business for which fixed deposit receipts amounting to ₹ 106 lakhs are given to the banks towards margin money.

## REGULATIONS AND POLICIES

*The following description is a summary of the relevant regulations and policies as prescribed by the Government of India. The regulations set below are not exhaustive, and is only intended to provide general information to the investors and is neither designed nor intended to be a substitute for professional legal advice. There are no specific regulations in India governing the construction industry. Set forth below are certain significant legislations and regulations which are generally adhered to by this industry in India:*

### **General**

We are a construction company in India. We undertake infrastructure and construction contracts, comprising of roads, bridges, commercial buildings, railway and police buildings, Police and SRPF quarters, colleges, hospitals and sports complexes, etc.

Depending upon the nature of the projects undertaken by the Company, applicable labour laws and regulations include the following:

### **Foreign Ownership**

Under the Industrial Policy and FEMA, FDI up to 100% is permitted in construction and related engineering services. Further, the Industrial Policy now also permits foreign direct investment under the automatic route in projects for construction and maintenance of roads, highways, vehicular bridges, toll roads, vehicular bridges and ports and harbours. No approvals of the FIPB or the RBI are required for such Allotment of Equity Shares under this Issue. Our Company will be required to make certain filings with the RBI after the completion of the Issue.

### **Ownership restrictions of FIIs**

Under the portfolio investment scheme, the overall issue of equity shares to FIIs on a repatriation basis should not exceed 24% of post-Issue paid-up capital of a company. However, the limit of 24% can be raised up to the permitted sectoral cap for our Company after approval of the Board of Directors and shareholders of our Company. As on date of this Draft Red Herring Prospectus, no such resolution has been passed / recommended for our Board/shareholder's approval.

### **Environmental & Labour Regulations**

Depending upon the nature of the projects undertaken by our company, applicable environmental and labour laws and regulations include the following:

18. Environment Protection Act, 1986;
19. The Water (Prevention and Control of Pollution) Act, 1974; and
20. The Air (Prevention and Control of Pollution) Act, 1981.

### **Labour Regulations**

#### **1. Contract Labour (Regulation and Abolition) Act, 1970**

The Contract Labour (Regulation and Abolition) Act, 1970 ("**CLRA**") has been enacted to regulate the employment of contract labour in certain establishments, the regulation of their conditions and terms of service and to provide for its abolition in certain circumstances. The CLRA applies to every establishment in which 20 or more workmen are employed or were employed on any day of the preceding 12 months as contract labour. The CLRA vests the responsibility on the principal employer of an establishment to which the CLRA applies to make an application to the registered officer in the prescribed manner for registration of the establishment. In the absence of registration, a contract labour cannot be employed in the establishment. Likewise, every contractor to whom the CLRA applies is required to obtain a license and not to undertake or execute any work through contract labour except under and in accordance with the license issued.

To ensure the welfare and health of the contract labour, the CLRA imposes certain obligations on the contractor in relation to establishment of canteens, rest rooms, drinking water, washing facilities, first aid, other facilities and payment of wages. However, in the event the contractor fails to provide these amenities, the principal employer is under an obligation to provide these facilities within a prescribed time period. Penalties, including both fines and imprisonment, may be levied for contravention of the provisions of the CLRA.

#### **2. The Building and Other Construction workers Regulation of Employment and Conditions of Service Act 1996 and the Cess Act of 1996.**

This Act provides for the levy and collection of a cess on the cost of construction, with a view to augmenting the resources of the Building and other Construction Workers Welfare Boards constituted under the Building and Other Construction Workers (regulation of Employment and Conditions of Service) Act, 1996. All the establishments who carry on any building or other construction work and employ 10 or more workers are covered under this Act. All such establishments are required to pay cess at the rate not exceeding 2% of the cost of construction as may be modified by the Government. The Employer of the establishment is required to provide safety measures at the Building or construction work and other welfare measures, such as Canteens, First-Aid facilities, Ambulance, Housing accommodations for workers near the work place etc. The Employer to whom the Act applies has to obtain a registration certificate from the Registering Officer appointed by the Government.

#### **3. Factories Act, 1948**

The Factories Act, 1948 ("Factories Act") aims at regulating labour employed in factories. A "factory" is defined as "any premises wherein ten or more workers are working or were working on any day of the preceding twelve months, and in any part of which a manufacturing process is being carried on with the aid of power, or is ordinarily so carried on, or whereon twenty or more workers are working, or were working on any day of the preceding twelve months, and in any part of which a manufacturing process is carried on without the aid of power, or is ordinarily so carried on." The main aim of the said Act is to ensure adequate safety measures and to promote the health and welfare of the workers employed in factories initiating various measures from time to time to ensure that adequate standards of safety, health and welfare are achieved at all the places.

Under the Factories Act, the State Government may make rules mandating approval for proposed factories and requiring licensing and registration of factories. The Factories Act

makes detailed provision for ensuring sanitary conditions in the factory and safety of the workers and also lays down permissible working hours, leave etc. In addition, it makes provision for the adoption of worker welfare measures. The prime responsibility for compliance with the Factories Act and the rules there under rests on the “occupier”, being the person who has ultimate control over the affairs of the factory. The Factories Act states that save as otherwise provided in the Factories Act and subject to provisions of the Factories Act which impose certain liability on the owner of the factory, in the event there is any contravention of any of the provisions of the Factories Act or the rules made there under or of any order in writing given there under, the occupier and the manager of the factory guilty of the offence and punishable with imprisonment or with fine. The occupier is required to submit a written notice to the chief inspector of factories containing all the details of the factory, the owner, manager and himself, nature of activities and such other prescribed information prior to occupying or using any premises as a factory. The occupier is required to ensure, as far as it is reasonably practicable, the health, safety and welfare of all workers while they are at work in the factory.

#### **4. Payment of Wages Act 1936**

The Payment of Wages Act 1936 (“PWA”) makes provisions regarding the date by which wages are to be paid, when it will be paid and what deductions can be made from the wages of the workers.

#### **5. Payment of Bonus Act 1965**

The Payment of Bonus Act 1965 is applicable to all establishments employing 20 or more employees. The said Act provides for payments of annual bonus subject to a minimum of 8.33% of wages and maximum of 20% of wages to employees drawing ₹ 3500/- per month or less. The bonus to be paid to employees getting ₹ 2500/- per month or above up to ₹ 3500/- per month is worked out by taking wages as ₹ 2500/- per month only. The Act does not apply to certain establishments. The newly set-up establishments are exempted for five years in certain circumstances. Some of the State Government has reduced the employment size from 20 to 10 for the purpose of applicability of this Act.

#### **6. Employees State Insurance Act, 1948**

The Employees State Insurance Act, 1948 (“ESIA”) aims to provide benefits for employees or their beneficiaries in case of sickness, maternity, disablement and employment injury and to make provision for the same. It applies to, inter alia, seasonal power using factories employing ten or more persons and non-power using factories employing 20 or more persons. Every factory or establishment to which the ESIA applies is required to be registered in the manner prescribed in the ESIA. Under the ESIA, every employee (including casual and temporary employees), whether employed directly or through a contractor, who is in receipt of wages up to ₹ 15,000/- per month is entitled to be insured. In respect of such employees, both the employer and the employee must make certain contributions to the Employee State Insurance Corporation. Currently, the employee’s contribution rate is 1.75% of the wages and that of employer’s is 4.75% of the wages paid/payable in respect of the employee in every wage period. The ESIA states that a principal employer, who has paid contribution in respect of an employee employed by or through an immediate employer, shall be entitled to recover the amount of the contribution so paid from the immediate employer, either by deduction from any amount payable to him by the principal employer under any contract, or as a debt payable by the immediate employer.

#### **7. Employees’ Provident Funds and Miscellaneous Provisions Act, 1952**

Employees’ Provident Funds and Miscellaneous Provisions Act, 1952 (“EPFA”) was introduced with the object to provide provident funds for the benefit of employees in factories and other establishments. It provides for the institution of provident funds and pension funds for employees in establishments, which employ more than 20 persons, and factories specified in Schedule I of the EPFA. Under the EPFA, the Central Government has framed the “Employees’ Provident Fund Scheme”, “Employees Deposit-linked Insurance Scheme” and the “Employees’ Family Pension Scheme”. The funds constituted under these schemes consist of contributions from both the employer and the employees, in the manner specified in the statute. The EPFA prescribes penalties for avoiding payments required to be made under the

above-mentioned schemes.

#### **8. Payment of Gratuity Act, 1972**

The Payment of Gratuity Act, 1972 ("PGA") was enacted with the objective to regulate the payment of gratuity, to an employee who has rendered for his long and meritorious service, at the time of termination of his services. Gratuity is payable to an employee on the termination of his employment after he has rendered continuous service for not less than five years:

- a) On his/her superannuation;
- b) On his/her retirement or resignation;
- c) On his/her death or disablement due to accident or disease (in this case the minimum requirement of five years does not apply)

The PGA establishes a scheme for the payment of gratuity to employees engaged in every factory, mine, oil field, plantation, port and railway Company; every shop or establishment in which ten or more persons are employed or were employed on any day of the preceding twelve months; and in such other establishments in which ten or more persons are employed or were employed on any day of the preceding twelve months, as the Central Government may, by notification, specify. Penalties are prescribed for non-compliance with statutory provisions.

#### **9. Local Shops and Establishments Legislations**

Under the provisions of local shops and establishments legislations applicable in the states in which establishments are set up, establishments are required to be registered. Such legislations regulate the working and employment conditions of the workers employed in shops and establishments including commercial establishments and provide for fixation of working hours, rest intervals, overtime, holidays, leave, termination of service, maintenance of shops and establishments and other rights and obligations of the employers and employees.

#### **10. Minimum Wages Act, 1948**

The Minimum Wages Act, 1948 ("MWA") came into force with an objective to provide for the fixation of a minimum wage payable by the employer to the employee. Under the MWA, every employer is mandated to pay the minimum wages to all employees engaged to do any work skilled, unskilled, and manual or clerical (including out-workers) in any employment listed in the schedule to the MWA, in respect of which minimum rates of wages have been fixed or revised under the MWA. Construction of Buildings, Roads, and Runways are scheduled employments. It prescribes penalties for non-compliance by employers for payment of the wages thus fixed.

#### **11. Workmen's Compensation Act, 1923**

The Workmen's Compensation Act, 1923 ("WCA") has been enacted with the objective to provide for the payment of compensation to workmen by employers for injuries by accident arising out of and in the course of employment, and for occupational diseases resulting in death or disablement. The WCA makes every employer liable to pay compensation in accordance with the WCA if a personal injury/disablement/ loss of life is caused to a workman (including those employed through a contractor) by accident arising out of and in the course of his employment. In case the employer fails to pay compensation due under the WCA within one month from the date it falls due, the commissioner appointed under the WCA may direct the employer to pay the compensation amount along with interest and may also impose a penalty.

#### **12. Maternity Benefit Act 1951**

The Maternity Benefit Act, 1951 provides for leave and some other benefits to women employees in case of confinement or miscarriage etc.

#### **13. Equal Remuneration Act 1979**

The Equal Remuneration Act 1979 provides for payment of equal remuneration to men and women workers and for prevention discrimination, on the ground of sex, against Female employees in the matters of employment and for matters connected therewith.

**14. Industrial Disputes Act 1947**

The Industrial Disputes Act 1947 lays down the machinery and procedure for investigation, settlement and resolution of Industrial disputes in what situations a strike or lock-out becomes illegal and what are the requirements for laying off or retrenching the employees or closing down the establishment.

**15. Trade Union Act 1926**

The Trade Union Act 1926 lays down the procedure for registration of trade unions of workmen and employers. The Trade Unions registered under the Act have been given certain immunities from civil and criminal liabilities.

**16. Child Labour Prohibition & Regulation Act 1986**

The Child Labour Prohibition & Regulation Act 1986 prohibits employment of children below 14 years of age in certain occupations and processes and provides for regulation of employment of children in all other occupations and processes. Employment of Child Labour is prohibited in Building and Construction Industry.

**17. Inter-State Migrant workmen's Regulation of Employment & Conditions of service) Act 1979**

The Inter-State Migrant workmen's Regulation of Employment & Conditions of Service) Act 1979 is applicable to an establishment which employs 5 or more interstate migrant workmen through an intermediary (who has recruited workmen in one state for employment in the establishment situated in another state). The Inter-State migrant workmen, in an establishment to which this Act becomes applicable, are required to be provided certain facilities such as housing, medical aid, travelling expenses from home up to the establishment and back, etc.

***Environmental Legislations*****18. Environment Protection Act, 1986**

The Environmental Protection Act, 1986 is an "umbrella" legislation designed to provide a framework for co-ordination of the activities of various central and state authorities established under various laws. The potential scope of the Act is broad, with "environment" defined to include water, air and land and the interrelationships which exist among water, air and land, and human beings and other living creatures, plants, micro-organisms and property.

**19. Water (Prevention and Control of Pollution) Act 1974**

### **FINANCIAL STATEMENTS**

#### **AUDITORS REPORT**

#### **ON CONSOLIDATED FINANCIAL INFORMATION OF PRAKASH CONSTROWELL LIMITED**

**Auditor's Report as required by Part II of Schedule II to the Companies Act, 1956.**

To,  
**The Board of Directors,**  
**Prakash Constrowell Limited,**  
6/7, Falcon Plaza, National Urdu High  
School Road, Near Sarda Circle, Nasik,  
Maharashtra - 422 001.

Dear Sirs,

#### **Re: Proposed Public Issue of Equity Shares of Prakash Constrowell Limited**

We have examined and found correct the annexed consolidated restated summary statements of Prakash Constrowell Limited and its subsidiaries for the nine months period ended December 31, 2010 and years ended March 31, 2010, 2009 & 2008 prepared by the Company and approved by its Board of Directors.

At the date of signing this report, we have not come across any material adjustment, which would affect the result shown by these accounts drawn up in accordance with the requirements of Part II of Schedule II to the Companies Act, 1956.

In accordance with the requirements of:

- Paragraph B (1) of Part II of Schedule II to the Companies Act, 1956;
  - Securities and Exchange Board of India (Issue of Capital and Disclosure Requirement) Regulations, 2009 ("the SEBI ICDR Regulations") and
  - The Guidance Note on Reports in Company Prospectus and Guidance Note on Audit Reports/Certificates on Financial Information in Offer Documents issued by the Institute of Chartered Accountants of India and terms of reference received from the Company in connection with the proposed public issue of Equity shares of the Company.
- The terms of reference given vide the Company's letter dated February 2, 2010 requesting us to carry out work in connection with the Issue as aforesaid, we report that:-
  1. The consolidated summary statement of assets and liabilities, as restated, of the Company and its subsidiaries as at December 31, 2010 and March 31, 2010, 2009 & 2008 are as set out in Annexure I to this report after making such adjustments / restatements and regrouping as in our opinion are appropriate and are subject to the Significant Accounting Policies and Notes to Accounts alongwith adjustments on account of audit qualifications as appearing in Annexure IV to this report.
  2. The consolidated summary statement of profit and loss, as restated of the Company and its subsidiaries for the nine months period ended December 31, 2010 and years ended March 31, 2010, 2009 & 2008 are as set out in Annexure II to this report. These profits have been arrived after making such adjustments / restatements and regrouping as in our opinion are appropriate and are subject to the Significant Accounting Policies and Notes to Accounts alongwith adjustments on account of audit qualifications as appearing in Annexure IV to this report.
  3. We have examined the consolidated summary statement of cash flow, as restated relating to the Company and its subsidiaries for the nine months period ended December 31, 2010 and years ended March 31, 2010, 2009 & 2008 appearing in Annexure III to this report after making such adjustments / restatements and regrouping as in our opinion are appropriate and are subject to the Significant Accounting Policies and Notes to Accounts along with adjustments on account of

audit qualifications as appearing in Annexure IV to this report.

These consolidated summary statements have been prepared by the Company and approved by its Board of Directors (these statements are herein collectively referred to as the "Consolidated Restated Summary Statements"). These statements have been extracted from the audited consolidated financial statement of the Company for the respective period/years.

Audit of the consolidated financial statements for the nine months period ended December 31, 2010 and years ended March 31, 2010, 2009 & 2008 have been conducted by Company's Statutory Auditor Bedmutha & Associates, Chartered Accountants. Further, consolidated financial statements for the nine months period ended December 31, 2010 and year ended March 31, 2010 have been reaudited by us as required under the SEBI ICDR Regulations. This report, in so far as it relates to the amounts included for the financial years ended March 31, 2009, 2008, 2007 & 2006 of the Company and its subsidiaries is based on the audited financial statements which were audited by the Statutory Auditor of the respective company and whose Auditors' report has been relied upon by us for the said periods/years.

These audited consolidated financial statements includes the financial statements of subsidiaries which have not been audited by us and whose financial statements reflect the following information as considered in the consolidated financial statements:

(₹ In Lakhs)

Particulars	Nine months period ended December 31, 2010	Year ended March 31		
		2010	2009	2008
Number of Subsidiary	4	2	2	2
Total Assets (Net of current liabilities and provisions)	555.17	513.48	607.50	62.19
Revenue	1792.06	1958.71	1043.72	298.36

These financial statements have been audited by other auditors, whose reports have been furnished to us and, our opinion, in so far as it relates to the amounts included in respect of these subsidiaries, is based solely on the reports of the other auditors.

The Consolidated Restated Summary Statements of the Company as included in this report as at for the nine months period ended December 31, 2010 and for the year ended March 31, 2010 are based on the consolidated financial statements of the Company which were audited by us for the said period as set out in Annexure I, II and III of this report after making such adjustments and regrouping as in our opinion were appropriate.

Based on the above we are of the opinion that the Consolidated Restated Summary Statements have been made after incorporating:

- Adjustments for the changes in accounting policies retrospectively in respective financial period/years to reflect the same accounting treatment as per changed accounting policy for all the reporting periods;
- Adjustments for the material amounts in the respective financial period/years to which they relate;
- Adjustments on account of audit qualifications as appearing in Annexure IV to this report;
- And there are no extra-ordinary items that need to be disclosed separately in the accounts.

We have examined the following financial information relating to the Company and its subsidiaries proposed to be included in the Draft Red Herring Prospectus as approved by you and annexed to this report.

- Consolidated Statement of Sundry Debtors, as Restated enclosed as Annexure V to this report;
- Consolidated Statement of Current Liabilities and Provisions, as Restated as appearing in Annexure VI to this report;
- Consolidated Statement of Loans and Advances, as Restated as appearing in Annexure VII to this report;

4. Consolidated Statement of Secured Loans, as Restated as appearing in Annexure VIII to this report;
5. Consolidated Statement of Unsecured Loans, as Restated as appearing in Annexure IX to this report;
6. Consolidated Statement of Income from Operations, as Restated as appearing in Annexure X to this report;
7. Consolidated Statement of Other Income, as Restated as appearing in Annexure XI to this report;
8. Consolidated Statement of Contingent Liabilities, as Restated as appearing in Annexure XII to this report;
9. Consolidated Statement of Accounting Ratios, as Restated as appearing in Annexure XIII to this Report;
10. Consolidated Statement of Capitalization, as Restated as at March 31 ,2010 as appearing in Annexure XIV to this report;
11. Consolidated Statement of Tax Shelters, as Restated as appearing in Annexure XV to this report;
12. Consolidated Statement of Investments, as Restated as appearing in Annexure XVI to this report;
13. Consolidated Statement of Related Parties Transactions, as Restated as appearing in Annexure XVII to this report;
14. Consolidated Statement of Segment Reporting, as Restated as appearing in Annexure XVIII to this report;
15. Consolidated Statement of Reserves and Surplus, as Restated as appearing in Annexure XIX to this report.

In our opinion the above financial information of the Company read with Significant Accounting Policies and Notes to Accounts alongwith adjustments on account of audit qualifications enclosed in Annexure IV to this report after making adjustments / restatements and regroupings as considered appropriate has been prepared in accordance with paragraph B(1) Part II of Schedule II of the Companies Act and the SEBI ICDR Regulations.

This report should not be in any way construed as a reissuance or redrafting of any of the previous audit reports issued by us or by other firm of Chartered Accountants, nor should this report be construed as a new opinion on any of the financial statements referred herein.

This report is intended solely for your information and for inclusion in the Offer Document in connection with the proposed Initial Public Offering of the Company and is not to be used, referred to or distributed for any other purpose without our prior written consent.

**ANNEXURE - IV****SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE CONSOLIDATED RESTATED FINANCIAL STATEMENTS****A. SIGNIFICANT ACCOUNTING POLICIES****a) Basis of preparation**

The consolidated financial statements are prepared in accordance with Accounting Standard - 21 on Consolidated financial statements as issued by ICAI. Reference in these notes to Company, Holding Company, Companies or Group shall mean to include Prakash Constrowell Limited or any of its subsidiaries, unless otherwise stated.

**b) Principles of consolidation**

The consolidated financial statements comprise of the financial statements of Prakash Constrowell Limited and its subsidiaries. The financial statements of the group Companies are prepared according to uniform accounting policies, in accordance with accounting principles generally accepted in India. The effects of inter Company transactions are eliminated on consolidation.

**c) Goodwill / Capital Reserve on consolidation**

Goodwill / Capital Reserve represents the difference between the Company's share in the net worth of subsidiaries, and the cost of acquisition at each point of time of making the investment in the subsidiaries. For this purpose, the Company's share of net worth is determined on the basis of the latest financial statements prior to the acquisition after making necessary adjustments for material events between the date of such financial statements and the date of respective acquisition. Capital Reserve on consolidation is adjusted against Goodwill. The Goodwill recorded in these consolidated financial statements has not been amortized, but instead evaluated for impairment whenever events or changes in circumstances indicate that its carrying amount may be impaired.

**d) Fixed Assets**

Tangible fixed assets are stated at cost of acquisition less accumulated depreciation. Cost being cost of acquisition and includes expenditure directly attributable for commissioning of the assets. All categories of assets costing less than ₹ 5,000 each and items of soft furnishing are fully depreciated in the year of purchase.

**e) Use of estimates**

The preparation of financial statements is in conformity with generally accepted accounting principles and requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities as at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates.

**f) Depreciation**

Depreciation has been provided in the accounts from the date of its installations/use and on written down value method at the rates prescribed in schedule XIV to the Companies Act, 1956 except on "License to collect toll", which is being depreciated over the useful life of the asset on Straight Line Method. The depreciation in respect of fixed assets specifically used on a particular work is charged to the contract account of that particular work. The depreciation on other assets is charged to the Profit and Loss Account.

**g) Investments**

Investments are stated at cost.

#### **h) Work in progress**

Work in progress for construction contracts under execution as at balance sheet date are valued as per revenue recognition policy of the company after considering provision for losses if any. While the projects otherwise than these are valued at cost.

Work in progress is valued at Cost. Cost includes direct material, labour, other costs (including interest) and directly attributable overheads. Material purchased and lying at site is included in direct material cost.

#### **i) Revenue Recognition**

Revenue is recognized when it is realized or realizable or earned. Revenue is considered as realized or realizable or earned when it has persuasive evidence of an arrangement, delivery has occurred, the sales price is fixed or determinable and collect ability is reasonably assured.

- 1) The revenue from construction contracting activity is recognized by following percentage completion method of accounting as prescribed in Accounting Standard 7 issued by The Institute of Chartered Accountants of India. The stage of completion of a project is determined by the proportion of the contract cost incurred for work performed up to the Balance Sheet date bears to the estimated total contract cost. In the case where the contract revenue or the stage of completion cannot be determined reliably, the cost incurred on the contract is carried forward as Work In Progress.
- 2) While recognizing profits on contracts / projects substantially completed, due provision for incomplete work / pending bill etc. and probable cost of defect liability is made. Provision for defect liability is made at the amount equal to the amount of retention money (Security deposit retained) plus the bank guarantee offered for defect liability.
- 3) For the estate development activity (Buildership Activity) undertaken by the company, profits from the sale of constructed units is recognized on handing over of the possession to the buyers. Till then, all the expenses incurred on the development and constructions are accumulated and are shown as Work In Progress. Till such time the receipts from the buyers against the sale of units, under construction, are treated as advance, from the buyers and are shown as liability.
- 4) The development and construction cost incurred on infrastructure project is shown as Fixed Asset. Toll Collection is accounted for as income, as and when received.
- 5) Profit/loss from write-off of excess / short provision for defect liability is recognized in the year in which there is unconditional release of retained amount / bank guarantee by the contractee.
- 6) Scrap is accounted for only on realisation.

#### **j) Retirement and other employee benefits**

Liability for leave encashment and gratuity is provided for, on the basis of actuarial valuation done at the end of the financial year.

#### **k) Segment reporting policies**

Identification of segments:

The Company's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

#### **l) Earnings per share**

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

#### m) Provisions

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

#### n) Taxes on income

- i. Current tax is determined as the amount of tax payable in respect of taxable income for the year. Provision for Current tax is made after considering tax allowances and exemptions admissible under the provisions of Income Tax Act, 1961 and the Rules made there under.
- ii. Deferred Tax for the year is recognized on timing differences; being the difference between taxable income and accounting income that originate in one year and are capable of reversal in one or more subsequent years.
- iii. Deferred Tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are recognized and carried forward only if there is a reasonable/virtual certainty of their realization.

#### o) Borrowing Costs

Borrowing Costs that are attributable to the acquisition and construction of qualifying assets are capitalized as part of cost of such assets till such time the asset is ready for its intended use. A qualifying asset is one that requires substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Profit & Loss Account.

#### p) Provisions, Contingent Liabilities and Contingent Assets

Provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best management estimate required to settle the obligation at the Balance Sheet date. There are reviewed at each Balance Sheet date and adjusted to reflect the current best management estimates. Contingent liabilities are not recognized but are disclosed in the Notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

- q) Cost of Centering / Shuttering material and scaffolding material is treated as revenue expenditure of the year in which such expenditure is incurred.

**Explanatory notes to the above restatements made in the audited financial statements of the Company for the respective years/period.**

#### **Adjustments having impact on Profit**

- Due to adoptions of Accounting Standard-15 "Employee Benefits", during the financial year 2009-10 the expenses relating to previous accounting year has been apportioned as per Actuarial Valuation Report obtained by the company.
- The intangible asset being "Arni Toll Bypass" was amortized on straight line basis. However, upon review of the useful economic life of the asset, the accounting estimates were changed to amortize the asset in respective years. Accordingly, the pattern of economic benefit has significantly changed and change in life of the assets has been accounted in the restated financial statements retrospectively.
- Up to the year ended March 31, 2010, the tangible asset being shops were not charged to depreciation. However, from the subsequent year i.e. from the nine months period ended December 31, 2010, the accounting policy was changed and depreciated the asset on written down value basis. Accordingly, the restated financial statements for all the financial years/period have been appropriately adjusted.
- In Financial Year 2005-06, the company had revalued its intangible asset i.e. "Arni Bypass" by ₹ 1063.46 Lakhs which is not been permitted by AS-26. However, from the subsequent year i.e. from the nine months period ended December 31, 2010, the accounting policy was changed and to amortize its assets on original cost. Accordingly, the same effects have been given in the restated financial statements of all the financial years/period.

#### **Tax Adjustments**

- The Profit and Loss Account of some years include amount paid/provided for or refunded/ written back in respect of shortfall / excess income tax arising out of assessments, etc. which has now been adjusted in the respective years.
- In view of the restatement of above expenses the Deferred Tax Assets / Deferred Tax Liability has been recalculated.

#### **Adjustments having no impact on Profit**

## **Material Regrouping**

Appropriate adjustments have been made in the consolidated restated financial statements, wherever required, by reclassification of the corresponding items of income, expenses, assets and liabilities, in order to bring them in line with the groupings as per the audited financials of the Company for all the years and the requirements of the Securities and Exchange Board of India (Issue of Capital & Disclosure Requirements) Regulations 2009.

Dear Sirs,

#### **Re: Proposed Public Issue of Equity Shares of Prakash Constrowell Limited**

We have examined and found correct the annexed standalone restated summary statements of Prakash Constrowell Limited for the nine months period ended December 31, 2010 and years ended March 31, 2010, 2009, 2008, 2007 & 2006 prepared by the Company and approved by its Board of Directors.

At the date of signing this report, we have not come across any material adjustment, which would affect the result shown by these accounts drawn up in accordance with the requirements of Part II of Schedule II to the Companies Act, 1956.

In accordance with the requirements of:

- Paragraph B (1) of Part II of Schedule II to the Companies Act, 1956;
  - Securities and Exchange Board of India (Issue of Capital and Disclosure Requirement) Regulations, 2009('the SEBI ICDR Regulations')and
  - The Guidance Note on Reports in Company Prospectus and Guidance Note on Audit Reports/Certificates on Financial Information in Offer Documents issued by the Institute of Chartered Accountants of India and terms of reference received from the Company in connection with the proposed public issue of Equity shares of the Company.
  - The terms of reference given vide the Company's letter dated February 2, 2010 requesting us to carry out work in connection with the Issue as aforesaid, we report that:-
1. The standalone summary statement of assets and liabilities, as restated, of the Company as at December 31, 2010 and March 31, 2010, 2009, 2008, 2007 & 2006 are as set out in Annexure I to this report after making such adjustments / restatements and regrouping as in our opinion are appropriate and are subject to the Significant Accounting Policies and Notes to Accounts along with adjustments on account of audit qualifications as appearing in Annexure IV to this report.
  2. The standalone summary statement of profit and loss, as restated of the Company for the nine months period ended December 31, 2010 and years ended March 31, 2010, 2009, 2008, 2007 & 2006 are as set out in Annexure II to this report. These profits have been arrived after making such adjustments / restatements and regrouping as in our opinion are appropriate and are subject to the Significant Accounting Policies and Notes to Accounts along with adjustments on account of audit qualifications as appearing in Annexure IV to this report.
  3. We have examined the standalone summary statement of cash flow, as restated relating to the Company for the nine months period ended December 31, 2010 and years ended March 31, 2010, 2009, 2008, 2007 & 2006 appearing in Annexure III to this report after making such adjustments / restatements and regrouping as in our opinion are appropriate and are subject to the Significant Accounting Policies and Notes to Accounts along with adjustments on account of audit qualifications as appearing in Annexure IV to this report.

These statements have been prepared by the Company and approved by its Board of Directors (these statements are herein collectively referred to as the "Standalone Restated Summary Statements". These statements have been extracted from the audited financial statement of the

Company for the respective period / years.

Audit of the financial statements for the nine months period ended December 31, 2010 and years ended March 31, 2010, 2009, 2008, 2007 & 2006 have been conducted by Company's Statutory Auditor Bedmutha & Associates, Chartered Accountants. Further, financial statements for the nine months period ended December 31, 2010 and year ended March 31, 2010 have been reaudited by us as required under the SEBI ICDR Regulations. This report, in so far as it relates to the amounts included for the financial years ended March 31, 2009, 2008, 2007 & 2006 is based on the audited financial statements of the Company which were audited by the Statutory Auditor Bedmutha & Associates, Chartered Accountants and whose Auditors' report has been relied upon by us for the said periods.

The Standalone Restated Summary Statements of the Company as included in this report as at for the years ended March 31, 2009, 2008, 2007 and 2006 are based on the audited financial statements of the Company which were audited by the Statutory Auditor of the Company and whose Auditors' report has been relied upon by us for the said years and for the nine months period ended December 31, 2010 and year ended March 31, 2010 examined by us as set out in Annexure I, II and III of this report are after making such adjustments and regrouping as in our opinion were appropriate.

**ANNEXURE - IV****SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE STANDALONE RESTATED FINANCIAL STATEMENTS****A. SIGNIFICANT ACCOUNTING POLICIES****a) Basis of Accounting**

The Accounts are prepared as a going concern under historical cost convention and on accrual basis as required u/s 209(3)(b) of the Companies Act, 1956. Accounting policies not stated explicitly otherwise are consistent with generally accepted accounting principles and Accounting standards referred to in section 211 (3C) of the Companies Act, 1956 and issued by the Institute of Chartered Accountants of India.

**b) Fixed Assets**

Tangible fixed assets are stated at cost of acquisition less accumulated depreciation. Cost being cost of acquisition and includes expenditure directly attributable for commissioning of the assets. All categories of assets costing less than ₹ 5,000 each and items of soft furnishing are fully depreciated in the year of purchase.

**c) Use of estimates**

The preparation of financial statements is in conformity with generally accepted accounting principles and requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities as at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates.

**c) Depreciation**

Depreciation has been provided in the accounts from the date of its installations/use and on written down value method at the rates prescribed in schedule XIV to the Companies Act, 1956 except on "License to collect toll", which is being depreciated over the useful life of the asset on Straight Line Method. The depreciation in respect of fixed assets specifically used on a particular work is charged to the contract account of that particular work. The depreciation on other assets is charged to the Profit and Loss Account.

**d) Investments**

Investments are stated at cost.

**e) Work in progress**

Work in progress for construction contracts under execution as at balance sheet date are valued as per revenue recognition policy of the company after considering provision for losses if any. While the projects otherwise than these are valued at cost.

Work in progress is valued at Cost. Cost includes direct material, labour, other costs (including interest) and directly attributable overheads. Material purchased and lying at site is included in direct material cost.

**f) Revenue Recognition**

Revenue is recognized when it is realized or realizable or earned. Revenue is considered as realized or realizable or earned when it has persuasive evidence of an arrangement, delivery has occurred, the sales price is fixed or determinable and collect ability is reasonably assured.

- 1) The revenue from construction contracting activity is recognized by following percentage completion method of accounting as prescribed in Accounting Standard 7 issued by The Institute of Chartered Accountants of India. The stage of completion of a project is determined by the proportion of the contract cost incurred for work performed up to the Balance Sheet date bears to the estimated total contract cost. In the case where the contract revenue or the stage of completion cannot be determined reliably, the cost incurred on the contract is carried forward as Work In Progress.
- 2) While recognizing profits on contracts / projects substantially completed, due provision for incomplete work / pending bill etc. and probable cost of defect liability is made. Provision for defect liability is made at the amount equal to the amount of retention money (Security deposit retained) plus the bank guarantee offered for defect liability.
- 3) For the estate development activity (Buildership Activity) undertaken by the company, profits from the sale of constructed units is recognized on handing over of the possession to the buyers. Till then, all the expenses incurred on the development and constructions are accumulated and are shown as Work In Progress. Till such time the receipts from the buyers against the sale of units, under construction, are treated as advance, from the buyers and are shown as liability.
- 4) The development and construction cost incurred on infrastructure project is shown as Fixed Asset. Toll Collection is accounted for as income, as and when received.
- 5) Profit/loss from write-off of excess / short provision for defect liability is recognized in the year in which there is unconditional release of retained amount / bank guarantee by the contractee.
- 6) Scrap is accounted for only on realisation.

**g) Retirement and other employee benefits**

Liability for leave encashment and gratuity is provided for, on the basis of actuarial valuation done at the end of the financial year.

**h) Segment reporting policies**

Identification of segments:

The Company's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

**i) Earnings per share**

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

**j) Provisions**

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

**k) Taxes on income**

- i. Current tax is determined as the amount of tax payable in respect of taxable income for the

- year. Provision for Current tax is made after considering tax allowances and exemptions admissible under the provisions of Income Tax Act, 1961 and the Rules made there under.
- ii. Deferred Tax for the year is recognized on timing differences; being the difference between taxable income and accounting income that originate in one year and are capable of reversal in one or more subsequent years.
  - iii. Deferred Tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are recognized and carried forward only if there is a reasonable/virtual certainty of their realization.

#### **l) Borrowing Costs**

Borrowing Costs that are attributable to the acquisition and construction of qualifying assets are capitalized as part of cost of such assets till such time the asset is ready for its intended use. A qualifying asset is one that requires substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Profit & Loss Account.

#### **m) Provisions, Contingent Liabilities and Contingent Assets**

Provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best management estimate required to settle the obligation at the Balance Sheet date. There are reviewed at each Balance Sheet date and adjusted to reflect the current best management estimates. Contingent liabilities are not recognized but are disclosed in the Notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

- n) Cost of Centering / Shuttering material and scaffolding material is treated as revenue expenditure of the year in which such expenditure is incurred.

**Explanatory notes to the above restatements made in the audited financial statements of the Company for the respective years/period.**

#### Adjustments having impact on Profit

- Due to adoptions of Accounting Standard-15 "Employee Benefits", during the financial year 2009-10 the expenses relating to previous accounting year has been apportioned as per Actuarial Valuation Report obtained by the company.
- The intangible asset being "Arni Toll Bypass" was amortized on straight line basis. However, upon review of the useful economic life of the asset, the accounting estimate was changed to amortize the asset in respective years. Accordingly, the pattern of economic benefit has significantly changed and change in life of the assets has been accounted in the restated financial statements retrospectively.
- Up to the year ended March 31, 2010, the tangible asset being shops were not charged to depreciation. However, from the subsequent year i. e from the nine months period ended December 31, 2010, the accounting policy was changed and depericiated the asset on written down value basis. Accordingly, the restated financial statements for all the financial years/period have been appropriately adjusted.
- In Financial Year 2005-06, the company had revalued its intangible asset i.e. "Arni Bypass by ₹ 1063.46 Lakhs which is not been permitted by AS-26.However, from the subsequent year i. e from the nine months period ended December 31, 2010, the accounting policy was changed and to amortize its assets on original cost. Accordingly, the same effects have been given in the restated financial statements of all the financial years/period.

#### Tax Adjustments

- The Profit and Loss Account of some years include amount paid/provided for or refunded/ written back in respect of shortfall / excess income tax arising out of assessments, etc. which has now been adjusted in the respective years.

- f) In view of the restatement of above expenses the Deferred Tax Assets / Deferred Tax Liability has been recalculated.

### **Adjustments having no impact on Profit**

## **MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITIONS AND RESULTS OF OPERATIONS**

*You should read the following discussion and analysis of our financial condition and results of operations together with our restated unconsolidated and consolidated financial statements, including the notes thereto, and other financial data beginning on page 166 of this Draft Red Herring Prospectus. You should also read the sections titled "Risk Factors" and "Forward-Looking Statements" beginning on pages 13 and 12, respectively, of this Draft Red Herring Prospectus Herring Prospectus which discuss a number of factors and contingencies that could impact our financial condition and results of operations.*

*The following discussion is based on our consolidated restated financial statements as of and for the nine months period ended December 31, 2010, fiscal years March 31, 2010, 2009 and 2008. Our audited unconsolidated and consolidated financial statements are prepared in accordance with Indian GAAP, the accounting standards prescribed by the ICAI and the relevant provisions of the Companies Act and restated in accordance with the relevant provisions of the SEBI Regulations and the Companies Act. Our fiscal year ends on March 31 of each year. Unless otherwise stated, "fiscal year" or "fiscal" refers to the twelve month period ending March 31 of that year.*

### **SIGNIFICANT ACCOUNTING POLICIES**

#### **a) Basis of preparation**

The consolidated financial statements are prepared in accordance with Accounting Standard - 21 on consolidated financial statements as issued by ICAI. Reference in these notes to Company, Holding Company, Companies or Group shall mean to include Prakash Constrowell Limited or any of its subsidiaries, unless otherwise stated.

#### **b) Principles of consolidation**

The consolidated financial statements comprise of the financial statements of Prakash Constrowell Limited and its subsidiaries. The financial statements of the group Companies are prepared according to uniform accounting policies, in accordance with accounting principles generally accepted in India. The effects of inter Company transactions are eliminated on consolidation.

#### **c) Goodwill / Capital Reserve on consolidation**

Goodwill / Capital Reserve represents the difference between the Company's share in the net worth of subsidiaries, and the cost of acquisition at each point of time of making the investment in the subsidiaries. For this purpose, the Company's share of net worth is determined on the basis of the latest financial statements prior to the acquisition after making necessary adjustments for material events between the date of such financial statements and the date of respective acquisition. Capital Reserve on consolidation is adjusted against Goodwill. The Goodwill recorded in these consolidated financial statements has not been amortized, but instead evaluated for impairment whenever events or changes in circumstances indicate that its carrying amount may be impaired.

#### **d) Fixed Assets**

Tangible fixed assets are stated at cost of acquisition less accumulated depreciation. Cost being cost of acquisition and includes expenditure directly attributable for commissioning of the assets. All categories of assets costing less than ₹ 5,000 each and items of soft furnishing are fully depreciated in the year of purchase.

#### **e) Use of estimates**

The preparation of financial statements is in conformity with generally accepted accounting principles and requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities as at the date of the financial statements and reported amounts of revenues and expenses during the reporting period.

Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates.

**f) Depreciation**

Depreciation has been provided in the accounts from the date of its installations/use and on written down value method at the rates prescribed in schedule XIV to the Companies Act, 1956 except on "License to collect toll", which is being depreciated over the useful life of the asset on Straight Line Method. The depreciation in respect of fixed assets specifically used on a particular work is charged to the contract account of that particular work. The depreciation on other assets is charged to the Profit and Loss Account.

**g) Investments**

Investments are stated at cost.

**h) Work in progress**

Work in progress for construction contracts under execution as at balance sheet date are valued as per revenue recognition policy of the company after considering provision for losses if any. While the projects otherwise than these are valued at cost.

Work in progress is valued at Cost. Cost includes direct material, labour, other costs (including interest) and directly attributable overheads. Material purchased and lying at site is included in direct material cost.

**i) Revenue Recognition**

Revenue is recognized when it is realized or realizable or earned. Revenue is considered as realized or realizable or earned when it has persuasive evidence of an arrangement, delivery has occurred, the sales price is fixed or determinable and collect ability is reasonably assured.

- 1) The revenue from construction contracting activity is recognized by following percentage completion method of accounting as prescribed in Accounting Standard - 7 issued by The Institute of Chartered Accountants of India. The stage of completion of a project is determined by the proportion of the contract cost incurred for work performed up to the Balance Sheet date bears to the estimated total contract cost. In the case where the contract revenue or the stage of completion cannot be determined reliably, the cost incurred on the contract is carried forward as Work In Progress.
- 2) While recognizing profits on contracts / projects substantially completed, due provision for incomplete work / pending bill etc. and probable cost of defect liability is made. Provision for defect liability is made at the amount equal to the amount of retention money (Security deposit retained) plus the bank guarantee offered for defect liability.
- 3) For the estate development activity (Buildership Activity) undertaken by the company, profits from the sale of constructed units is recognized on handing over of the possession to the buyers. Till then, all the expenses incurred on the development and constructions are accumulated and are shown as Work In Progress. Till such time the receipts from the buyers against the sale of units, under construction, are treated as advance, from the buyers and are shown as liability.
- 4) The development and construction cost incurred on infrastructure project is shown as Fixed Asset. Toll Collection is accounted for as income, as and when received.
- 5) Profit/loss from write-off of excess / short provision for defect liability is recognized in the year in which there is unconditional release of retained amount / bank guarantee by the contractee.
- 6) Scrap is accounted for only on realisation.

**j) Retirement and other employee benefits**

Liability for leave encashment and gratuity is provided for, on the basis of actuarial valuation done at the end of the financial year.

**k) Segment reporting policies**

Identification of segments:

The Company's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

**l) Earnings per share**

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

**m) Provisions**

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

**n) Taxes on income**

- i. Current tax is determined as the amount of tax payable in respect of taxable income for the year. Provision for Current tax is made after considering tax allowances and exemptions admissible under the provisions of Income Tax Act, 1961 and the Rules made there under.
- ii. Deferred Tax for the year is recognized on timing differences; being the difference between taxable income and accounting income that originate in one year and are capable of reversal in one or more subsequent years.
- iii. Deferred Tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are recognized and carried forward only if there is a reasonable/virtual certainty of their realization.

**o) Borrowing Costs**

Borrowing Costs that are attributable to the acquisition and construction of qualifying assets are capitalized as part of cost of such assets till such time the asset is ready for its intended use. A qualifying asset is one that requires substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Profit & Loss Account.

**p) Provisions, Contingent Liabilities and Contingent Assets**

Provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best management estimate required to settle the obligation at the Balance Sheet date. There are reviewed at each Balance Sheet date and adjusted to reflect the current best management estimates. Contingent liabilities are not recognized but are disclosed in the Notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

- q) Cost of Centering / Shuttering material and scaffolding material is treated as revenue expenditure of the year in which such expenditure is incurred.**

For further details please refer the chapter titled “Business Overview” on page 105 of this Draft Red Herring Prospectus.

## Significant developments subsequent to the last financial year

The following subsidiaries were formed during the current Financial Year 2010-11 i.e. period subsequent to the last financial year i.e. Financial Year 2009-10:

Name of the Subsidiary Company	Date of Incorporation	Country of Incorporation	Date from which the company became subsidiary of the Company	Stake in the subsidiary
Atal Buildwell Private Limited	March 7, 2007	India	April 10, 2010	51.00%
Ram Buildwel Private Limited	September 18, 2007	India	April 10, 2010	51.00%

Other than the above, in the opinion of the Board of Directors of our Company, there have not arisen, since the date of the last financial statements disclosed in this Draft Red Herring Prospectus, any circumstance that materially or adversely affect or are likely to affect the profitability of our Company or the value of its assets or its ability to pay its material liabilities within the next twelve months.

## Significant Factors Affecting Our Results of Operations

### Performance of the civil construction sector

We focus principally on projects in the construction sector. The government's focus on and sustained increase in budgetary allocation for infrastructure and the development of a structured and comprehensive infrastructure policy that encourages greater private sector participation as well as increased funding by international and multilateral development financial institutions in infrastructure projects in India have resulted in, and are expected to result in, the development of large infrastructure projects in India. Our ability to benefit from such investments proposed in construction projects in the medium and long term will be key to our results of operations. Further, any change in government policy with respect to its focus or development of infrastructure projects in India could have a material adverse effect on our financial condition and results of operations.

***Cost of raw materials, labour and other inputs***

The cost of raw materials, fuel, labour and other inputs constitute a significant part of our operating expenses. Our construction operations require various construction raw materials including steel, bitumen, aggregate, cement, pipes and electrical goods. Fuel costs for operating our construction and other equipment also constitute a significant part of our operating expenses. Additionally, we typically use third-party transportation providers for the supply of most of our raw materials. Transportation strikes by, for example, members of various Indian truckers, unions and various legal or regulatory restrictions placed on transportation providers have had in the past, and could have in the future, an adverse effect on our receipt of supplies. Further, transportation costs have been steadily increasing, and the prices of raw materials themselves can fluctuate. If we are unable to procure the requisite quantities of raw materials in time and at commercially acceptable prices, the performance of our business and results of operations may be adversely affected. Unanticipated increases in the price of raw materials, fuel costs, labour or other inputs not taken into account in our bid and delays in performing parts of the contract can have compounding effects by increasing the costs of performing other parts of the contract. These risks generally inherent to the construction industry may result in our profits being different from those originally estimated and may result in us experiencing reduced profitability or losses on projects.

***Dependence upon limited number of clients and projects***

We are dependent on a very limited number of clients and projects and we depend on getting a repeat business from such clients. Our top clients vary from period to period depending on the completion schedule of the projects and this may result in variations in our revenue and profits during such periods. Any loss of a significant client will have an adverse effect on our business and results of operations. Our business will be adversely affected if we are unable to develop and maintain a continuous relationship with our key clients and any loss of a key client will reduce or eliminate or reduce the business operations.

***Competition and our bidding and execution capability***

We face intense competition from big international and domestic construction companies and expect competition to strengthen due to possible new entrants in the market, existing competitors further expanding their operations and our entry into new markets where we may compete with well-established infrastructure companies. Our competition varies depending upon size, nature and complexity of the project. Contracts in the infrastructure sector are awarded on the basis of pre-qualification criteria and competitive bidding processes. Once the technical requirements of the tender are cleared, the contract is usually awarded on the basis of the competitive price quoted by the bidder.

***Changes in Tax Laws***

We believe that any change in the existing tax benefits and incentives can affect our financial condition and operations. Infrastructure sector enjoys many benefits as per Current Tax Laws.

***Seasonality and weather conditions***

Our business operations may be materially and adversely affected by severe weather, which may require us to evacuate personnel or curtail services and may result in damage to our infrastructure projects and our equipment or facilities, resulting in the suspension of operations. In addition, such weather may prevent us from delivering materials to our project sites in accordance with contract schedules or otherwise generally reduce our productivity. Our operations and our infrastructure business in particular, are also adversely affected by difficult working conditions and extremely high temperatures during summer months and during monsoon season, which restrict our ability to carry on construction activities and fully utilise our resources. During periods of curtailed activity due to adverse weather conditions, we may continue to incur operating expenses, but our revenues from operations may be delayed or reduced.

## Overview of our Results of Operations

As a result of the various factors discussed above that affect our income and expenditure, our results of operations may vary from period to period. The following table sets forth certain information with respect to our results of operations for the nine months period ended December 31, 2010 and Fiscals 2008, 2009 and 2010, as derived from our consolidated restated financial statements:

### **OTHER MATTERS**

#### **1. Unusual or infrequent events or transactions**

Except as described in this Draft Red Herring Prospectus, during the periods under review there have been no transactions or events, which in our best judgment, would be considered unusual or infrequent.

#### **2. Significant economic changes that materially affected or are likely to affect income from continuing operations**

Other than as described in the chapters titled "*Risk Factors*" and "*Management's Discussion and Analysis of Financial Condition and Results of Operations*", on pages 13 and 231 respectively of this Draft Red Herring Prospectus respectively, to our knowledge there are no known trends or uncertainties that have or had or are expected to have a material adverse impact on revenues or income of our Company from continuing operations.

#### **3. Known trends or uncertainties that have had or are expected to have a material adverse impact on sales, revenue or income from continuing operations**

Other than as described in the chapter titled "*Risk Factors*" and "*Management's Discussion and Analysis of Financial Condition and Result of Operations*", to our knowledge there are no known trends or uncertainties that have or had or are expected to have a material adverse impact on revenues or income of our company from continuing operations.

#### **4. Future relationship between Costs and Income**

Other than as described in the chapter titled "*Risk Factors*" on page 13 of this Draft Red Herring Prospectus, to our knowledge there are no factors, which will affect the future relationship between costs and income or which are expected to have a material adverse impact on our operations and finances.

#### **5. The extent to which material increases in net sales or revenue are due to increased sales volume, introduction of new products or services or increased prices**

Increases in revenues are by and large linked to increases in volume of business activity carried out by the Company.

**6. Total turnover of each major industry segment in which the issuer company operates.**

The Company is operating in infrastructure construction industry. Relevant industry data, as available, has been included in the chapter titled "*Industry Overview*" beginning on page 82 of this Draft Red Herring Prospectus.

**7. Status of any publicly announced new products or business segments**

Please refer to the chapter titled "*Business Overview*" beginning on page 105 of this Draft Red Herring Prospectus.

**8. The extent to which the business is seasonal.**

Our business is not seasonal. However, due to the difficult working conditions during the monsoon season, we try to maximize construction work during the winter, dryer periods of the year. Often this means mobilizing more equipment and increasing staffing levels on construction projects during these periods.

**9. Any significant dependence on a single or few suppliers or customers**

There is no dependence on a single or few suppliers or customers.

**10. Competitive Conditions**

Despite the fact that we are not affected by competition in the short-term due to our arrangements under our concession and license agreements, our results of operations could be affected by competition in the infrastructure construction sector in India in the future. We expect competition to intensify due to possible new entrants in the market, existing competitors further expanding their operations and our entry into new markets where we may compete with well-established infrastructure construction companies. This we believe may impact our financial condition and operations.

This Draft Red Herring Prospectus does not, however, constitute an offer to sell or an invitation to subscribe to or purchase Equity Shares offered hereby in any other jurisdiction to any Person to whom it is unlawful to make an offer or invitation in such jurisdiction. Any Person into whose possession this Draft Red Herring Prospectus comes is required to inform himself or herself about and to observe, any such restrictions. Any dispute arising out of this Issue will be subject to the jurisdiction of appropriate court(s) in Mumbai, Maharashtra, India only.

No action has been, or will be, taken to permit a public offering in any jurisdiction where action would be required for that purpose, except that the Draft Red Herring Prospectus has been filed with SEBI for its observations and SEBI shall give its observations in due course. Accordingly, the Equity Shares represented thereby may not be offered or sold, directly or indirectly, and the Draft Red Herring Prospectus may not be distributed, in any jurisdiction, except in accordance with the legal requirements applicable in such jurisdiction. Neither the delivery of this Draft Red Herring Prospectus nor any sale hereunder shall, under any circumstances, create any implication that there has been no change in the affairs of our Company since the date hereof or

that the information contained herein is correct as of any time subsequent to this date.

***The Equity Shares have not been and will not be registered under the U.S. Securities Act of 1933 (the "Securities Act") or any state securities laws in the United States and may not be offered or sold within the United States or to, or for the account or benefit of, "U.S. persons" (as defined in Regulation S under the Securities Act). Accordingly, the Equity Shares will be offered and sold only outside the United States to non-US persons in offshore transactions in compliance with Regulation S of the Securities Act and the applicable laws of the jurisdiction where those offers and sales occur.***

***The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.***

Further, each Bidder where required agrees that such Bidder will not sell or transfer any Equity Shares or create any economic interest therein, including any off-shore derivative instruments, such as participatory notes, issued against the Equity Shares or any similar security, other than pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and in compliance with applicable laws and legislations in each jurisdiction, including India.

Until the expiry of 40 days after the commencement of the Issue, an offer or sale of Equity Shares within the United States by a dealer (whether or not it is participating in the Issue) may violate the registration requirements of the Securities Act.

Each purchaser acquiring the Equity Shares outside the United States pursuant to Regulation S will be deemed to have represented and agreed that it has received a copy of this Draft Red Herring Prospectus and such other information, as it deems necessary to make an informed investment decision and that:

1. the purchaser acknowledges that the Equity Shares have not been and will not be registered under the Securities Act, or with any securities regulatory authority of any state of the United States, and are subject to restrictions on transfer;
2. the purchaser and the person, if any, for whose account or benefit the purchaser is acquiring the Equity Shares, was located outside the United States at the time the buy order for the Equity Shares was originated and continues to be located outside the United States and has not purchased the Equity Shares for the account or benefit of any person in the United States or entered into any arrangement for the transfer of the Equity Shares or any economic interest therein to any person in the United States;
3. the purchaser is not an affiliate of our Company or a person acting on behalf of such affiliate; and it is not in the business of buying and selling securities or, if it is in such business, it did not acquire the Equity Shares from our Company or an affiliate thereof in the initial distribution of the Equity Shares;
4. if, in the future, the purchaser decides to offer, resell, pledge or otherwise transfer such Equity Shares, or any economic interest therein, such Equity Shares or any economic interest therein may be offered, sold, pledged or otherwise transferred only in accordance with Regulation S under the Securities Act, or any transaction exempt from the registration requirements of the Securities Act, in each case in accordance with any applicable securities laws of any state of the United States or any other jurisdiction;
5. the purchaser is purchasing the Equity Shares in an offshore transaction meeting the requirements of Rule 903 of Regulation S under the Securities Act; and
6. the purchaser acknowledges that our Company, the BRLM and their affiliates, and

others will rely upon the truth and accuracy of the foregoing acknowledgements, representations and agreements and agrees that, if any of such acknowledgements, representations and agreements deemed to have been made by virtue of its purchase of the Equity Shares are no longer accurate, it will promptly notify our Company, and if it is acquiring any of the Equity Shares as a fiduciary or agent for one or more accounts, it represents that it has sole investment discretion with respect to each such account and that it has full power to make the foregoing acknowledgements, representations and agreements on behalf of such account.

## SECTION VII - ISSUE INFORMATION

### TERMS OF THE ISSUE

The Equity Shares being issued are subject to the provisions of the Companies Act, our Memorandum and Articles, the terms of the Red Herring Prospectus, the Prospectus, the Bid cum Application Form, the ASBA Form, the Revision Form, the CAN, the listing agreements to be entered with the Stock Exchanges and other terms and conditions as may be incorporated in the Allotment advices and other documents or certificates that may be executed in respect of this Issue. The Equity Shares shall also be subject to all applicable laws, guidelines, rules, notifications and regulations relating to the issue of capital and listing and trading of securities issued from time to time by the SEBI, the GoI, the Stock Exchanges, the RoC, the RBI and/or other authorities, as in force on the date of this Issue and to the extent applicable.

#### Authority for the Issue

The Board of Directors has, pursuant to a resolution passed at its meeting held on January 5, 2011, authorised this Issue subject to the approval of the shareholders of our Company, and such other authorities as may be necessary.

The shareholders of our Company have, pursuant to a resolution dated January 29, 2011 under section 81(1A) of the Companies Act, authorised this Issue.

Our Company has obtained in-principle listing approvals dated [●] and [●] from the BSE and NSE respectively.

#### Ranking of Equity Shares

The Equity Shares being issued shall be subject to the provisions of the Companies Act, our Memorandum and Articles and shall rank *pari passu* in all respects with the existing Equity Shares including rights in respect of dividend. The Allottees will be entitled to dividends and other corporate benefits, if any, declared by our Company after the date of Allotment. See the section titled —“Main Provisions of the Articles of Association” on page 309 of this Draft Red Herring Prospectus for a description of significant provisions of our Articles.

#### Mode of Payment of Dividend

Our Company shall pay dividends to shareholders of our Company as per the provisions of the Companies Act, Articles of Association and provisions of the Listing Agreement.

#### Face Value and Issue Price

The face value of the Equity Shares is ₹ 10 each. The Floor Price of Equity Shares is ₹ [●] per Equity Share and the Cap Price is ₹ [●] per Equity Share.

At any given point of time there shall be only one denomination for the Equity Shares.

#### Compliance with Regulations issued by SEBI

Our Company shall comply with all applicable disclosure and accounting norms as specified by SEBI from time to time.

#### Rights of the Equity Shareholders

Subject to applicable laws, rules, regulations and guidelines and the provisions of our Articles, the equity shareholders of our Company shall have the following rights:

- The right to receive dividends, if declared;
- The right to attend general meetings and exercise voting powers, unless prohibited by law;
- The right to vote on a poll either in person or by proxy;

- The right to receive offers for rights shares and be allotted bonus shares, if announced;
- The right to receive any surplus on liquidation subject to any statutory and other preferential claims being satisfied;
- The right to freely transfer their Equity Shares; and
- Such other rights, as may be available to a shareholder of a listed public company under the Companies Act, the terms of the listing agreements executed with the Stock Exchanges, and our Memorandum and Articles.

For a detailed description of the main provisions of our Articles relating to voting rights, dividend, forfeiture and lien, transfer and transmission, and/ or consolidation/ splitting, see the section titled — *Main Provisions of the Articles of Association*” on page 309 of this Draft Red Herring Prospectus.

#### **Market Lot, Trading Lot and Option to receive Equity Shares in Dematerialised Form**

Pursuant to Section 68B of the Companies Act, the Equity Shares shall be Allotted only in dematerialised form. Hence, the Equity Shares being offered through the Red Herring Prospectus can be applied for in the dematerialised form only.

Further, as per the provisions of the SEBI Regulations, the trading of our Equity Shares shall only be in dematerialised form, consequent to which, the tradable lot is one Equity Share. Allocation of Equity Shares in this Issue and Allotment will be only in electronic form in multiples of [●] Equity Shares, subject to a minimum Allotment of [●] Equity Shares.

The Price Band and the minimum bid lot will be decided by our Company in consultation with the Book Running Lead Manager, including the relevant financial ratios computed for both the Cap Price and the Floor Price, which shall be published in English and Hindi national newspapers, and one regional newspaper, each with wide circulation, being the newspapers in which the pre-Issue advertisements were published, at least two Working Days prior to the Bid Opening Date.

#### **Joint Holders**

Subject to provisions contained in our Articles, where two or more persons are registered as the holders of any Equity Share, they shall be deemed to hold the same as joint tenants with benefits of survivorship.

#### **Promoter and Promoter Group Participating in this Issue**

Our Promoters, Group Companies and the member of our Promoter Group will not participate in this Issue.

#### **Jurisdiction**

Any dispute arising out of this Issue will be subject to the jurisdiction of appropriate court(s) in Mumbai, India only.

#### **Nomination facility to investors**

In accordance with Section 109A of the Companies Act, the sole or First Bidder, along with other joint Bidders, may nominate any one person in whom, in the event of the death of the sole Bidder or in case of joint Bidders, the death of all the Bidders, the Equity Shares Allotted, if any, shall vest. A person, being a nominee, entitled to the Equity Shares by reason of death of the original holder(s), shall be entitled to the same advantages to which such person would be entitled if such person were the registered holder of the Equity Share(s). Where the nominee is a minor, the holder(s) may make a nomination to appoint, in the prescribed manner, any person to become entitled to the Equity Share(s) in the event of his or her death during the minority. A nomination shall stand rescinded upon a sale, transfer of Equity Share(s) by the person nominating. A buyer will be entitled to make a fresh nomination in the manner prescribed. Fresh nomination can be made only on the prescribed form available on request at our Registered Office or with the Registrar to the Issue and transfer agents of our Company.

In accordance with Section 109B of the Companies Act, any person who becomes a nominee by virtue of Section 109A of the Companies Act as mentioned above, shall, upon the production of such evidence as may be required by our Board, elect either:

- to register himself or herself as the holder of the Equity Shares; or
- to make such transfer of the Equity Shares, as the deceased holder could have made.

Further, our Board may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the Equity Shares, and if the notice is not complied with within a period of 90 days, our Board may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the Equity Shares, until the requirements of the notice have been complied with.

Since the Allotment will be made only in dematerialised form, there shall be no requirement for a separate nomination with our Company. Nominations registered with the respective Depository Participant of the applicant will prevail. If the investors require to change their nomination, they are requested to inform their respective Depository Participant.

### **Minimum Subscription**

In the event our Company does not receive a minimum subscription of 90% of the Issue, including devolvement to the Underwriters within 60 days from the Bid Closing Date, we shall forthwith refund the entire subscription amount received. If there is a delay beyond eight days after our Company becomes liable to pay the amount, we shall pay such interest prescribed under Section 73 of the Companies Act.

Further, in accordance with Regulation 26(4) of the SEBI Regulations, our Company shall ensure that the number of prospective allottees to whom the Equity Shares will be Allotted will be not less than 1,000.

### **Application by Eligible NRIs, FIIs and Sub-Accounts**

It is to be distinctly understood that there is no reservation for NRIs and FIIs, Sub-Accounts or FVCIs and other Non-Residents. Such Eligible NRIs, FIIs, Sub-Accounts or FVCIs and other Non-Residents shall be treated on the same basis as other categories for the purposes of Allocation.

As per existing regulations, OCBs cannot participate in this Issue.

### **Arrangements for disposal of odd lots**

The Equity Shares will be traded in dematerialized form only and therefore the marketable lot is one (1) Equity Share. Hence, there is no possibility of any odd lots.

### **Restriction on transfer and transmission of shares**

There are no restrictions on transfers and transmission of Equity Shares and on their consolidation/splitting except as provided in our Articles. See the section titled "*Main Provisions of the Articles of Association*" at page 309 of this Draft Red Herring Prospectus.

### **Withdrawal of the Issue**

Our Company, in consultation with the Book Running Lead Manager, reserves the right not to proceed with the Issue in accordance with SEBI Regulations. Provided, if our Company withdraws the Issue after the Bid Closing Date, we will give the reason thereof within two days of the Bid Closing Date by way of a public notice in the same newspapers where the pre-issue advertisement had appeared. The Stock Exchanges shall also be informed promptly. Notwithstanding the foregoing, the Issue is also subject to obtaining (i) the final listing and trading approvals of the Stock Exchanges, which our Company shall apply for after Allotment and (ii) the final RoC approval of the Prospectus after it is filed with the RoC.

### **Application under Rule 144A of the U.S. Securities Act**

The Equity Shares are being offered and sold (i) within the United States to "qualified institutional buyers" in reliance on Rule 144A under the U.S. Securities Act and (ii) outside of the United States to non-U.S. Persons in reliance on Regulation S under the Securities Act ("**Regulations S**"). The Equity Shares have not been and will not be registered under the Securities Act and may not be offered or sold within the United States except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

***The above information is given for the benefit of the Bidders. The Bidders are advised to make their own enquiries about the limits applicable to them. Our Company and the BRLM do not accept any responsibility for the completeness and accuracy of the information stated hereinabove. Our Company and the BRLM are not liable to inform the investors of any amendments or modifications or changes in applicable laws or regulations, which may occur after the date of this Draft Red Herring Prospectus. Bidders are advised to make their independent investigations and ensure that the number of Equity Shares Bid for do not exceed the applicable limits under laws or regulations.***

## ISSUE PROCEDURE

*This Chapter applies to all Bidders. Please note that all Bidders can participate in this Issue through the ASBA process. ASBA Bidders should note that the ASBA process involves application procedures that are different from the procedure applicable to Bidders other than the ASBA Bidders. Bidders applying through the ASBA process should carefully read the provisions applicable to such applications before making their application through the ASBA process. Please note that all Bidders (other than ASBA Bidders) are required to make payment of the full Bid Amount with the Bid-cum-Application Form. In case of ASBA Bidders, an amount equivalent to the full Bid Amount will be blocked by the SCSB.*

*Please note that the information stated/ covered in this section may not be complete and / or accurate and as such would be subject to modification/ change. Our Company and the BRLM would not be liable for any amendment, modification or change in applicable law, which may occur after the date of this Draft Red Herring Prospectus. Bidders are advised to make their independent investigations and ensure that their Bids do not exceed the investment limits or maximum number of Equity Shares that can be held by them under applicable law or as specified in the Red Herring Prospectus and the Prospectus.*

It may be noted that as per circular dated Oct 12, 2010 by SEBI, the Syndicate has been permitted to procure ASBA Bid-cum-Application Forms from the ASBA Bidders and submit the same to the SCCBs. The said SEBI Circular further states that the implementation of this circular would require some modification in existing processes and systems and such modifications shall be communicated in due course. We shall incorporate disclosures to this effect in the Red Herring Prospectus/ Prospectus to be filed for the Issue, once the requisite modifications to existing processes and systems are communicated or otherwise suggested by SEBI.

It may also be noted that pursuant to the SEBI press release (PR No.24/2011) dated February 7, 2011, ASBA facility has been made mandatory for non-retail investors (i.e. Qualified Institutional Buyers and Non-Institutional Investors) from May 1, 2011. We shall incorporate disclosures to this effect in the Red Herring Prospectus/ Prospectus to be filed for the Issue, once an amendment to the SEBI ICDR Regulations incorporating the said change is notified by SEBI.

### **Book Building Procedure**

The Issue is being made through the 100% Book Building Process. In terms of Rule 19(2)(b)(i) of the SCRR, this being an Issue for at least 25% of the post Issue share capital, up to 50% of the Issue shall be Allotted to QIBs on a proportionate basis. Out of the QIB Portion, 5% shall be available for allocation on a proportionate basis to Mutual Funds only. The remainder shall be available for allocation on a proportionate basis to QIBs and Mutual Funds, subject to valid Bids being received from them at or above the Issue Price. Further, not less than 15% of the Issue will be available for allocation on a proportionate basis to Non-Institutional Bidders and not less than 35% of the Issue will be available for allocation on a proportionate basis to Retail Individual Bidders, subject to valid Bids being received at or above the Issue Price.

All Bidders other than ASBA Bidders are required to submit their Bids through the members of Syndicate. Bids by QIBs, except ASBA bidders will only have to be submitted to members of the Syndicate or their affiliates. ASBA Bidders are required to submit their Bids to SCSBs.

Investors should note that the Allotment will only be in dematerialised form. The Bid cum Application Forms or ASBA Forms, as the case may be, which do not have the details of the Bidders' depository account including Depository Participant Identity ("**DP ID**"), Permanent Account Number ("**PAN**") and Beneficiary Account Number shall be treated as incomplete and rejected. The Equity Shares on Allotment shall be traded only in the dematerialised segment of the Stock Exchanges.

### **Bid cum Application Form and ASBA Form**

**The prescribed color of the Bid cum Application Form and ASBA Form for various categories of Bidders is as follows:**

Category	Colour of Bid cum Application Form/ ASBA Form
Resident Indians (Resident QIBs, Non-Institutional Investors and Resident Individuals) and Eligible NRIs applying on a non-repatriation basis (ASBA and non ASBA)	White
Eligible NRIs, FIIs, their Sub-Accounts (other than Sub-Accounts which are foreign corporates or foreign individuals bidding under the QIB Portion), FVCIs and multilateral and bilateral financial institutions and other Non-Residents including Non-Institutional Investors, applying on a repatriation basis (ASBA and non ASBA)	Blue

Bidders, other than ASBA Bidders, are required to submit their Bids through the Syndicate. Bidders (excluding ASBA Bidders) shall only use the specified Bid cum Application Form bearing the stamp of a member of a Syndicate for the purpose of making a Bid in terms of the Red Herring Prospectus. Before being issued to the Bidders, other than ASBA Bidders, the Bid cum Application Forms shall be serially numbered and date and time stamped at the Bidding Centres and such form shall be issued in duplicate signed by the Bidder and countersigned by a member of the Syndicate. The Bid cum Application Form shall contain information about the Bidder, the price and the number of Equity Shares that the Bidder wishes to Bid for. The Bidder shall have the option to make a maximum of three Bids in the Bid cum Application Form and such options shall not be considered as multiple Bids. The ASBA Bid cum Application Form will also be available on the websites of the Stock Exchanges at least one day prior to the Bid Opening Date and shall bear a unique application number. The Book Running Lead Manager and the SCSBs will provide the hyperlink to BSE or NSE on their websites.

Upon filing of the Prospectus with the RoC, the Bid cum Application Form shall be considered as the Application Form. Upon completing and submitting the Bid cum Application Form to a member of the Syndicate, the Bidder, other than ASBA Bidders, is deemed to have authorised our Company to make the necessary changes in the Red Herring Prospectus as would be required for filing the Prospectus with the RoC and as would be required by RoC after such filing, without prior or subsequent notice of such changes to the Bidder.

Bidders can also submit their Bids through ASBA by submitting ASBA Forms, obtained from the Designated Branches, to the SCSB with whom the ASBA Account is maintained, authorising blocking of funds that are available in the ASBA Account. ASBA Bidders can submit their Bids, either in physical or electronic mode. In case of application in physical mode, the ASBA Bidder shall submit the ASBA Form at the relevant Designated Branch. In case of application in electronic form, the ASBA Bidder shall submit the ASBA Form either through the internet banking facility available with the SCSB, or such other electronically enabled mechanism for bidding and blocking funds in the ASBA Account held with SCSB, and accordingly registering such Bids. The SCSB shall block an amount in the ASBA Account equal to the Bid Amount specified in the ASBA Form. Upon completing and submitting the ASBA Form to the SCSB, the ASBA Bidder is deemed to have authorised our Company to make the necessary changes in the Red Herring Prospectus and the ASBA Form, as would be required for filing the Prospectus with the RoC and as would be required by RoC after such filing, without prior or subsequent notice of such changes to the ASBA Bidder.

#### **Participation by associates and affiliates of the Book Running Lead Manager and Syndicate Members**

The BRLM and Syndicate Member shall not be entitled to subscribe to this Issue in any manner except towards fulfilling their underwriting obligations. However, associates and affiliates of the BRLM and Syndicate Member may subscribe for Equity Shares in the Issue, including in the QIB Portion and Non-Institutional Portion where the allocation is on a proportionate basis. Bidders are advised to ensure that any single Bid from them does not exceed the investments limits or maximum number of Equity Shares that can be held by them under applicable laws, rules, regulations, guidelines and approvals.

#### **Participation by eligible/permitted Sub-Accounts which are foreign corporates or foreign individuals**

Eligible/permitted Sub-Accounts which are foreign corporates or foreign individuals may Bid in the Non-Institutional Portion, subject to receipt of appropriate approvals from applicable regulatory authorities.

#### **Bids by Mutual Funds**

5% of the QIB Portion is available to be allocated to Mutual Funds on a proportionate basis, subject to receipt of valid Bids.

An eligible Bid by a Mutual Fund shall first be considered for allocation proportionately in the Mutual Fund Portion. In the event that the demand from Mutual Funds is greater than [●] Equity Shares, allocation shall be made to Mutual Funds proportionately, to the extent of the Mutual Fund Portion. The remaining demand by Mutual Funds shall, as part of the aggregate demand by QIBs, be available for allocation proportionately out of the remainder of the QIB Portion, after excluding the allocation in the Mutual Fund Portion.

The Bids made by the asset management companies or custodians of Mutual Funds shall specifically state the names of the concerned schemes for which the Bids are made.

In case of a Mutual Fund, a separate Bid can be made in respect of each scheme of the Mutual Fund registered with SEBI and such Bids in respect of more than one scheme of the Mutual Fund will not be treated as multiple Bids provided that the Bids clearly indicate the scheme concerned for which the Bid has been made.

No mutual fund scheme shall invest more than 10% of its net asset value in the equity shares or equity related instruments of any single company provided that the limit of 10% shall not be applicable for investments in index funds or sector or industry specific funds. No Mutual Fund under all its schemes should own more than 10% of any company's paid-up share capital carrying voting rights.

#### **Bids by Eligible NRIs**

1. Bid cum Application Forms/ ASBA Forms have been made available for Eligible NRIs on a repatriation basis at the Registered Office and with the members of the Syndicate.
2. Eligible NRI applicants may please note that only such Bids as are accompanied by payment in free foreign exchange shall be considered for Allotment. The Eligible NRIs who intend to make payment through Non-Resident Ordinary (NRO) accounts shall use the Bid cum Application Form meant for Resident Indians.

#### **Bids by FIIs**

Under the extant law, the issue of Equity Shares to a single FII cannot exceed 10% of our post-Issue paid-up equity share capital. In respect of an FII investing in our Equity Shares on behalf of its Sub-Accounts, the investment on behalf of each Sub-Account shall not exceed 10% of our total issued equity share capital or 5% of our total issued equity share capital in case such Sub-Account is a foreign corporate or an individual permitted to make investments. As of now, the aggregate FII holding in our Company cannot exceed 24% of our total issued capital. The said 24% limit can be increased upto 100% by passing a resolution by the Board followed by passing a special resolution to that effect by the shareholders of our Company. Our Company has not obtained board or shareholders approval to increase the FII limit to more than 24%.

Subject to compliance with all applicable Indian laws, rules, regulations guidelines and approvals in terms of Regulation 15A(1) of the Securities Exchange Board of India (Foreign Institutional Investors) Regulations 1995, as amended (the "**SEBI FII Regulations**"), an FII or its Sub-Account may issue, deal or hold, offshore derivative instruments (as defined under the SEBI FII Regulations as any instrument, by whatever name called, which is issued overseas by a foreign institutional investor against securities held by it that are listed or proposed to be listed on any recognised stock exchange in India, as its underlying) directly or indirectly, only in the event (i) such offshore derivative instruments are issued only to persons who are regulated by an appropriate regulatory authority; and (ii) such offshore derivative instruments are issued after compliance with 'know your client' norms. The FII or Sub-Account is also required to ensure that no further issue or transfer of any offshore derivative instrument is made by or on behalf of it to any persons that are not regulated by an appropriate foreign regulatory authority as defined under the SEBI FII Regulations. Associates and affiliates of the underwriters, including the Book Running Lead Manager and Syndicate Members that are FIIs may issue offshore derivative instruments against Equity Shares Allotted to them. Any such offshore derivative instrument does not constitute any obligation or claim on or interest in, our Company.

#### **Bids by SEBI registered Venture Capital Funds and Foreign Venture Capital Funds**

The SEBI (Venture Capital Funds) Regulations, 1996 and SEBI (Foreign Venture Capital Investor) Regulations, 2000 *inter alia* prescribe the investment restrictions on VCFs and FVCIs.

Accordingly, the holding by any individual VCFs in one company should not exceed 25% of the corpus of the said VCF, a Foreign Venture Capital Investor can invest its entire funds committed for investments into India in one company. Further, VCFs and FVCIs can invest only upto 33.33% of their investible funds by way of subscription to an initial public offer of a venture capital undertaking.

Further, according to the SEBI Regulations, the shareholding of SEBI registered Venture Capital Funds and Foreign Venture Capital Investors held in a company prior to making an initial public offering would be exempt from lock-in requirements only if the shares have been held by them for at least one year prior to the time of filing this Draft red herring prospectus with SEBI.

#### **Bids by Insurance Companies**

In case of the Bids made by insurance companies registered with the Insurance Regulatory and Development Authority, a certified copy of certificate of registration issued by the Insurance Regulatory and Development Authority must be lodged along with the Bid cum Application Form. Failing this, our Company reserves the right to reject such Bids in whole or in part without assigning reasons thereof.

#### **Bids made by Provident Funds**

In case of the Bids made by provident funds, subject to applicable law, with minimum corpus of ₹ 2,500 lakhs and pension funds with minimum corpus of ₹ 2,500 lakhs, a certified copy of certificate from a chartered accountant certifying the corpus of the provident fund/pension fund must be lodged along with the Bid cum Application Form. Failing this, our Company reserves the right to accept or reject any Bid in whole or in part, in either case, without assigning any reason thereof.

#### **Bids by Limited liability partnership**

In case of Bids made by limited liability partnerships registered under the Limited Liability Partnership Act, 2008, a certified copy of certificate of registration issued under the Limited Liability Partnership Act, 2008, must be attached to the Bid cum Application Form. Failing this, our Company reserves the right to reject any Bid without assigning any reason thereof.

**The above information is given for the benefit of the Bidders. Our Company, Directors and officers, affiliates, associates, their respective directors and officers and the Book Running Lead Manager do not accept any responsibility for the completeness and accuracy of the information stated hereinabove. Our Company, Directors and officers, affiliates, associates, their respective directors and officers or the Book Running Lead Manager are not liable for any amendments or modification or changes in applicable laws or regulations, which may occur after the date of this DRHP. Bidders are advised to make their independent investigations and ensure that the number of Equity Shares Bid for do not exceed the applicable limits under laws or regulations.**

#### *Maximum and Minimum Bid Size*

- 1. For Retail Individual Bidders:** The Bid must be for a minimum of [●] Equity Shares and in multiples of [●] Equity Shares thereafter, so as to ensure that the Bid Amount payable by the Bidder does not exceed ₹ 2,00,000. In case of revision of Bids, the Retail Individual Bidders have to ensure that the Bid Amount does not exceed ₹ 2,00,000. In case the Bid Amount is over ₹ 2,00,000 due to revision of the Bid or revision of the Price Band or on exercise of bidding at Cut-off Price, the Bid would be considered for allocation under the Non-Institutional Portion. The bidding at Cut-off Price is an option given only to the Retail Individual Bidders indicating their agreement to Bid and purchase at the Issue Price as determined at the end of the Book Building Process.
- 2. For Non-Institutional Bidders and QIBs:** The Bid must be for a minimum of such number of Equity Shares such that the Bid Amount exceeds ₹ 2,00,000 and in multiples of [●] Equity Shares thereafter. A Bid cannot be submitted for more than the Issue size. However, the Bid by a QIB should not exceed the investment limits prescribed for them by applicable laws. **Under the SEBI Regulations a QIB cannot withdraw its Bid after the QIB Bid Closing Date and is required to pay the entire Bid Amount upon submission of the Bid.** The identity of QIBs bidding in the Issue under QIB Portion shall not be made public.

In case of revision in Bids, the Non-Institutional Bidders, who are individuals, have to ensure that the revised Bid Amount is greater than ₹ 2,00,000 for being considered for allocation in the Non-Institutional Portion. In case the Bid Amount reduces to ₹ 2,00,000 or less due to a revision in

Bids or revision of the Price Band, Bids by Non-Institutional Bidders who are eligible for allocation in the Retail Portion would be considered for allocation under the Retail Portion. Non-Institutional Bidders and QIBs are not allowed to Bid at 'Cut-off'.

**The above information is given for the benefit of the Bidders. Bidders are advised to make independent enquiries and ensure that any single Bid from them does not exceed the investment limits or maximum number of Equity Shares that can be held by them under applicable law or regulation or as specified in this Draft Red Herring Prospectus. Our Company and the Book Running Lead Manager do not accept any responsibility for the completeness and accuracy of the information in relation to applicable investment limits or number of Equity Shares that can be held by them stated herein.**

**Our Company and the Book Running Lead Manager are not liable for any amendments or modification or changes in applicable laws or regulations, which may occur after the date of this Draft Red Herring Prospectus.**

Refund amounts following a permitted withdrawal of a Bid shall be paid in the manner described under paragraph "Payment of Refund".

Eligible Bidders who propose to use the ASBA process shall approach the Designated Branches to register their Bids.\*

***\*Bidders are advised not to submit the Bid cum Application Form to Escrow Collection Banks and the same will be rejected in such cases and the Bidders will not be entitled to any compensation whatsoever.***

- d) Each Bid cum Application Form and/ or the ASBA Form will give the Bidder the choice to bid for upto three optional prices (for details refer to the paragraph entitled "Bids at Different Price Levels" below) within the Price Band and specify the demand (i.e., the number of Equity Shares Bid for) in each option. The price and demand options submitted by the Bidder in the Bid cum Application Form and/ or the ASBA Form will be treated as optional demands from the Bidder and

will not be cumulated. After determination of the Issue Price, the maximum number of Equity Shares Bid for by a Bidder at or above the Issue Price will be considered for allocation/Allotment and the rest of the Bid(s), irrespective of the Bid Amount, will become automatically invalid.

- e) Each Bidder should submit only one Bid (either ASBA or non ASBA). Multiple Bids (as defined under "*Multiple Bids*" on page 295 of this Draft Red Herring Prospectus, are liable to be rejected.
- f) Along with the Bid cum Application Form, all Bidders (other than ASBA Bidders) will make payment in the manner described in "*Escrow Mechanism - Escrow mechanism, terms of payment and payment into the Escrow Accounts*" on page 293 of this Draft Red Herring Prospectus.
- g) Upon receipt of the ASBA Form, submitted whether in physical or electronic mode, the respective Designated Branch shall verify if sufficient funds equal to the Bid Amount are available in the ASBA Account, as mentioned in the ASBA Form, prior to uploading such Bids with the Stock Exchanges. The SCSBs may reject the Bid if sufficient funds are not available in the ASBA Account of the Bidder.
- h) If sufficient funds are not available in the ASBA Account, the respective Designated Branch shall reject such Bids and shall not upload such Bids with the Stock Exchanges.
- i) If sufficient funds are available in the ASBA Account, the SCSB shall block an amount equivalent to the Bid Amount mentioned in the ASBA Form and will enter each Bid option into the electronic bidding system as a separate Bid and generate a TRS for each price and demand option. The TRS shall be furnished to the ASBA Bidder on request.
- j) The Bid Amount shall remain blocked in the ASBA Account until finalisation of the basis of Allotment and consequent transfer of the Bid Amount against the Allotted Equity Shares to the Public Issue Account, or until withdrawal/failure of the Issue or until withdrawal/rejection of the ASBA Form, as the case may be. Once the basis of Allotment is finalized, the Registrar to the Issue shall send an appropriate request to the Controlling Branch of the SCSB for unblocking the relevant ASBA Accounts and for transferring the amount pertaining to the Equity Shares to be Allotted to the successful ASBA Bidders to the Public Issue Account. In case of withdrawal/failure of the Issue, the blocked amount shall be unblocked on receipt of such information from the Registrar to the Issue.

The revision in Price Band shall not exceed 20% on the either side i.e. the Floor Price can move up or down to the extent of 20% of the Floor Price disclosed at least two days prior to the Bid Opening Date and the Cap Price will be revised accordingly.
- b) The Bidders can bid at any price within the Price Band. The Bidder has to bid for the desired number of Equity Shares at a specific price. Retail Individual Bidders may bid at the Cut-off Price. However, bidding at Cut-off Price is not permitted for QIB and Non-Institutional Bidders and such Bids from QIB and Non-Institutional Bidders shall be rejected.
- c) Retail Individual Bidders who Bid at Cut-off Price should note that they are required to purchase the Equity Shares at the Issue Price. Retail Individual Bidders shall submit the Bid cum Application Form along with a cheque/demand draft for the Bid Amount based on the Cap Price. ASBA Bidders, under the categories eligible to Bid at Cut-off Price, need to instruct the SCSBs to block an amount based on the Cap Price.

#### **Escrow mechanism, terms of payment and payment into the Escrow Accounts**

For details of the escrow mechanism and payment instructions, please see the chapter titled "*Issue Procedure -Payment Instructions*" on page 293 of this Draft Red Herring Prospectus.

## Electronic Registration of Bids

- a) The members of Syndicate and SCSBs will register the Bids on Working Days using the on-line facilities of the Stock Exchanges. There will be at least one terminal offering on-line connectivity in each city, where a stock exchange is located in India and where Bids are being accepted. The Book Running Lead Manager, our Company and the Registrar to the Issue are not responsible for any acts, mistakes or errors or omission and commissions in relation to, (i) the Bids accepted by the SCSBs, (ii) the Bids uploaded by the SCSBs, (iii) the Bids accepted but not uploaded by the SCSBs or (iv) with respect to ASBA Bids accepted and uploaded without blocking funds in the ASBA Accounts. It shall be presumed that for Bids uploaded by the SCSBs, the Bid Amount has been blocked in the relevant ASBA Account. The Book Running Lead Manager and the SCSBs shall be responsible for any error in the Bid details uploaded by them.

***\*Bidders are advised not to submit the Bid cum Application Form to Escrow Collection Banks and the same will be rejected in a such cases and the Bidders will not be entitled to any compensation whatsoever.***

- b) The members of Syndicate and the SCSBs will undertake modification of selected fields in the Bid details already uploaded within one Working Day from the Bid Closing Date.
- c) In case of apparent data entry error by either the members of Syndicate or the collecting bank in entering the Bid cum Application Form number in their respective schedules other things remaining unchanged, the Bid cum Application Form may be considered as valid and such exceptions may be recorded in minutes of the meeting submitted to Stock Exchange(s). In the event of mistake in capturing the Bid cum Application Form number by either the members of Syndicate or collecting bank leading to rejection of the Bid cum Application Form, the Registrar may identify based on the Bid cum Application Form, the entity responsible for the error.
- d) The Stock Exchanges will offer an electronic facility for registering Bids for the Issue. This facility will be available on the terminals of the members of Syndicate and their authorised agents and the SCSBs during the Bidding Period. The members of Syndicate and the Designated Branches can also set up facilities for off-line electronic registration of Bids subject to the condition that they will subsequently upload the off-line data file into the on-line facilities for Book Building Process on a regular basis. On the Bid Closing Date, the members of Syndicate and the Designated Branches shall upload the Bids till such time as may be permitted by the Stock Exchanges. This information will be available with the members of Syndicate on a regular basis. Bidders are cautioned that a high inflow of high volumes on the last day of the Bidding Period may lead to some Bids received on the last day not being uploaded and such Bids will not be considered for allocation.
- e) At the end of each day during the Bidding Period, the aggregate demand and price for Bids registered on the electronic facilities of the Stock Exchanges will be uploaded on a regular basis, consolidated and displayed on-line at all Bidding Centres and the website of the Stock Exchanges. A graphical representation of consolidated demand and price would be made available at the Bidding Centres during the Bidding Period.
- f) At the time of registering each Bid, other than ASBA Bids, the members of the Syndicate or the Designated Branches, as the case may be, shall enter the following details of the Bidders in the on-line system:
- Name of the Bidder: Bidders should ensure that the name given in the Bid cum Application Form is exactly the same as the name in which the Depository Account is held. In case the Bid cum Application Form is submitted in joint names, Bidders should ensure that the Depository Account is also held in the same joint names and are in the same sequence in which they appear in the Bid cum Application Form;
  - Investor Category - Individual, Corporate, FII, NRI, Mutual Fund, etc;
  - PAN;
  - Numbers of Equity Shares Bid for;
  - Bid Amount;

- Bid cum Application Form number;
- Cheque amount and cheque number in case of non-ASBA Bidders and bank account details in case of ASBA Bidders; and
- DP ID and client identification number of the beneficiary account of the Bidder.

With respect to ASBA Bids, at the time of registering each Bid, the Designated Branches shall enter the following information pertaining to the Bidder into the on-line system:

- Name of the Bidder(s);
- ASBA Bid cum Application Form Number;
- PAN (of the First Bidder, in case of more than one Bidder);
- Investor category and sub-category;
- DP ID and Client ID;
- Beneficiary account number of Equity Shares Bid for;
- Quantity;
- Bid Amount;
- Cheque Amount;
- Cheque number;
- Bank account number.

Details as uploaded in the online system will be considered as final and Allotment will be based on the same.

- g) A system generated TRS will be given to the Bidder as a proof of the registration of each of the bidding options. It is the Bidder's responsibility to obtain the TRS from the members of Syndicate or the Designated Branches. The registration of the Bid by the members of Syndicate or the Designated Branches does not guarantee that the Equity Shares shall be allocated/Allotment either by the members of the Syndicate or our Company.
- h) Such TRS will be non-negotiable and by itself will not create any obligation of any kind.
- i) In case of QIBs bidding in the QIB Portion, the Book Running Lead Manager has the right to accept the Bid or reject it. However, such rejection should be made at the time of receiving the Bid and only after assigning a reason for such rejection in writing. In case of Non-Institutional Bidders and Retail Individual Bidders, Bids would not be rejected except on the technical grounds listed under the para titled - "Grounds for Technical Rejections" on page 297 of this Draft Red Herring Prospectus. The Book Running Lead Manager may also reject Bids if all the information required is not provided and the Bid cum Application Form is incomplete in any respect. The SCSBs shall have no right to reject Bids, except on technical grounds and in case of insufficient funds in the ASBA Account of the Bidder.
- j) The permission given by the Stock Exchanges to use their network and software of the online IPO system should not in any way be deemed or construed to mean that the compliance with various statutory and other requirements by our Company and/or the Book Running Lead Manager are cleared or approved by the Stock Exchanges; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the compliance with the statutory and other requirements nor does it take any responsibility for the financial or other soundness of our Company, the Promoters, the management or any scheme or project of our Company; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the contents of this Draft Red Herring Prospectus; nor does it warrant that the Equity Shares will be listed or will continue to be listed on the Stock Exchanges.

Only Bids that are uploaded on the online IPO system of the Stock Exchanges shall be considered for allocation/ Allotment. The members of the Syndicate shall capture all data relevant for the purposes of finalizing the Basis of Allotment while uploading Bid data in the electronic Bidding systems of the Stock Exchanges. In order that the data so captured is accurate the members of the Syndicate will be given upto one Working Day after the Bid Closing Date to verify the information uploaded in the online IPO system during the Bidding Period after which the data will be sent to the Registrar for reconciliation with the data available with the NSDL and CDSL. If

the Registrar finds any discrepancy in the DP name, DP ID and the Client ID, the Registrar will correct the same. In case of any discrepancy of data between the Stock Exchanges and the members of the Syndicate or the Designated Branches, the decision of our Company in consultation with the Book Running Lead Manager and the Registrar, based on the physical records of the Bid cum Application Forms shall be final and binding on all concerned.

#### **Build up of the book and revision of Bids**

- a) Bids received from various Bidders through the members of the Syndicate and the SCSBs shall be electronically uploaded to the Stock Exchanges' mainframe on a regular basis.
- b) The book gets built up at various price levels. This information will be available with the Book Running Lead Manager on a regular basis during the Bidding Period.
- c) During the Bidding Period, any Bidder who has registered his or her Bid at a particular price level is free to revise his or her Bid within the Price Band using the printed Revision Form, which is part of the Bid cum Application Form.
- d) Revisions can be made in both the desired number of Equity Shares and the Bid Amount by using the Revision Form. Apart from mentioning the revised options in the Revision Form, the Bidder must also mention the details of all the options in his or her Bid cum Application Form, ASBA Form or earlier Revision Form. For example, if a Bidder has Bid for three options in the Bid cum Application Form/ ASBA Form and such Bidder is changing only one of the options in the Revision Form, he must still fill the details of the other two options that are not being revised, in the Revision Form. The members of the Syndicate and the Designated Branches will not accept incomplete or inaccurate Revision Forms.
- e) The Bidder can make this revision any number of times during the Bidding Period. However, for any revision(s) in the Bid, the Bidders will have to use the services of the members of Syndicate or the same SCSB through whom such Bidder had placed the original Bid. Bidders are advised to retain copies of the blank Revision Form and the revised Bid must be made only in such Revision Form or copies thereof.
- f) In case of an upward revision in the Price Band announced as above, Retail Individual Bidders who had Bid at Cut-off Price could either (i) revise their Bid or (ii) shall make additional payment based on the cap of the revised Price Band (such that the total amount i.e., original Bid Amount plus additional payment does not exceed ₹ 2,00,000 if the Bidder wants to continue to Bid at Cut-off Price), with the members of the Syndicate. In case the total amount (i.e., original Bid Amount plus additional payment) exceeds ₹ 2,00,000, the Bid will be considered for allocation under the Non-Institutional Portion in terms of this Draft Red Herring Prospectus. If, however, the Bidder does not either revise the Bid or make additional payment and the Issue Price is higher than the cap of the Price Band prior to revision, the number of Equity Shares Bid for shall be adjusted downwards for the purpose of allocation, such that no additional payment would be required from the Bidder and the Bidder is deemed to have approved such revised Bid at Cut-off Price.
- g) In case of a downward revision in the Price Band, announced as above, Retail Individual Bidders who have bid at Cut-off Price could either revise their Bid or the excess amount paid at the time of bidding would be refunded from the Escrow Account.
- h) Our Company, in consultation with the Book Running Lead Manager, shall decide the minimum number of Equity Shares for each Bid to ensure that the minimum application value is within the range of ₹ 5,000 to ₹ 7,000.
- i) Any revision of the Bid shall be accompanied by payment in the form of cheque or demand draft for the incremental amount, if any, to be paid on account of the upward revision of the Bid. With respect to the ASBA Bids, if revision of the Bids results in an incremental amount, the SCSBs shall block the additional Bid Amount. In case of Bids, other than ASBA Bids, the members of Syndicate shall collect the payment in the form of cheque or demand draft if any, to be paid on account of the upward revision of the Bid at the time of one or more revisions. In such cases, the members of Syndicate will revise the earlier Bid details with the revised Bid and provide the

cheque or demand draft number of the new payment instrument in the electronic book. The Registrar will reconcile the Bid data and consider the revised Bid data for preparing the basis of Allotment. The excess amount, if any, resulting from downward revision of the Bid would be returned to the Bidder at the time of refund in accordance with the terms of the Red Herring Prospectus.

- j) When a Bidder revises his or her Bid, he or she shall surrender the earlier TRS and may get a revised TRS from the members of the Syndicate or the SCSB, as applicable. It is the responsibility of the Bidder to request for and obtain the revised TRS, which will act as proof of his or her having revised the previous Bid.
- k) Only Bids that are uploaded on the online IPO system of the BSE and NSE shall be considered for allocation/ Allotment. In case of discrepancy of data between the BSE or the NSE and the members of the Syndicate, the decision of the Company in consultation with the Book Running Lead Manager based on the physical records of Bid Application Forms shall be final and binding on all concerned.

### **Price Discovery and Allocation**

- a) After the Bid Closing Date, based on the demand generated at various price levels and the book built, our Company in consultation with the Book Running Lead Manager shall finalise the Issue Price and the number of Equity Shares to be allotted in each investor category.
- b) The allocation to QIBs will be up to 50% of the Issue and the availability for allocation to Non-Institutional and Retail Individual Bidders will not less than 15% and 35% of the Issue respectively, and, would be on proportionate basis, in the manner specified in the SEBI Regulations and this Draft Red Herring Prospectus, in consultation with Designated Stock Exchange, subject to valid Bids being received at or above the Issue Price.
- c) Under-subscription in any category would be allowed to be met with spill-over from any other category or combination of categories, at the discretion of our Company in consultation with the members of the Syndicate and the Designated Stock Exchange. If the aggregate demand from Mutual Funds is less than [●] Equity Shares, the balance Equity Shares available for allocation in the Mutual Fund Portion will be added to the QIB Portion and allocated proportionately to QIBs in proportion to their Bids.
- d) Allocation to Non-Residents, including Eligible NRIs and FIIs registered with SEBI, applying on repatriation basis will be subject to applicable law, rules, regulations, guidelines and approvals.
- e) Any oversubscription to the extent of 10% of this Issue can be retained for the purpose of rounding off and making allotments in minimum lots, while finalising the 'Basis of Allocation'.
- f) QIBs Bidding in the QIB Portion shall not be allowed to withdraw their Bids after the QIB Bid Closing Date. Our Company, in consultation with the Book Running Lead Manager, reserve the right to reject any Bid procured from QIBs. Rejection of Bids made by QIBs, if any, will be made at the time of acceptance of Bids provided that the reasons for rejecting the same shall be provided to such Bidder in writing.
- g) The basis of Allotment shall be put on the website of the Registrar to the Issue.

### **Signing of the Underwriting Agreement and the RoC Filing**

- (a) Our Company and the members of the Syndicate shall enter into an Underwriting Agreement on or immediately after the finalisation of the Issue Price.
- (b) After signing the Underwriting Agreement, our Company will update the RHP filed with the ROC and file the Prospectus with the RoC in terms of Section 56, Section 60 and Section 60B of the Companies Act. The Prospectus would have details of the Issue Price, Issue size, underwriting arrangements and would be complete in all material respects.

### **Pre-Issue Advertisement**

The Company shall either on the date of filing of this Draft Red Herring Prospectus with SEBI or on the next day shall make a public announcement in one English national daily newspaper with wide circulation, one Hindi national daily newspaper and a regional daily newspaper, each with wide circulation, where the Registered Office is situated, disclosing that this Draft Red Herring Prospectus has been filed with SEBI and inviting the public to give their comments to SEBI in respect of the disclosures made in this Draft Red Herring Prospectus.

Subject to Section 66 of the Companies Act, our Company shall, after registering the Red Herring Prospectus with the RoC, publish a pre-Issue advertisement, in the form prescribed by the SEBI Regulations, in one English language national daily newspaper and one Hindi language national daily newspaper (which is also the regional newspaper).

### **Advertisement regarding Issue Price and Prospectus**

Our Company will issue a statutory advertisement after the filing of the Prospectus with the RoC. This advertisement, among others shall indicate the Issue Price. Any material updates between the date of the Red Herring Prospectus and the date of Prospectus will be included in such statutory advertisement.

### **Designated Date and Allotment**

- a) Our Company will ensure that the Allotment and credit to the successful Bidder's depository account will be completed within 12 Working Days of the Bid Closing Date.
- b) In accordance with the SEBI Regulations, Equity Shares will be issued and Allotment shall be made only in the dematerialised form to the Allottees.
- c) Allottees will have the option to re-materialise the Equity Shares so Allotted as per the provisions of the Companies Act and the Depositories Act.

**Investors are advised to instruct their Depository Participant to accept the Equity Shares that may be allotted to them pursuant to this Issue.**

### **Issuance of CAN**

- a) Upon approval of the basis of Allotment by the Designated Stock Exchange, the Book Running Lead Manager or the Registrar to the Issue shall send to members of the Syndicate a list of their Bidders who have been or are to be Allotted Equity Shares, pursuant to the approval of basis of Allotment. The investor should note that our Company shall issue instructions for demat credit of Equity Shares to all successful investors immediately post the date of Allotment.
- b) The Book Running Lead Manager, the members of the Syndicate or the Registrar to the Issue, as the case may be, will send a CAN to Bidders who have been or are to be Allotted Equity Shares, pursuant to the approval of the basis of Allotment.
- c) The dispatch of a CAN shall be deemed a valid, binding and irrevocable contract for the Bidder for all the Equity Shares allotted to such Bidder.

#### **Bidder's PAN, Depository Account and Bank Account Details**

Bidders should note that on the basis of PAN of the Bidders, Depository Participant's name, Depository Participant-Identification number and beneficiary account number provided by them in the Bid cum Application Form or ASBA Form, the Registrar to the Issue will obtain from the Depository the Demographic Details of the Bidders. These bank account details would be used for giving refunds (including through physical refund warrants, direct credit, NECS, NEFT and RTGS) or unblocking of ASBA Account. Hence, Bidders are advised to immediately update their bank account details as appearing on the records of the Depository Participant. Please note that failure to do so could result in delays in dispatch / credit of refunds to Bidders or unblocking of ASBA Account at the Bidders sole risk and neither the members of the Syndicate or the Registrar to the Issue or the Escrow Collection Banks or the SCSBs nor our Company shall have any responsibility and undertake any liability for the same. Hence, Bidders should carefully fill in their Depository Account details in the Bid cum Application Form or the ASBA Form, as the case may be.

**IT IS MANDATORY FOR ALL THE BIDDERS TO GET THEIR EQUITY SHARES IN DEMATERIALISED FORM. ALL BIDDERS SHOULD MENTION THEIR PAN, DEPOSITORY PARTICIPANT'S NAME, DEPOSITORY PARTICIPANT IDENTIFICATION NUMBER AND BENEFICIARY ACCOUNT NUMBER IN THE BID CUM APPLICATION FORM OR ASBA FORM. INVESTORS MUST ENSURE THAT THE DP ID, CLIENT ID AND PAN GIVEN IN THE BID CUM APPLICATION FORM OR ASBA FORM IS EXACTLY THE SAME AS THE DP ID, CLIENT ID AND PAN AVAILABLE IN THE DEPOSITORY DATABASE. IN CASE THE BID CUM APPLICATION FORM OR ASBA FORM IS SUBMITTED IN JOINT NAMES, IT SHOULD BE ENSURED THAT THE DEPOSITORY ACCOUNT IS ALSO HELD IN THE SAME JOINT NAMES AND ARE IN THE SAME SEQUENCE IN WHICH THEY APPEAR IN THE BID CUM APPLICATION FORM OR ASBA FORM.**

These demographic details would be used for all correspondence with the Bidders including mailing of the CANs/allocation advice and printing of bank particulars on the refund orders or for refunds through electronic transfer of funds, as applicable. The Demographic Details given by Bidders in the Bid cum Application Form or ASBA Form would not be used for any other purpose by the Registrar to the Issue.

By signing the Bid cum Application Form or ASBA Form, the Bidder would be deemed to have authorised the Depositories to provide, upon request, to the Registrar to the Issue, the required Demographic Details as available on its records.

**CANs/Refund orders/allocation advice would be mailed at the address of the Bidder as per the Demographic Details received from the Depositories. Bidders may note that delivery of CAN/refund orders/allocation advice may get delayed if the same once sent to the address obtained from the Depositories are returned undelivered. In such an event, the address and other details given by the Bidder (other than ASBA Bidders) in the Bid cum Application Form would be used only to ensure dispatch of refund orders. Please note that any such delay shall be at such Bidders sole risk and neither our Company, Escrow Collection Banks, Registrar to the Issue nor the Book Running Lead Manager shall be liable to compensate the Bidder for any losses caused to the Bidder due to any such delay or liable to pay any interest for such delay.**

In case no corresponding record is available with the Depositories, which matches the three parameters, namely, PAN of the sole/First Bidder, the DP ID and the beneficiary's identity, then such Bids are liable to be rejected.

**Bids by Non Residents including Eligible NRIs, FIIs and FVCIs registered with SEBI on a repatriation basis**

Bids and revision to Bids must be made in the following manner:

1. On the Bid cum Application Form, ASBA Form or the Revision Form, as applicable ([●] in colour), and completed in full in BLOCK LETTERS in ENGLISH in accordance with the instructions contained therein.
2. In a single name or joint names (not more than three and in the same order as their Depository Participant details).
3. Bids on a repatriation basis shall be in the names of individuals, or in the name of FIIs but not in the names of minors, OCBs, firms or partnerships, foreign nationals (excluding NRIs) or their nominees.

Bids by Eligible NRIs for a Bid Amount of upto ₹ 2,00,000 would be considered under the Retail Portion for the purposes of allocation and Bids for a Bid Amount of more than ₹ 2,00,000 would be considered under Non-Institutional Portion for the purposes of allocation.

**Refunds, dividends and other distributions, if any, will be payable in Indian Rupees only and net of bank charges and / or commission. In case of Bidders who remit money through Indian Rupee drafts purchased abroad, such payments in Indian Rupees will be converted into US Dollars or any other freely convertible currency as may be permitted by the RBI at the rate of exchange prevailing at the time of remittance and will be dispatched by registered post or if the Bidders so desire, will be credited to their NRE accounts, details of which should be furnished in the space provided for this purpose in the Bid cum Application Form or the ASBA Form. Our Company will not be responsible for loss, if any, incurred by the Bidder on account of conversion of foreign currency.**

**As per the existing policy of the Government of India, OCBs are not permitted to participate in the Issue.**

**There is no reservation for Eligible NRIs, FIIs, FVCIs and all applicants will be treated on the same basis with other categories for the purpose of allocation.**

**Bids under Power of Attorney**

*By limited companies, corporate bodies, registered societies*

A certified copy of the power of attorney or the relevant resolution or authority, as the case may be, along with a certified copy of the memorandum of association and articles of association and/or bye

laws must be submitted along with the Bid cum Application Form. Failing this, our Company reserves the right to reject any Bid, without assigning any reason thereof.

*By FIIIs, FVCIs, VCFs and Mutual Funds*

A certified copy of the power of attorney or the relevant resolution or authority, as the case may be, along with a certified copy of their SEBI registration certificate must be submitted along with the Bid cum Application Form or ASBA Form. Failing this, our Company reserves the right to reject any Bid, without assigning any reason.

Our Company at its absolute discretion reserves the right to relax the above conditions of simultaneous lodging of the powers of attorney, subject to the terms and conditions that our Company in consultation with the Book Running Lead Manager deems fit.

*ASBA Bidders*

In case of an ASBA Bid pursuant to a power of attorney, a certified copy of the power of attorney must be lodged along with the ASBA Form. Failing this, our Company, in consultation with the Book Running Lead Manager, reserves the right to reject such Bids.

Our Company, in its absolute discretion, reserves the right to relax the above condition of attaching the power of attorney along with the Bid cum Application Form or the ASBA Form, as the case may be, subject to such terms and conditions that our Company and the Book Running Lead Manager may deem fit.

## **PAYMENT INSTRUCTIONS**

### **Escrow Mechanism for Bidders other than ASBA Bidders**

Our Company and the Book Running Lead Manager shall open Escrow Account(s) with one or more Escrow Collection Bank(s) in whose favour the Bidders shall make out the cheque or demand draft in respect of his or her Bid and/or revision of the Bid. Cheques or demand drafts received for the full Bid Amount from Bidders in a certain category would be deposited in the Escrow Account.

The Escrow Collection Banks will act in terms of the Red Herring Prospectus, the Prospectus and the Escrow Agreement. The Escrow Collection Banks, for and on behalf of the Bidders, shall maintain the monies in the Escrow Account. The Escrow Collection Banks shall not exercise any lien whatsoever over the monies deposited therein and shall hold the monies therein in trust for the Bidders until the Designated Date. On the Designated Date, the Escrow Collection Banks shall transfer the funds represented by allocation of Equity Shares from the Escrow Account, as per the terms of the Escrow Agreement, into the Public Issue Account. The balance amount after transfer to the Public Issue Account shall be transferred to the Refund Account. Payments of refund to the Bidders shall also be made from the Refund Account as per the terms of the Escrow Agreement and the Red Herring Prospectus.

The Bidders should note that the escrow mechanism is not prescribed by SEBI and has been established as an arrangement between our Company, the Book Running Lead Manager, the Escrow Collection Banks and the Registrar to the Issue to facilitate collections from the Bidders.

### **Payment mechanism for ASBA Bidders**

The ASBA Bidders shall specify the ASBA Account number in the ASBA Form and the relevant SCSB shall block an amount equivalent to the application money in the ASBA Account specified in the ASBA Form. The SCSB shall keep the Bid Amount in the relevant bank account blocked until withdrawal/rejection of the ASBA Bid or receipt of instructions from the Registrar to the Issue to unblock the Bid Amount. On the Designated Date, SCSBs will also transfer the funds represented by allocation of Equity Shares from the respective ASBA Accounts to the Public Issue Account. In the event of withdrawal or rejection of the ASBA Form or for unsuccessful ASBA Forms, the Registrar to the Issue shall give instructions to the SCSB to unblock the application money in the relevant bank account within 12 Working Days of the Bid Closing Date. The Bid Amount shall remain blocked in the ASBA Account until finalisation of the basis of Allotment and consequent transfer of the Bid Amount to the

Public Issue Account, or until withdrawal/ failure of the Issue or until rejection of the ASBA Bid, as the case may be.

Bidders should note that the escrow mechanism is neither provided under any law or regulation nor has been prescribed by SEBI. The escrow mechanism has been established as an arrangement amongst our Company, the Book Running Lead Manager, the Escrow Collection Bank(s) and the Registrar to the Issue to facilitate collections from the Bidders.

#### **Payment into Escrow Account for Bidders other than ASBA Bidders**

Escrow Accounts shall be opened for the collection of the Bid Amounts payable upon submission of the Bid cum Application Forms and for amounts payable pursuant to allocation/Allotment.

Each Bidder shall draw a cheque or demand draft or remit the funds electronically through the RTGS mechanism for the amount payable on the Bid and/or on allocation/Allotment as per the following terms:

1. All Bidders would be required to pay the full Bid Amount at the time of the submission of the Bid cum Application Form.
2. The Bidders shall, with the submission of the Bid cum Application Form, draw a payment instrument for the Bid Amount in favour of the Escrow Account and submit the same to the members of the Syndicate. If the payment is not made favouring the Escrow Account along with the Bid cum Application Form, the Bid will be rejected.
3. The payment instruments for payment into the Escrow Account should be drawn in favour of:
  - In case of resident QIBs: "Escrow Account - [●] - QIB - R";
  - In case of Non-Resident QIBs: "Escrow Account -[●]- QIB - NR";
  - In case of resident Retail and Non-Institutional Bidders: "Escrow Account - [●]- R";
  - In case of Non-Resident Retail and Non-Institutional Bidders: "Escrow Account- [●]- NR"; and
4. In case of Bids by Eligible NRIs applying on repatriation basis, the payments must be made through Indian Rupee drafts purchased abroad or cheques or bank drafts, for the amount payable on application remitted through normal banking channels or out of funds held in Non-Resident External (NRE) Accounts or Foreign Currency Non-Resident (FCNR) Accounts, maintained with banks authorised to deal in foreign exchange in India, along with documentary evidence in support of the remittance. Payment will not be accepted out of Non-Resident Ordinary (NRO) Account of Non-Resident Bidder bidding on a repatriation basis. Payment by drafts should be accompanied by bank certificate confirming that the draft has been issued by debiting to NRE Account or FCNR Account.
5. In case of Bids by Eligible NRIs applying on non-repatriation basis, the payments must be made through Indian Rupee drafts purchased abroad or cheques or bank drafts, for the amount payable on application remitted through normal banking channels or out of funds held in Non-Resident External (NRE) Accounts or Foreign Currency Non-Resident (FCNR) Accounts, maintained with banks authorised to deal in foreign exchange in India, along with documentary evidence in support of the remittance or out of a Non-Resident Ordinary (NRO) Account of a Non-Resident Bidder bidding on a non-repatriation basis. Payment by drafts should be accompanied by a bank certificate confirming that the draft has been issued by debiting an NRE or FCNR or NRO Account.
6. In case of Bids by FIIs, the payment should be made out of funds held in a 'Special Rupee Account' along with documentary evidence in support of the remittance. Payment by drafts should be accompanied by a bank certificate confirming that the draft has been issued by debiting the 'Special Rupee Account'.

7. The monies deposited in the Escrow Account will be held for the benefit of the Bidders (other than ASBA Bidders) till the Designated Date.
8. On the Designated Date, the Escrow Collection Banks shall transfer the funds from the Escrow Account as per the terms of the Escrow Agreement into the Public Issue Account with the Bankers to the Issue.
9. On the Designated Date and no later than 12 Working Days from the Bid Closing Date, the Refund Bankers shall also refund all amounts payable to unsuccessful Bidders (other than ASBA Bidders) and also the excess amount paid on Bidding, if any, after adjusting for basis of Allotment in relation to such Bidders.
10. Payments should be made by cheque, or demand draft drawn on any bank (including a co-operative bank), which is situated at, and is a member of or sub-member of the bankers' clearing house located at the centre where the Bid cum Application Form is submitted. Outstation cheques/bank drafts drawn on banks not participating in the clearing process will not be accepted and applications accompanied by such cheques or bank drafts are liable to be rejected. Cash/stockinvest/money orders/postal orders will not be accepted.
11. In case clear funds are not available in the Escrow Accounts as per final certificates from the Escrow Collection Bank(s), such Bids are liable to be rejected.

**Payment by cash / stockinvest / money order**

Payment through cash / stockinvest / money order shall not be accepted in this Issue.

**Submission of Bid cum Application Form and ASBA Forms**

All Bid cum Application Forms or Revision Forms duly completed and accompanied by account payee cheques or drafts shall be submitted to the members of the Syndicate at the time of submission of the Bid. With respect to the ASBA Bidders, the ASBA Form or the Revision Form or the ASBA Revision Form shall be submitted to the Designated Branches.

No separate receipts shall be issued for the money payable on the submission of Bid cum Application Form or Revision Form. However, the collection centre of the members of the Syndicate will acknowledge the receipt of the Bid cum Application Forms or Revision Forms by stamping and returning to the Bidder the acknowledgement slip. This acknowledgement slip will serve as the duplicate of the Bid cum Application Form for the records of the Bidder.

**OTHER INSTRUCTIONS**

**Joint Bids in the case of Individuals**

Bids may be made in single or joint names (not more than three). In the case of joint Bids, all payments will be made out in favour of the Bidder whose name appears first in the Bid cum Application Form or Revision Form. All communications will be addressed to the first Bidder and will be dispatched to his or her address as per the demographic details received from the Depository.

**Multiple Bids**

A Bidder should submit only one Bid. In this regard, all Bids will be checked for common PAN as per Depository records and all such bids will be treated as multiple bids and are liable to be rejected. Two or more Bids will also be deemed to be multiple Bids if the sole or First Bidder is one and the same.

In case of a Mutual Fund, a separate Bid can be made in respect of each scheme of the Mutual Fund and such Bids in respect of more than one scheme of the Mutual Fund will not be treated as multiple Bids provided that the Bids clearly indicate the scheme concerned for which the Bid has been made.

After Bidding on an ASBA Form either in physical or electronic mode, where such ASBA Bid has been submitted to the Designated Branches and uploaded with the Stock Exchanges, an ASBA Bidder

cannot Bid, either in physical or electronic mode, on another ASBA Form or a Bid cum Application Form. Submission of a second application form, whether an ASBA Form to either the same or to another Designated Branch, or a Bid cum Application Form to the members of the Syndicate, will be treated as multiple Bids and will be liable to be rejected either before entering the Bid into the electronic bidding system, or at any point of time prior to the allocation or Allotment. However, the ASBA Bidder can revise the Bid through the Revision Form, the procedure for which is detailed in *"Build up of the Book and Revision of Bids"* on page 286 of this Draft Red Herring Prospectus.

More than one ASBA Bidder may Bid for Equity Shares using the same ASBA Account, provided that the SCSBs shall not accept a total of more than five ASBA Forms from such ASBA Bidders with respect to any single ASBA Account.

Our Company reserves the right to reject, in its absolute discretion, all or any multiple Bids in any or all categories. In this regard, the procedures which would be followed by the Registrar to the Issue to detect multiple applications are given below:

1. All Bids will be checked for common PAN and will be accumulated and taken to a separate process file which would serve as a multiple master.
2. In this master, a check will be carried out for the same PAN. In cases where the PAN is different, the same will be deleted from this master.
3. The Registrar to the Issue will obtain, from the depositories, details of the applicant's address based on the DP ID and Beneficiary Account Number provided in the Bid cum Application Form or ASBA Form and create an address master.
4. The addresses of all the applications in the multiple master will be strung from the address master. This involves putting the addresses in a single line after deleting non-alpha and non-numeric characters i.e. commas, full stops, hash etc. Sometimes, the name, the first line of address and pin code will be converted into a string for each application received and a photo match will be carried out amongst all the applications processed. A print-out of the addresses will be taken to check for common names. The applications with same name and same address will be treated as multiple applications.
5. The applications will be scrutinised for DP ID and Beneficiary Account Numbers. In case applications bear the same DP ID and Beneficiary Account Numbers, these will be treated as multiple applications.

Cases where there are more than 20 valid applicants having a common address shall be reported to the Stock Exchanges and other appropriate regulatory authorities such as the SEBI and such Equity Shares will be kept in abeyance post Allotment and will be released on receipt of appropriate confirmation from such authorities.

#### **Permanent Account Number or PAN**

Except for bids by or on behalf of the Central or State Government and the officials appointed by the courts and by investors residing in the State of Sikkim, the Bidders, or in the case of a Bid in joint names, each of the Bidders, should mention his/ her PAN allotted under the Income Tax Act. In accordance with the SEBI Regulations, the PAN would be the sole identification number for participants transacting in the securities market, irrespective of the amount of transaction. **Any Bid cum Application Form or ASBA Form without the PAN is liable to be rejected. It is to be specifically noted that Bidders should not submit the GIR number instead of the PAN as the Bid is liable to be rejected on this ground.**

However, the exemption for the Central or State Government and the officials appointed by the courts and for investors residing in the State of Sikkim is subject to the Depository Participants' verifying the veracity of such claims of the investors by collecting sufficient documentary evidence in support of their claims. At the time of ascertaining the validity of these Bids, the Registrar will check under the Depository records for the appropriate description under the PAN field and whether the PAN flag has been enabled.

### **Withdrawal of ASBA Bids**

ASBA Bidders (other than QIBs) can withdraw their Bids during the Bidding Period by submitting a request for the same to the SCSBs who shall do the requisite, including deletion of details of the withdrawn ASBA Form from the electronic bidding system of the Stock Exchanges and unblocking of the funds in the ASBA Account.

In case an ASBA Bidder (other than a QIB bidding through an ASBA Form) wishes to withdraw the Bid after the Bid Closing Date, the same can be done by submitting a withdrawal request to the Registrar to the Issue. The Registrar to the Issue shall delete the withdrawn Bid from the Bid file and give instruction to the SCSB for unblocking the ASBA Account after finalization of the 'Basis of Allocation'.

### **REJECTION OF BIDS**

In case of QIBs, our Company in consultation with the Book Running Lead Manager may reject Bids provided that the reasons for rejecting the same shall be provided to such Bidders in writing. In case of Non-Institutional Bidders and Retail Individual Bidders, our Company has a right to reject Bids based on technical grounds. Consequent refunds shall be made by cheque or pay order or draft and will be sent to the Bidder's address at the Bidder's risk. With respect to ASBA Bids, the Designated Branches shall have the right to reject ASBA Bids if at the time of blocking the Bid Amount in the Bidder's ASBA Account, the respective Designated Branch ascertains that sufficient funds are not available in the Bidder's ASBA Account. Further, in case any DP ID, Client ID or PAN mentioned in the ASBA Form does not match with one available in the depository's database, such ASBA Bid shall be rejected by the Registrar to the Issue. Subsequent to the acceptance of the ASBA Bid by the SCSB, our Company would have a right to reject the ASBA Bids only on technical grounds.

#### ***Grounds for Technical Rejections***

Bidders are advised to note that Bids are liable to be rejected *inter alia* on the following technical grounds:

- Bids made without payment of entire Bid Amount or the amount paid does not tally with the Bid Amount;

- In case no corresponding record is available with the Depositories that matches three parameters namely, names of the Bidders (including the order of names of joint holders), the DP ID and the beneficiary's account number;
- With respect to ASBA Bids, inadequate funds in the ASBA Account to block the Bid Amount specified in the ASBA Form at the time of blocking such Bid Amount in the ASBA Account;
- Bids for amounts greater than the maximum permissible amounts prescribed by the regulations;
- Bids where clear funds are not available in Escrow Accounts as per final certificate from the Escrow Collection Banks;
- Authorisation for blocking funds in the ASBA Account not ticked or provided;
- Inadequate funds in the ASBA Account to block the Bid Amount specified in the ASBA Form at the time of blocking such Bid Amount in the ASBA Account.
- Bids at Cut-off Price by Non-Institutional Bidders, QIBs bidding in excess of ₹ 2,00,000;
- Bids by any person outside India if not in compliance with applicable foreign and Indian Laws;
- Bids for allotment of Equity Shares in physical form;
- Bids by QIBs not submitted through the Book Running Lead Manager or their affiliates or ASBA Bids made by QIBs not intimated to the Book Running Lead Manager;
- Bids by persons in the United States, other than 'qualified institutional buyers' as defined in Rule 144A of the Securities Act;

- Bids not uploaded on the terminals of the Stock Exchanges; and
- Bids by persons prohibited from buying, selling or dealing in the shares directly or indirectly by SEBI or any other regulatory authority.

**IN CASE THE DP ID, CLIENT ID AND PAN MENTIONED IN THE BID CUM APPLICATION FORM OR ASBA FORM AND ENTERED INTO THE ELECTRONIC BIDDING SYSTEM OF THE STOCK EXCHANGES OR THE MEMBERS OF THE SYNDICATE /THE SCSBs DO NOT MATCH WITH THE DP ID, CLIENT ID AND PAN AVAILABLE IN THE RECORDS WITH THE DEPOSITARIES, THE BID IS LIABLE TO BE REJECTED.**

#### **EQUITY SHARES IN DEMATERIALIZED FORM WITH NSDL OR CDSL**

As per the provisions of Section 68B of the Companies Act, the Allotment shall be only in a dematerialised form, (i.e., not in the form of physical certificates but be fungible and be represented by the statement issued through the electronic mode).

In this context, two agreements have been signed among our Company, the respective Depositories and the Registrar to the Issue:

1. Agreement, dated [●] between NSDL, our Company and the Registrar to the Issue.
2. Agreement, dated March 22, 2011 between CDSL, our Company and the Registrar to the Issue.

All Bidders can seek Allotment only in dematerialised mode. Bids from any Bidder without relevant details of his or her depository account are liable to be rejected.

- a) A Bidder applying for Equity Shares must have at least one beneficiary account with either of the Depository Participants of either NSDL or CDSL prior to making the Bid.
- b) The Bidder must necessarily fill in the details (including the Beneficiary Account Number and Depository Participant's identification number) appearing in the Bid cum Application Form, ASBA Form, Revision Form or ASBA Revision Form.
- c) Allotment to a successful Bidder will be credited in electronic form directly to the beneficiary account (with the Depository Participant) of the Bidder.
- d) Names mentioned in the Bid cum Application Form or Revision Form should be identical to those appearing in the account details in the Depository. In case of joint holders, the names should necessarily be in the same sequence as they appear in the account details in the Depository.
- e) If incomplete or incorrect details are given under the heading 'Bidders Depository Account Details' in the Bid cum Application Form, ASBA Form or Revision Form, it is liable to be rejected.
- f) The Bidder is responsible for the correctness of his or her Demographic Details given in the Bid cum Application Form or ASBA Form vis-a-vis those with his or her Depository Participant.
- g) Equity Shares in electronic form can be traded only on the Stock Exchanges having electronic connectivity with NSDL and CDSL. All the Stock Exchanges where the Equity Shares are proposed to be listed have electronic connectivity with NSDL and CDSL.
- h) The trading of the Equity Shares would be in dematerialised form only for all investors in the demat segment of the respective Stock Exchanges.

#### **Communications**

All future communications in connection with Bids made in this Issue should be addressed to the Registrar to the Issue quoting the full name of the sole or first Bidder, Bid cum Application Form or ASBA Form number, Bidders' Depository Account Details, number of Equity Shares applied for, date of Bid cum Application Form or ASBA Form, name and address of the members of the Syndicate or

the Designated Branch where the Bid was submitted and cheque or draft number and issuing bank thereof or with respect to ASBA Bids, ASBA Account number in which the amount equivalent to the Bid Amount was blocked.

Bidders can contact the Compliance Officer or the Registrar to the Issue in case of any pre-Issue or post-Issue related problems such as non-receipt of letters of Allotment, credit of Allotted Equity Shares in the respective beneficiary accounts, refund orders etc. In case of ASBA Bids submitted to the Designated Branches of the SCSBs, the Bidders can contact the Designated Branches.

#### **IMPERSONATION**

Attention of the applicants is specifically drawn to the provisions of sub-section (1) of Section 68 A of the Companies Act, which is reproduced below:

**"Any person who:**

- (a) makes in a fictitious name, an application to a company for acquiring or subscribing for, any shares therein, or**
- (b) otherwise induces a company to allot, or register any transfer of shares, therein to him, or any other person in a fictitious name,**

**shall be punishable with imprisonment for a term which may extend to five years."**

#### **BASIS OF ALLOTMENT**

##### **A. For Retail Individual Bidders**

- Bids received from the Retail Individual Bidders at or above the Issue Price shall be grouped together to determine the total demand under this category. The Allotment to all the successful Retail Individual Bidders will be made at the Issue Price.
- The Issue size less Allotment to Non-Institutional and QIBs shall be available for Allotment to Retail Individual Bidders who have Bid at a price that is equal to or greater than the Issue Price.
- If the aggregate demand in this category is less than or equal to [●] Equity Shares at or above the Issue Price, full Allotment shall be made to the Retail Individual Bidders to the extent of their valid Bids.
- If the aggregate demand in this category is greater than [●] Equity Shares at or above the Issue Price, the Allotment shall be made on a proportionate basis upto a minimum of [●] Equity Shares. For the method of proportionate basis of Allotment, refer below.

##### **B. For Non-Institutional Bidders**

- Bids received from Non-Institutional Bidders at or above the Issue Price shall be grouped together to determine the total demand under this category. The Allotment to all successful Non-Institutional Bidders will be made at the Issue Price.
- The Issue size less Allotment to QIBs and Retail shall be available for Allotment to Non-Institutional Bidders who have Bid in the Issue at a price that is equal to or greater than the Issue Price.
- If the aggregate demand in this category is less than or equal to [●] Equity Shares at or above the Issue Price, full Allotment shall be made to Non-Institutional Bidders to the extent of their demand.
- In case the aggregate demand in this category is greater than [●] Equity Shares at or above the Issue Price, Allotment shall be made on a proportionate basis upto a minimum of [●] Equity Shares. For the method of proportionate basis of Allotment refer below.

### **C. For QIBs in the QIB Portion**

- Bids received from the QIBs bidding in the QIB Portion at or above the Issue Price shall be grouped together to determine the total demand under this portion. The Allotment to all the QIBs will be made at the Issue Price.
- The QIB Portion shall be available for Allotment to QIBs who have Bid at a price that is equal to or greater than the Issue Price.
- Allotment shall be undertaken in the following manner:
  - a) In the first instance allocation to Mutual Funds for upto 5% of the QIB Portion shall be determined as follows:
    - i. In the event that Bids by Mutual Fund exceeds 5% of the QIB Portion, allocation to Mutual Funds shall be done on a proportionate basis for upto 5% of the QIB Portion.
    - ii. In the event that the aggregate demand from Mutual Funds is less than 5% of the QIB Portion then all Mutual Funds shall get full Allotment to the extent of valid Bids received above the Issue Price.
    - iii. Equity Shares remaining unsubscribed, if any, not allocated to Mutual Funds shall be available for Allotment to all QIBs as set out in (b) below;
  - b) In the second instance Allotment to all QIBs shall be determined as follows:
    - i. In the event of oversubscription in the QIB Portion, all QIBs who have submitted Bids above the Issue Price shall be allotted Equity Shares on a proportionate basis for upto 95% of the QIB Portion.
    - ii. Mutual Funds, who have received allocation as per (a) above, for less than the number of Equity Shares Bid for by them, are eligible to receive Equity Shares on a proportionate basis along with other QIBs.
    - iii. Under-subscription below 5% of the QIB Portion, if any, from Mutual Funds, would be included for allocation to the remaining QIBs on a proportionate basis.
- The aggregate Allotment to QIB Bidders shall not be more than [●] Equity Shares.
- If the aggregate demand in this category is greater than [●] Equity Shares at or above the Issue Price, the allocation shall be made on a proportionate basis up to a minimum of [●] Equity Shares and in multiple of one Equity Share thereafter. For the method of proportionate basis of Allotment refer below.

### **Method of Proportionate Basis of Allotment**

In the event of the Issue being over-subscribed, our Company shall finalise the basis of Allotment in consultation with the Designated Stock Exchange. The executive director (or any other senior official nominated by them) of the Designated Stock Exchange along with the Book Running Lead Manager and the Registrar to the Issue shall be responsible for ensuring that the basis of Allotment is finalised in a fair and proper manner in accordance with the SEBI Regulations.

The Allotment shall be made in marketable lots, on a proportionate basis as explained below:

- a) Bidders will be categorised according to the number of Equity Shares applied for.

- b) The total number of Equity Shares to be allotted to each category as a whole shall be arrived at on a proportionate basis, which is the total number of Equity Shares applied for in that category (number of Bidders in the category multiplied by the number of Equity Shares applied for) multiplied by the inverse of the over-subscription ratio.
- c) Number of Equity Shares to be allotted to the successful Bidders will be arrived at on a proportionate basis, which is total number of Equity Shares applied for by each Bidder in that category multiplied by the inverse of the over-subscription ratio.
- d) In all Bids where the proportionate Allotment is less than [●] Equity Shares per Bidder, the Allotment shall be made as follows:
- The successful Bidders out of the total Bidders for a category shall be determined by draw of lots in a manner such that the total number of Equity Shares allotted in that category is equal to the number of Equity Shares calculated in accordance with (b) above; and
  - Each successful Bidder shall be allotted a minimum of [●] Equity Shares.
- e) If the proportionate Allotment to a Bidder is a number that is more than [●] but is not a multiple of one (which is the marketable lot), the decimal would be rounded off to the higher whole number if that decimal is 0.5 or higher. If that number is lower than 0.5 it would be rounded off to the lower whole number. Allotment to all in such categories would be arrived at after such rounding off.
- f) If the Equity Shares allocated on a proportionate basis to any category are more than the Equity Shares allotted to the Bidders in that category, the remaining Equity Shares available for Allotment shall be first adjusted against any other category, where the Allotted Equity Shares are not sufficient for proportionate Allotment to the successful Bidders in that category. The balance Equity Shares, if any, remaining after such adjustment will be added to the category comprising Bidders applying for minimum number of Equity Shares.

Please note:

- The illustration presumes compliance with the requirements specified in this Draft Red Herring Prospectus in the chapter titled "Issue Structure" beginning on page 272 of this Draft Red Herring Prospectus.
- Out of 100 lakhs Equity Shares allocated to QIBs, 5 lakhs (i.e. 5%) will be allocated on proportionate basis among five Mutual Fund applicants who applied for 200 shares in the QIB Portion.
- The balance 95 lakhs Equity Shares [i.e. 100 - 5 (available for Mutual Funds only)] will be allocated on proportionate basis among 10 QIB Bidders who applied for 500 Equity Shares (including 5 Mutual Fund applicants who applied for 200 Equity Shares).
- The figures in the fourth column titled "Allocation of balance 95 lakhs Equity Shares to QIBs proportionately" in the above illustration are arrived as under:
  - For QIBs other than Mutual Funds (A1 to A5) = Number of Equity Shares Bid for X 95 /495
  - For Mutual Funds (MF1 to MF5) = [(No. of shares bid for (i.e., in column II of the table above) less Equity Shares allotted ( i.e., column III of the table above)] X 95/495
  - The numerator and denominator for arriving at allocation of 95 lakhs Equity Shares to the 10 QIBs are reduced by 5 lakhs shares, which have already been allotted to Mutual Funds in the manner specified in column III of the table above.

**Refund orders or instructions to the SCSBs**

Our Company shall give credit to the beneficiary account with depository participants within 12 Working Days from the Bid Closing Date. Applicants residing at the centres where clearing houses are managed by the RBI, will get refunds through NECS only except where applicant is otherwise disclosed as eligible to get refunds through direct credit and RTGS. Our Company shall ensure dispatch of refund orders, if any, of value upto ₹ 1,500, by "Under Certificate of Posting", and shall dispatch refund orders above ₹ 1,500, if any, by registered post or speed post at the sole or first Bidder's sole risk within 12 Working Days from the Bid Closing Date. Applicants to whom refunds are made through electronic transfer of funds will be sent a letter through ordinary post, intimating them

about the mode of credit of refund within 12 Working Days from the Bid Closing Date. In case of ASBA Bidders, the Registrar to the Issue shall instruct the relevant SCSB to unblock the funds in the relevant ASBA Account to the extent of the Bid Amount specified in the ASBA Forms for withdrawn, rejected or unsuccessful or partially successful ASBA Bids within 12 Working Days from the Bid Closing Date.

#### **Interest in case of delay in dispatch of refund orders or instructions to SCSBs**

In accordance with the Companies Act, the requirements of the Stock Exchanges and SEBI Regulations, our Company undertakes that:

- Allotment shall be made only in dematerialised form within 12 Working Days from the Bid Closing Date;
- Dispatch of refund orders, except for Bidders who can receive refunds through Direct Credit, NEFT, RTGS or ECS, shall be done within 12 Working Days from the Bid Closing Date;
- Instructions to SCSBs to unblock the funds in the relevant ASBA Account for withdrawn rejected or unsuccessful Bids shall be made within 12 Working Days from the Bid Closing Date.
- It shall pay interest at 15% p.a. if the refund orders have not been dispatched to the Bidders or if, in a case where the refund or portion thereof is made in electronic manner through Direct Credit, NEFT, RTGS or ECS, the refund instructions have not been given to the clearing system in the disclosed manner within 12 Working Days from the Bid Closing Date or if instructions to SCSBs to unblock funds in the ASBA Accounts are not given within 12 Working Days from the Bid Closing Date.

Our Company will provide adequate funds required for dispatch of refund orders or CAN to the Registrar to the Issue. Refunds will be made by cheques, pay orders or demand drafts drawn on any one or more of the Refund Banker(s) and payable at par at places where Bids are received. Bank charges, if any, for encashing such cheques, pay orders or demand drafts at other centres will be payable by the Bidders.

In case of ASBA Bidders, the SCSBs will unblock funds in the ASBA Accounts to the extent of the refund to be made based on instructions received from the Registrar to the Issue.

#### **PAYMENT OF REFUND**

Bidders other than ASBA Bidders must note that on the basis of the PAN of the Bidders, Depository Participant's name, DP ID, beneficiary account number provided by them in the Bid cum Application Form, the Registrar to the Issue will obtain, from the Depositories, the Bidders' bank account details, including the nine digit Magnetic Ink Character Recognition ("**MICR**") code as appearing on a cheque leaf. Hence, Bidders are advised to immediately update their bank account details as appearing on the records of the Depository Participant. Please note that failure to do so could result in delays in dispatch of refund order or refunds through electronic transfer of funds, as applicable, and any such delay shall be at the Bidders' sole risk and neither our Company, the Registrar to the Issue, Escrow Collection Bank(s), Bankers to the Issue nor the members of the Syndicate shall be liable to compensate the Bidders for any losses caused to the Bidder due to any such delay or liable to pay any interest for such delay.

#### *Mode of making refunds for Bidders other than ASBA Bidders*

The payment of refund, if any, for Bidders other than ASBA Bidders would be done through various modes in the following order of preference:

1. NECS - Payment of refund would be done through NECS for applicants having an account at any of the centres where such facility has been made available. This mode of payment of refunds would be subject to availability of complete bank account details including the MICR code as appearing on a cheque leaf, from the Depositories. The payment of refunds is mandatory for applicants having a bank account at any of the centres where such facility has been made available, except where the applicant, being eligible, opts to receive refund through direct credit, NEFT or RTGS."

2. Direct Credit - Applicants having bank accounts with the Refund Bank (s), as mentioned in the Bid cum Application Form, shall be eligible to receive refunds through direct credit. Charges, if any, levied by the Refund Bank(s) for the same would be borne by our Company.
3. RTGS - Applicants having a bank account at any of the abovementioned centres and whose refund amount exceeds ₹ 5 lakhs, have the option to receive refund through RTGS. Such eligible applicants who indicate their preference to receive refund through RTGS are required to provide the IFSC code in the Bid cum Application Form. In the event the same is not provided, refund shall be made through NECS. Charges, if any, levied by the Refund Bank(s) for the same would be borne by our Company. Charges, if any, levied by the applicant's bank receiving the credit would be borne by the applicant.
4. NEFT - Payment of refund shall be undertaken through NEFT wherever the applicants' bank has been assigned the Indian Financial System Code (IFSC), which can be linked to a Magnetic Ink Character Recognition (MICR), if any, available to that particular bank branch. IFSC Code will be obtained from the website of RBI as on a date immediately prior to the date of payment of refund, duly mapped with MICR numbers. Wherever the applicants have registered their nine digit MICR number and their bank account number while opening and operating the demat account, the same will be duly mapped with the IFSC Code of that particular bank branch and the payment of refund will be made to the applicants through this method. The process flow in respect of refunds by way of NEFT is at an evolving stage and hence use of NEFT is subject to operational feasibility, cost and process efficiency. The process flow in respect of refunds by way of NEFT is at an evolving stage, hence use of NEFT is subject to operational feasibility, cost and process efficiency. In the event that NEFT is not operationally feasible, the payment of refunds would be made through any one of the other modes as discussed in the sections.
5. For all other applicants, including those who have not updated their bank particulars with the MICR code, the refund orders will be dispatched under certificate of posting for value upto ₹ 1,500 and through Speed Post/ Registered Post for refund orders of ₹ 1,500 and above. Such refunds will be made by cheques, pay orders or demand drafts drawn on the Escrow Collection Banks and payable at par at places where Bids are received. Bank charges, if any, for cashing such cheques, pay orders or demand drafts at other centres will be payable by the Bidders.

#### *Mode of making refunds for ASBA Bidders*

In case of ASBA Bidders, the Registrar shall instruct the relevant SCSB to unblock the funds in the relevant ASBA Account to the extent of the Bid Amount specified in the ASBA Forms for withdrawn, rejected or unsuccessful or partially successful ASBA Bids within 12 Working Days from the Bid Closing Date.

#### **DISPOSAL OF APPLICATIONS AND APPLICATION MONEYS AND INTEREST IN CASE OF DELAY**

With respect to Bidders other than ASBA Bidders, our Company shall ensure dispatch of Allotment advice, refund orders (except for Bidders who receive refunds through electronic transfer of funds) and give benefit to the beneficiary account with Depository Participants and submit the documents pertaining to the Allotment to the Stock Exchanges within 12 Working Days of the Bid Closing Date.

In case of applicants who receive refunds through NECS, direct credit or RTGS, the refund instructions will be given to the clearing system within 12 Working Days from the Bid Closing Date. A suitable communication shall be sent to the bidders receiving refunds through this mode within 12 Working Days of Bid Closing Date, giving details of the bank where refunds shall be credited along with amount and expected date of electronic credit of refund.

Our Company shall use best efforts to ensure that all steps for completion of the necessary formalities for listing and commencement of trading at all the Stock Exchanges where the Equity Shares are proposed to be listed, are taken within 12 Working Days from the Bid Closing Date.

In accordance with the Companies Act, the requirements of the Stock Exchanges and the SEBI Regulations, our Company further undertakes that:

- Allotment shall be made only in dematerialised form within 12 Working Days from the Bid Closing Date; and
- With respect to Bidders other than ASBA Bidders, dispatch of refund orders or in a case where the refund or portion thereof is made in electronic manner, the refund instructions would be given to the clearing system within 12 Working Days from the Bid Closing Date would be ensured. With respect to the ASBA Bidders, instructions for unblocking of the ASBA Bidder's ASBA Account shall be made within 12 Working Days from the Bid Closing Date.

Our Company shall pay interest at 15% p.a. for any delay beyond the 10 Working Day time period as mentioned above, if Allotment is not made and refund orders are not dispatched or if, in a case where the refund or portion thereof is made in electronic manner, the refund instructions have not been given to the clearing system in the disclosed manner and/or demat credits are not made to investors within the time prescribed above.

#### **UNDERTAKINGS BY OUR COMPANY**

Our Company undertakes the following:

- That the complaints received in respect of this Issue shall be attended to by our Company expeditiously and satisfactorily;
- That all steps for completion of the necessary formalities for listing and commencement of trading at all the Stock Exchanges where the Equity Shares are proposed to be listed within 12 Working Days from the Bid Closing Date;
- That the Company shall apply in advance for the listing of securities;
- That funds required for making refunds to unsuccessful applicants as per the mode(s) disclosed shall be made available to the Registrar to the Issue by our Company;
- That where refunds are made through electronic transfer of funds, a suitable communication shall be sent to the applicant within 12 Working Days from the Bid Closing Date, as the case may be, giving details of the bank where refunds shall be credited along with amount and expected date of electronic credit of refund;
- That the promoters' contribution in full, wherever required, shall be brought in advance before the Issue opens for public subscription and the balance, if any, shall be brought in pro rata basis before the calls are made on public.
- That the CANs to the non-resident Indians shall be dispatched within specified time;
- That no further issue of Equity Shares shall be made till the Equity Shares offered through the Red Herring Prospectus are listed or until the Bid monies are refunded on account of non-listing, under subscription etc.; and
- That adequate arrangement shall be made to collect all ASBA Forms and to consider them similar to non-ASBA applications while finalising the basis of Allotment.

#### **Withdrawal of the Issue**

Our Company, in consultation with the Book Running Lead Manager, reserves the right not to proceed with the Issue anytime after the Bid Opening Date but before the Allotment. In such an event, our Company would issue a public notice in the newspapers, in which the pre-Issue advertisements were published, within two days of the Bid Closing Date, providing reasons for not proceeding with the Issue. Our Company shall also inform the same to Stock Exchanges on which the Equity Shares are proposed to be listed.

Any further issue of Equity Shares by our Company shall be in compliance with applicable laws.

If our Company withdraws the Issue after the closure of bidding, our Company shall be required to file a fresh draft red herring prospectus with SEBI.

#### **Utilisation of Issue proceeds**

The Board of Directors certify that:

- All monies received out of the Issue shall be credited/transferred to a separate bank account other than the bank account referred to in sub-section (3) of Section 73 of the Companies Act;
- Details of all monies utilised out of Issue shall be disclosed, and continue to be disclosed till the time any part of the issue proceeds remains unutilised, under an appropriate head in our balance sheet indicating the purpose for which such monies have been utilised;
- Details of all unutilised monies out of the Issue, if any shall be disclosed under an appropriate separate head in the balance sheet indicating the form in which such unutilised monies have been invested; and
- Our Company shall not have recourse to the Issue proceeds until the approval for trading of the Equity Shares from all the Stock Exchanges where listing is sought, has been received.

Our Company shall comply with the requirements of Clause 49 of the Listing Agreement in relation to the disclosure and monitoring of the utilization of the Proceeds of the Issue.

#### **Subscription by foreign investors (NRIs/FIIs)**

By way of Circular No. 53 dated December 17, 2003, the RBI has permitted FIIs to subscribe to shares of an Indian company in a public offer without the prior approval of the RBI, so long as the price of the equity shares to be issued is not less than the price at which the equity shares are issued to residents.

There is no reservation for Eligible NRIs and FIIs registered with SEBI. All Eligible NRIs and FIIs will be treated on the same basis with other categories for the purpose of allocation.

## SECTION IX – RESTRICTIONS ON FOREIGN OWNERSHIP OF INDIAN SECURITIES

Foreign investment in Indian securities is regulated through the Industrial Policy, 1991 of the Government of India and FEMA. While the Industrial Policy, 1991 prescribes the limits and the conditions subject to which foreign investment can be made in different sectors of the Indian economy, FEMA regulates the precise manner in which such investment may be made. Under the Industrial Policy, unless specifically restricted, foreign investment is freely permitted in all sectors of Indian economy up to any extent and without any prior approvals, but the foreign investor is required to follow certain prescribed procedures for making such investment. Foreign investment is allowed up to 100% under automatic route in our Company.

India's current Foreign Direct Investment ("FDI") Policy issued by the Department of Industrial Policy and Promotion, Ministry of Commerce and Industry, GoI ("DIPP") by circular 2 of 2010, with effect from October 1, 2010, consolidates and supersedes all previous press notes, press releases and clarifications on FDI issued by the DIPP.

FIs are permitted to subscribe to shares of an Indian company in a public offer without the prior approval of the RBI, so long as the price of the equity shares to be issued is not less than the price at which the equity shares are issued to residents.

The transfer of shares between an Indian resident and a non-resident does not require the prior approval of the FIPB or the RBI, provided that (i) the activities of the investee company are under the automatic route under the foreign direct investment ("FDI") Policy and transfer does not attract the provisions of the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 1997 (ii) the non-resident shareholding is within the sectoral limits under the FDI policy; and (iii) the pricing is in accordance with the guidelines prescribed by SEBI/RBI.

As per the existing policy of the Government of India, OCBs cannot participate in this Issue.

**The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction, except in compliance with the applicable laws of such jurisdiction.**

**The above information is given for the benefit of the Bidders. Our Company and the BRLM are not liable for any amendments or modification or changes in applicable laws or regulations, which may occur after the date of this Draft Red Herring Prospectus. Bidders are advised to make their independent investigations and ensure that the Bids are not in violation of laws or regulations applicable to them.**

## SECTION X – MAIN PROVISIONS OF THE ARTICLES OF ASSOCIATION

Pursuant to Schedule II of the Companies Act and SEBI Regulation, the main provisions of our Articles relating to voting rights, dividends, lien, forfeiture, restrictions on transfer and transmission of Equity Shares or debentures and/or on their consolidation are detailed below. Please note that each provision herein below is numbered as per the corresponding article number in our Articles and capitalized/defined terms herein have the same meaning given to them in our Articles.

The regulations contained in Table "A" in the First Schedule of the Companies Act, 1956 shall not apply to this Company, but these Articles for the management of the Company and for the observance of the Members thereof and their representatives shall, subject to any exercise of the statutory powers of the Company with reference to the repeal of, alteration of, or addition to, its regulations/Articles by Special Resolution, as prescribed by the Companies Act 1956, be such as are contained in these Articles.

### CAPITAL AND INCREASE AND REDUCTION OF CAPITAL

Title of Article	Article Number and contents

Increase of capital by the Company how carried into effect	4. The Company may in General Meeting from time to time by Ordinary Resolution increase its capital by creation of new Shares which may be unclassified and may be classified at the time of issue in one or more classes and of such amount or amounts as may be deemed expedient. The new Shares shall be issued upon such terms and conditions and with such rights and privileges annexed thereto as the resolution shall prescribe and in particular, such Shares may be issued with a preferential or qualified right to dividends and in the distribution of assets of the Company and with a right of voting at General Meeting of the Company in conformity with Section 87 and 88 of the Act. Whenever the capital of the Company has been increased under the provisions of this Article the Directors shall comply with the provisions of Section 97 of the Act
New Capital same as existing capital	5. Except so far as otherwise provided by the conditions of issue or by These Presents, any capital raised by the creation of new Shares shall be considered as part of the existing capital, and shall be subject to the provisions herein contained, with reference to the payment of calls and installments, forfeiture, lien, surrender, transfer and transmission, voting and otherwise.
Non Voting Shares	6. The Board shall have the power to issue a part of authorised capital by way of non-voting Shares at price(s) premia, dividends, eligibility, volume, quantum, proportion and other terms and conditions as they deem fit, subject however to provisions of law, rules, regulations, notifications and enforceable guidelines for the time being in force.
Redeemable Preference Shares	7. Subject to the provisions of Section 80 of the Act, the Company shall have the power to issue preference shares which are or at the option of the Company, liable to be redeemed and the resolution authorising such issue shall prescribe the manner, terms and conditions of redemption.
Voting rights of preference shares	8. The holder of Preference Shares shall have a right to vote only on Resolutions, which directly affect the rights attached to his Preference Shares.
Provisions to apply on issue of Redeemable	9. On the issue of redeemable preference shares under the provisions of Article 7 hereof, the following provisions shall take effect: (a) No such Shares shall be redeemed except out of profits of which

Preference Shares	<p>would otherwise be available for dividend or out of proceeds of a fresh issue of shares made for the purpose of the redemption.</p> <p>(b) No such Shares shall be redeemed unless they are fully paid.</p> <p>(c) The premium, if any payable on redemption shall have been provided for out of the profits of the Company or out of the Company's security premium account, before the Shares are redeemed.</p> <p>(d) Where any such Shares are redeemed otherwise then out of the proceeds of a fresh issue, there shall out of profits which would otherwise have been available for dividend, be transferred to a reserve fund, to be called "the Capital Redemption Reserve Account", a sum equal to the nominal amount of the Shares redeemed, and the provisions of the Act relating to the reduction of the share capital of the Company shall, except as provided in Section 80 of the Act apply as if the Capital Redemption Reserve Account were paid-up share capital of the Company.</p> <p>(e) Subject to the provisions of Section 80 of the Act. The redemption of preference shares hereunder may be effected in accordance with the terms and conditions of their issue and in the absence of any specific terms and conditions in that behalf, in such manner as the Directors may think fit.</p>
Reduction of capital	<p>10.</p> <p>The Company may (subject to the provisions of section 78, 80 and 100 to 105, both inclusive, and other applicable provisions, if any, of the Act) from time to time by Special Resolution reduce</p> <p>(a) the share capital;</p> <p>(b) any capital redemption reserve account; or</p> <p>(c) any security premium account.</p> <p>in any manner for the time being, authorised by law and in particular capital may be paid off on the footing that it may be called up again or otherwise. This Article is not to derogate from any power the Company would have, if it were omitted.</p>
Purchase of own Shares	<p>11.</p> <p>The Company shall have power, subject to and in accordance with all applicable provisions of the Act, to purchase any of its own fully paid Shares whether or not they are redeemable and may make a payment out of capital in respect of such purchase.</p>
Sub-division consolidation and cancellation of Shares	<p>12.</p> <p>Subject to the provisions of Section 94 and other applicable provisions of the Act, the Company in General Meeting may, from time to time, sub-divide or consolidate its Shares, or any of them and the resolution whereby any Share is sub-divided may determine that, as between the holders of the Shares resulting from such sub-divisions, one or more of such Shares shall have some preference or special advantage as regards dividend, capital or otherwise over or as compared with the other(s). Subject as aforesaid, the Company in General Meeting may also cancel shares which have not been taken or agreed to be taken by any person and diminish the amount of its share capital by the amount of the Shares so cancelled.</p>

#### MODIFICATION OF RIGHTS

<b>Title of Article</b>	<b>Article Number and contents</b>
Modification of rights	<p>13.</p> <p>Whenever the capital, by reason of the issue of preference shares or otherwise, is divided into different classes of Shares, all or any of the rights and privileges attached to each class may, subject to the provisions of Sections 106 and 107 of the Act, be modified, commuted, affected, abrogated, dealt with or varied with the consent in writing of the holders of not less than three-fourth of the issued capital of that class or with the sanction of a Special Resolution passed at a separate General Meeting of the holders of Shares of that class, and all the provisions hereafter contained as to General Meeting shall <i>mutatis mutandis</i> apply to every such</p>

	<p>(i) To convert such debentures or loans into Shares in the Company; or            (ii) To subscribe for Shares in the Company            PROVIDED THAT the terms of issue of such debentures or the terms of such loans include a term providing for such option and such term:            (a) Either has been approved by the Central Government before the issue of the debentures or the raising of the loans or is in conformity with the Rules, if any, made by that government in this behalf; and            (b) In the case of debentures or loans or other than debentures issued to, or loans obtained from government or any institution specified by the Central Government in this behalf, has also been approved by a Special Resolution passed by the Company in the General Meeting before the issue of the loans.</p>
Shares at the disposal of the Directors	<p>16.            Subject to the provisions of Section 81 of the Act and these Articles, the Shares in the capital of the Company for the time being shall be under the control of the Directors who may issue, allot or otherwise dispose of the same or any of them to such person, in such proportion and on such terms and conditions and either at a premium or at par or (subject to the compliance with the provision of Section 79 of the Act) at a discount and at such time as they may from time to time think fit and with sanction of the Company in the General Meeting to give to any person or persons the option or right to call for any Shares either at par or premium during such time and for such consideration as the Directors think fit, and may issue and allot Shares in the capital of the Company on payment in full or part of any property sold and transferred or for any services rendered to the Company in the conduct of its business and any Shares which may so be allotted may be issued as fully paid up Shares and if so issued, shall be deemed to be fully paid Shares. Provided that option or right to call for Shares shall not be given to any person or persons without the sanction of the Company in the General Meeting.</p>
Power to offer Shares/options to acquire Shares	<p>16A            (i) Without prejudice to the generality of the powers of the Board under Article 16 or in any other Article of these Articles of Association, the Board or any Committee thereof duly constituted may, subject to the applicable provisions of the Act, rules notified thereunder and any other applicable laws, rules and regulations, at any point of time, offer existing or further Shares (consequent to increase of share capital) of the Company, or options to acquire such Shares at any point of time, whether such options are granted by way of warrants or in any other manner (subject to such consents and permissions as may be required) to its employees, including Directors (whether whole-time or not), whether at par, at discount or at a premium, for cash or for consideration other than cash, or any combination thereof as may be permitted by law for the time being in force.            (ii) In addition to the powers of the Board under Article 16A(i), the Board may also allot the Shares referred to in Article 16A(i) to any trust, whose principal objects would inter alia include further transferring such Shares to the Company's employees [including by way of options, as referred to in Article 16A(i)] in accordance with the directions of the Board or any Committee thereof duly constituted for this purpose. The Board may make such provision of moneys for the purposes of such trust, as it deems fit.            (iii) The Board, or any Committee thereof duly authorised for this purpose, may do all such acts, deeds, things, etc. as may be necessary or expedient for the purposes of achieving the objectives set out in Articles 16A(i) and (ii) above.</p>

Title of Article	Article Number and contents
Application of premium received on Shares	<p>17.</p> <p>(1) where the Company issues Shares at a premium whether for cash or otherwise, a sum equal to the aggregate amount or value of the premium on these Shares shall be transferred to an account, to be called "the security premium account" and the provisions of the Act relating to the reduction of the share capital of the Company shall except as provided in this Article, apply as if the security premium account were paid up share capital of the Company.</p> <p>(2) The security premium account may, notwithstanding anything in clause (1) thereof be applied by the Company:</p> <p>(a) In paying up unissued Shares of the Company, to be issued to the Members of the Company as fully paid bonus;</p> <p>(b) In writing off the preliminary expenses of the Company;</p> <p>(c) In writing off the expenses of or the commission paid or discount allowed or any issue of Shares or debentures of the Company ; or</p> <p>(d) In providing for the premium payable on the redemption of any redeemable preference shares or of any debentures of the Company.</p>
Power also to Company in General Meeting to issue Shares	<p>18.</p> <p>In addition to and without derogating from the powers for that purpose conferred on the Board under these Articles, the Company in General Meeting may, subject to the provisions of Section 81 of the Act, determine that any Shares (whether forming part of the original capital or of any increased capital of the Company) shall be offered to such persons (whether Members or not) in such proportion and on such terms and conditions and either (subject to compliance with the provisions of Sections 78 and 79 of the Act) at a premium or at par or at a discount as such General Meeting shall determine and with full power to give any person (whether a Member or not) the option or right to call for or buy allotted Shares of any class of the Company either (subject to compliance with the provisions of Sections 78 and 79 of the Act) at a premium or at par or at a discount, such option being exercisable at such times and for such consideration as may be directed by such General Meeting or the Company in General Meeting may make any other provision whatsoever for the issue, allotment, or disposal of any Shares.</p>
Power of General Meeting to authorize Board to offer Shares/Options to employees	<p>18A</p> <p>Without prejudice to the generality of the powers of the General Meeting under Article 18 or in any other Article of these Articles of Association, the General Meeting may, subject to the applicable provisions of the Act, rules notified thereunder and any other applicable laws, rules and regulations, determine, or give the right to the Board or any Committee thereof to determine, that any existing or further Shares (consequent to increase of share capital) of the Company, or options to acquire such Shares at any point of time, whether such options are granted by way of warrants or in any other manner (subject to such consents and permissions as may be required) be allotted/granted to its employees, including Directors (whether whole-time or not), whether at par, at discount or a premium, for cash or for consideration other than cash, or any combination thereof as may be permitted by law for the time being in force. The General Meeting may also approve any Scheme/Plan/ other writing, as may be set out before it, for the aforesaid purpose</p> <p>In addition to the powers contained in Article 18A(i), the General Meeting may authorise the Board or any Committee thereof to exercise all such powers and do all such things as may be necessary or expedient to achieve the objectives of any Scheme/Plan/other writing approved under the aforesaid Article.</p>
Shares at a discount	<p>19.</p> <p>The Company may issue at a discount Shares in the Company of a class already issued, if the following conditions are fulfilled, namely:</p> <p>(a) The issue of the Shares at discount is authorised by resolution passed by the Company in the General Meeting and sanctioned by the Company Law Board;</p>

Title of Article	Article Number and contents
	<p>(b) The resolution specifies the maximum rate of discount (not exceeding ten percent or such higher percentage as the Company Law Board may permit in any special case) at which the Shares are to be issued; and</p> <p>(c) The Shares to be issued at a discount are issued within two months after the date in which the issue is sanctioned by the Company Law Board or within such extended time as the Company Law Board may allow.</p>
Installments of Shares to be duly paid	<p>20.</p> <p>If by the conditions of any allotment of any Shares the whole or any part of the amount or issued price thereof shall, be payable by installments, every such installment shall when due, be paid to the Company by the person who for the time being and from time to time shall be the registered holder of the Shares or his legal representatives, and shall for the purposes of these Articles be deemed to be payable on the date fixed for payment and in case of non-payment the provisions of these Articles as to payment of interest and expenses forfeiture and like and all the other relevant provisions of the Articles shall apply as if such installments were a call duly made notified as hereby provided.</p>
The Board may issue Shares as fully paid-up	<p>21.</p> <p>Subject to the provisions of the Act and these Articles, the Board may allot and issue Shares in the Capital of the Company as payment for any property purchased or acquired or for services rendered to the Company in the conduct of its business or in satisfaction of any other lawful consideration. Execution of transfer	74. The instrument of transfer of any Share shall be duly stamped and executed by or on behalf of both the transferor and the transferee and shall be witnessed. The transferor shall be deemed to remain the holder of such Share until the name of the transferee shall have been entered in the Register of Members in respect thereof. The requirements of provisions of Section 108 of the Companies Act, 1956 and any statutory modification thereof for the time being shall be duly complied with.
Transfer by legal representatives	75. A transfer of Share in the Company of a deceased Member thereof made by his legal representative shall, although the legal representative is not himself a Member be as valid as if he had been a Member at the time of the execution of the instrument of transfer.
Register of Members etc when closed	76. The Board of Directors shall have power on giving not less than seven days previous notice by advertisement in some newspaper circulating in the district in which the registered office of the Company is situated to close the Register of Members and/or the Register of debentures holders at such time or times and for such period or periods, not exceeding thirty days at a time, and not exceeding in the aggregate forty five days at a time, and not exceeding in the aggregate forty five days in each year as it may seem expedient to the Board.
Directors may refuse to register transfer	77. Subject to the provisions of Section 111A, these Articles and other applicable provisions of the Act or any other law for the time being in force, the Board may refuse whether in pursuance of any power of the company under these Articles or otherwise to register the transfer of, or the transmission by operation of law of the right to, any Shares or interest of a Member in or Debentures of the Company. The Company shall within one month from the date on which the instrument of transfer, or the intimation of such transmission, as the case may be, was delivered to Company, send notice of

	the refusal to the transferee and the transferor or to the person giving intimation of such transmission, as the case may be, giving reasons for such refusal. Provided that the registration of a transfer shall not be refused person or persons indebted to the Company on any account whatsoever except where the Company has a lien on Shares.
Death of one or more joint holders of Shares	78. In case of the death of any one or more of the persons named in the Register of Members as the joint holders of any Share, the survivor or survivors shall be the only persons recognised by the Company as having any title or interest in such Share, but nothing herein contained shall be taken to release the estate of a deceased joint holder from any liability on Shares held by him with any other person.
Titles of Shares of deceased Member	79. The Executors or Administrators of a deceased Member or holders of a Succession Certificate or the Legal Representatives in respect of the Shares of a deceased Member (not being one of two or more joint holders) shall be the only persons recognized by the Company as having any title to the Shares registered in the name of such Members, and the Company shall not be bound to recognize such Executors or Administrators or holders of Succession Certificate or the Legal Representative unless such Executors or Administrators or Legal Representative shall have first obtained Probate or Letters of Administration or Succession Certificate as the case may be from a duly constituted Court in the Union of India provided that in any case where the Board of Directors in its absolute discretion thinks it, the Board upon such terms as to indemnity or otherwise as the Directors may deem proper dispense with production of Probate or Letters of Administration or Succession Certificate and register Shares standing in the name of a deceased Member, as a Member. However, provisions of this Article are subject to Sections 109A and 109B of the Companies Act.
Notice of application when to be given	80. Where, in case of partly paid Shares, an application for registration is made by the transferor, the Company shall give notice of the application to the transferee in accordance with the provisions of Section 110 of the Act.
Registration of persons entitled to Shares otherwise than by transfer (Transmission Clause)	81. Subject to the provisions of the Act and Article 78 hereto, any person becoming entitled to Share in consequence of the death, lunacy, bankruptcy insolvency of any Member or by any lawful means other than by a transfer in accordance with these Articles may, with the consent of the Board (which it shall not be under any obligation to give), upon producing such evidence that he sustains the character in respect of which he proposes to act under this Article or of such title as the Board thinks sufficient, either be registered himself as the holder of the Share or elect to have some person nominated by him and approved by the Board registered as such holder; provided nevertheless, that if such person shall elect to have his nominee registered as a holder, he shall execute an instrument of transfer in accordance with the provisions herein contained, and until he does so, he shall not be freed from any liability in respect of the Shares. This clause is hereinafter referred to as the "Transmission Clause".
Refusal to register nominee	82. Subject to the provisions of the Act and these Articles, the Directors shall have the same right to refuse to register a person entitled by transmission to any Share of his nominee as if he were the transferee named in an ordinary transfer presented for registration.
Person entitled may receive dividend without	83. A person entitled to a Share by transmission shall subject to the right of the Directors to retain dividends or money as is herein provided, be entitled to receive and may give a discharge for any dividends or

being registered as a Member	other moneys payable in respect of the Share.
No fee on transfer or transmissions	84. No fee shall be charged for registration of transfer, transmission, Probate, Succession Certificate & Letters of Administration, Certificate of Death or Marriage, Power of Attorney or other similar document.
Transfer to be presented with evidence of title	85. Every instrument of transfer shall be presented to the Company duly stamped for registration accompanied by such evidence as the Board may require to prove the title of the transferor, his right to transfer the Shares and generally under and subject to such conditions and regulations as the Board may, from time to time prescribe, and every registered instrument of transfer shall remain in the custody of the Company until destroyed by order of the Board.
Company not liable for disregard of a notice prohibiting registration of transfer	86. The Company shall incur no liability or responsibility whatsoever in consequence of its registering or giving effect to any transfer of Shares made or purporting to be made by any apparent legal owner thereof (as shown or appearing in the Register of Members) to the prejudice of persons having or claiming any equitable right, title or interest to or in the said Shares, notwithstanding that the Company may have had notice of such equitable right, title or interest or notice prohibiting registration of such transfer, and may have entered such notice, or referred thereto, in any book of the Company, and the Company shall not be bound to be required to regard or attend to give effect to any notice which may be given to it of any equitable right, title or interest or be under any liability whatsoever for refusing or neglecting to do so, though it may have been entered or referred to in some book of the Company, but the Company shall nevertheless be at liberty to regard and attend to any such notice and give effect thereto if the Board shall so think fit.

#### VOTES OF MEMBERS

<b>Title of Article</b>	<b>Article Number and contents</b>
Member paying money in advance not to be entitled to vote in respect thereof	126. A Member paying the whole or a part of the amount remaining unpaid on any Share held by him although no part of that amount has been called up, shall not be entitled to any voting rights in respect of moneys so paid by him until the same would but for such payment become presently payable.
Restriction on exercise of voting rights of Members who have not paid calls	127. No Member shall exercise any voting rights in respect of any Shares registered in his name on which any calls or other sums presently payable by him have not been paid or in regard to which the Company has exercised any right of lien.
Number of votes to which Member entitled	128. Subject to the provisions of Article 126, every Member of the Company holding any equity share capital and otherwise entitled to vote shall, on a show of hands when present in person (or being a body corporate present by a representative duly authorised) have one vote and on a poll, when present in person (including a body corporate by a duly authorised representative), or by an agent duly authorised under a Power of Attorney or by proxy, his voting right shall be in proportion to his share of the paid-up equity share capital of the Company. Provided however, if any preference shareholder is present at any meeting of the Company, (save as provided in clause (b) of sub-section (2) of Section 87) he shall have a right to vote only on resolutions before the Meeting which directly affect the rights attached to his preference shares. A Member is not prohibited from exercising his voting rights on the ground that he has not held his Shares

	or interest in the Company for any specified period preceding the date on which the vote is taken.
Votes of Members of unsound mind	129. A Member of unsound mind, or in respect of whom order has been made by any Court having jurisdiction in lunacy, may vote, whether on a show of hands or on a poll, by his committee or other legal guardian and any such committee or guardian may, on a poll, vote by proxy.
Votes of joint Members	130. If there be joint registered holders of any Shares, one of such persons may vote at any Meeting personally or by an agent duly authorised under a Power of Attorney or by proxy in respect of such Shares, as if he were solely entitled thereto but the proxy so appointed shall not have any right to speak at the Meeting, and if more than one of such joint holders be present at any Meeting either personally or by agent or by proxy, that one of the said persons so present whose name appears higher on the Register of Members shall alone be entitled to speak and to vote in respect of such Shares, but the other holder(s) shall be entitled to vote in preference to a person present by an agent duly authorised under a Power of Attorney or by proxy although the name of such person present by agent or proxy stands first or higher in the Register of Members in respect of such Shares. Several executors or administrators of a deceased Member in whose name Shares stand shall for the purpose of these Articles be deemed joint holders thereof.
Representation of body corporate	131. (a) A body corporate (whether a company within the meaning of the Act or not) may, if it is a Member or creditor of the Company (including a holder of Debentures) authorise such person as it thinks fit by a resolution of its Board of Directors or other governing body, to act as its representative at any Meeting of the Company or any class of shareholders of the Company or at any meeting of the creditors of the Company or Debenture-holders of the Company. A person authorised by resolutions aforesaid shall be entitled to exercise the same rights and powers (including the right to vote by proxy) on behalf of the body corporate which he represents as that body could exercise if it were an individual Member, shareholder, creditor or holder of Debentures of the Company. The production of a copy of the resolution referred to above certified by a Director or the Secretary of such body corporate before the commencement of the Meeting shall be accepted by the Company as sufficient evidence of the validity of the said representatives' appointment and his right to vote thereat. (b) Where the President of India or the Governor of a State is a Member of the Company, the President or as the case may be the Governor may appoint such person as he thinks fit to act as his representative at any Meeting of the Company or at any meeting of any class of shareholders of the Company and such a person shall be entitled to exercise the same rights and powers, including the right to vote by proxy, as the President, or as the case may be, the Governor could exercise as a Member of the Company.
Votes in respects of deceased or insolvent Members	132. Any person entitled under the Transmission Article to transfer any Shares may vote at any General Meeting in respect thereof in the same manner as if he was the registered holder of such Shares; provided that at least forty-eight hours before the time of holding the Meeting or adjourned Meeting, as the case may be, at which he proposes to vote, he shall satisfy the Directors of the right to transfer such Shares and give such indemnity (if any) as the Directors may require unless the Directors shall have previously admitted his right to vote at such Meeting in respect thereof.

Voting in person or by proxy	133. Subject to the provisions of these Articles, votes may be given either personally or by proxy. A body corporate being a Member may vote either by a proxy or by a representative duly authorised in accordance with Section 187 of the Act.
Rights of Members to use votes differently	134. On a poll taken at a Meeting of the Company a Member entitled to more than one vote or his proxy, or other persons entitled to vote for him, as the case may be, need not, if he votes, use all his votes or cast in the same way all the votes he uses
Proxies	135. Any Member of the Company entitled to attend and vote at a Meeting of the Company, shall be entitled to appoint another person (whether a Member or not) as his proxy to attend and vote instead of himself PROVIDED ALWAYS that a proxy so appointed shall not have any right what so ever to speak at the Meeting. Every notice convening a Meeting of the Company shall state that a Member entitled to attend and vote is entitled to appoint one or more proxies to attend and vote instead of himself, and that a proxy need not be a Member of the Company.
Proxy either for specified meeting or for a period	136. An instrument of proxy may appoint a proxy either for the purposes of a particular Meeting specified in the instrument and any adjournment thereof or it may appoint a proxy for the purpose of every Meeting to be held before a date specified in the instrument and every adjournment of any such Meeting.
No proxy to vote on a show of hands	137. No proxy shall be entitled to vote by a show of hands.
Instrument of proxy when to be deposited	138. The instrument appointing a proxy and the Power of Attorney or authority (if any) under which it is signed or a notarially certified copy of that Power of Attorney or authority, shall be deposited at the Registered Office of the Company at least forty-eight hours before the time for holding the Meeting at which the person named in the instrument purposes to vote and in default the instrument of proxy shall not be treated as valid.
Form of Proxy	139. Every instrument of proxy whether for a specified Meeting or otherwise shall, as nearly as circumstances will admit, be in any of the forms set out in Schedule IX to the Act, and signed by the appointer or his attorney duly authorised in writing or if the appointer is a body corporate, be under its seal or be signed by any officer or attorney duly authorised by it.
Validity of votes given by proxy notwithstanding revocation of authority	140. A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death or insanity of the principal, or revocation of the proxy or of any Power of Attorney under which such proxy was signed, or the transfer of the Share in respect of which the vote is given, provided that no intimation in writing of the death, insanity, revocation or transfer shall have been received by the Company at the Registered Office before the commencement of the Meeting or adjourned Meeting at which the proxy is used provided nevertheless that the Chairman of any Meeting shall be entitled to require such evidence as he may in his discretion think fit of the due execution of an instrument of proxy and of the same not having been revoked.
Time for objection to vote	141. No objection shall be made to the qualification of any voter or to the validity of a vote except at the Meeting or adjourned Meeting at which the vote objected to is given or tendered, and every vote, whether given personally or by proxy, not disallowed at such Meeting, shall be valid for all proposes and such objection made in due time shall be referred to the Chairman

	of the Meeting.
Chairman of any Meeting to be the judge of Validity of any value	142. The Chairman of any Meeting shall be the sole judge of the validity of every vote tendered at such Meeting. The Chairman present at the taking of a poll shall be the sole judge of the validity of every vote tendered at such poll. The decision of the Chairman shall be final and conclusive.
Custody of Instrument	143. If any such instrument of appointment is confined to the object of appointing at attorney or proxy for voting at Meetings of the Company, it shall remain permanently or for such time as the Directors may determine, in the custody of the Company. If such instrument embraces other objects, a copy thereof examined with the original shall be delivered to the Company to remain in the custody of the Company.

#### DIVIDENDS AND CAPITALISATION OF RESERVES

<b>Title of Article</b>	<b>Article Number and contents</b>
Division of profits	212. (a) Subject to the rights of persons, if any, entitled to Shares with special rights as to dividends, all dividends shall be declared and paid according to the amounts paid or credited as paid on the Shares in respect whereof the dividend is paid but if and so long as nothing is paid upon any of Share in the Company, dividends may be declared and paid according to the amounts of the Shares. (b) No amount paid or credited as paid on a Share in advance of calls shall be treated for the purpose of this Article as paid on the Shares.
The Company at General Meeting may declare dividend	213. The Company in General Meeting may declare dividends, to be paid to Members according to their respective rights and interest in the profits and may fix the time for payment and the Company shall comply with the provisions of Section 207 of the Act, but no dividends shall exceed the amount recommended by the Board of Directors. However, the Company may declare a smaller dividend than that recommended by the Board in General Meeting.
Dividends out of profits only	214. No dividend shall be payable except out of profits of the Company arrived at the manner provided for in Section 205 of the Act.
Interim dividend	215. The Board of Directors may from time to time pay to the Members such interim dividends as in their judgment the position of the Company justifies.
Debts may be deducted	216. (a) The Directors may retain any dividends on which the Company has a lien and may apply the same in or towards the satisfaction of the debts, liabilities or engagements in respect of which the lien exists. (b) The Board of Directors may retain the dividend payable upon Shares in respect of which any person is, under the Transmission Article, entitled to become a Member or which any person under that Article is entitled to transfer until such person shall become a Member or shall duly transfer the same.
Capital paid-up in advance to carry interest, not the right to earn dividend	217. Where the capital is paid in advance of the calls upon the footing that the same shall carry interest, such capital shall not, whilst carrying interest, confer a right to dividend or to participate in profits.
	218.

Title of Article	Article Number and contents
Dividends in proportion to amounts paid-up	All dividends shall be apportioned and paid proportionately to the amounts paid or credited as paid on the Shares during any portion or portions of the period in respect of which the dividend is paid, but if any Share is issued on terms provided that it shall rank for dividends as from a particular date such Share shall rank for dividend accordingly.
No Member to receive dividend while indebted to the Company and the Company's right in respect thereof	219. No Member shall be entitled to receive payment of any interest or dividend or bonus in respect of his Share or Shares, whilst any money may be due or owing from him to the Company in respect of such Share or Shares (or otherwise however either alone or jointly with any other person or persons) and the Board of Directors may deduct from the interest or dividend to any Member all such sums of money so due from him to the Company.
Effect of transfer of Shares	220. A transfer of Shares shall not pass the right to any dividend declared therein before the registration of the transfer.
Dividend to joint holders	221. Any one of several persons who are registered as joint holders of any Shares may give effectual receipts for all dividends or bonus and payments on account of dividends in respect of such Shares.
Dividend how remitted	222. The dividend payable in cash may be paid by cheque or warrant sent through post directly to registered address of the shareholder entitled to the payment of the dividend or in case of joint holders to the registered address of that one of the joint holders who is first named on the Register of Members or to such person and to such address as the holder or joint holders may in writing direct. The Company shall not be liable or responsible for any cheque or warrant or pay slip or receipt lost in transit or for any dividend lost, to the Member or person entitled thereto by forged endorsement of any cheque or warrant or forged signature on any pay slip or receipt or the fraudulent recovery of the dividend by any other means.
Notice of dividend	223. Notice of the declaration of any dividend whether interim or otherwise shall be given to the registered holders of Share in the manner herein provided.
Reserves	224. The Directors may, before recommending or declaring any dividend set aside out of the profits of the Company such sums as they think proper as reserve or reserves, which shall, at the discretion of the Directors, be applicable for meeting contingencies or for any other purposes to which the profits of the Company may be properly applied and pending such application, may at the like discretion, either be employed in the business of the Company or be invested in such investments (other than Shares of the Company) as the Directors may from time to time think fit.
Dividend to be paid within time required by law.	225. The Company shall pay the dividend, or send the warrant in respect thereof to the shareholders entitled to the payment of dividend, within such time as may be required by law from the date of the declaration unless:- (a) where the dividend could not be paid by reason of the operation on any law; or (b) where a shareholder has given directions regarding the payment of the dividend and those directions cannot be complied with; or (c) where there is dispute regarding the right to receive the dividend; or (d) where the dividend has been lawfully adjusted by the Company against any sum due to it from shareholder; or (e) where for any other reason, the failure to pay the dividend or to post the warrant within the period aforesaid was not due to any default on the part
